

*My heart has made its mind up
And I'm afraid it's you.*

The Orange provides the perfect introduction to Wendy Cope, one of Britain's wittiest, bestselling and best-loved poets.

In poems that are sometimes laugh-out-loud funny and sometimes very moving, Wendy Cope offers reflections on love and life: from the joy of falling – and being – in love to the pain of breaking up, from memories of people loved and lost to the small moments that make life worth living. This is a book you will want to savour and share with all your friends.
