Rediscovering Institutions The Organizational Basis Of Politics:

Rediscovering Institutions James G. March, Johan P. Olsen, 2010-06-15 The authors propose a new theory of political behavior that reinvigorates the role of institutions from laws and bureaucracy to rituals and symbols as essential to understanding the modern political and economic systems that guide contemporary life

Political Culture, Change, and Security Policy in Nigeria Kalu Kalu, 2018-03-15 Demonstrating how political culture facilitates or distorts political preferences and political outcomes this book explores how the historical development of social conditions and the current social structures shape understandings and constrain individual and collective actions within the Nigerian political system Political Culture Change and Security Policy examines the extent to which specific norms and socialization processes within the political and civic culture abet corruption or the proclivity to engage in corrupt practices and how they help reinforce political attitudes and civic norms that have the potential to undermine the effectiveness of government It also delineates specific doctrinal models and strategic framework essential to the development and implementation of Nigeria's national security policy as well as innovative approaches to national development planning Professor Kalu N Kalu offers an exhaustive study that integrates several quantitative models in addressing a series of theoretical and empirical questions that inform historical and contemporary issues of the Nigerian project The general premise is that it is not enough to simply highlight the problems of the state and address the what question we must also address the why and how questions that drive political change policy preferences and competing political outcomes

The Politics of Problem-Solving in Postwar

Democracies Hans Keman, 2016-07-27 The Politics of Problem solving in Postwar Democracies focuses explicitly on the way in which and the extent to which public policy formation in multi party systems can be both effective and legitimate effective in finding solutions for societal problems which are beyond the citizens capacity and legitimate in formulating policies that are acceptable to most involved Cross national variations in the way political institutions work and can be conducive to political consensus and cooperative behaviour are so it is argued and evidenced throughout the book the key factors for successful policy making and related problem solving
