Rediscovery Three Hundred Years Of Stories By And About Women:

Rediscovering Scripture's Vision for Women Lucy Peppiatt,2019-08-06 Does God call women to serve as equal partners in marriage and as leaders in the church With careful exegetical work Lucy Peppiatt considers relevant passages in Ephesians Colossians 1 Peter 1 Timothy and 1 Corinthians There she finds a story of God releasing women alongside men into all forms of ministry leadership work and service on the basis of character and gifting rather than biological sex

The Rediscovered Writings of Rose Wilder Lane, Literary Journalist Amy Mattson Lauters,2007-03-09 Through numerous short stories novels such as Free Land and political writings such as Credo Rose Wilder Lane forged a literary career that would be eclipsed by the shadow of her mother Laura Ingalls Wilder whose Little House books Lane edited Lane s fifty year career in journalism has remained largely unexplored This book recovers journalistic work by an American icon for whom scholarly recognition is long overdue Amy Mattson Lauters introduces readers to Lane s life through examples of her journalism and argues that her work and career help establish her not only as an author and political rhetorician but also as a literary journalist Lauters has assembled a collection of rarely seen nonfiction articles that illustrate Lane s talent as a writer of literary nonfiction provide on the spot views of key moments in American cultural history and offer sharp commentary on historical events Through this collection of Lane s journalism dating from early work for Sunset magazine in 1918 to her final piece for Woman s Day set in 1965 Saigon Lauters shows how Lane infused her writing with her particular ideology of

Americanism and individualism self reliance and freedom from government interference thereby offering stark commentary on her times Lane shares her experiences as an extra in a Douglas Fairbanks movie and interviews D W Griffith She reports on average American women struggling to raise a family in wartime and hikes over the Albanian mountains between the world wars Her own maturing conservative political views provide a lens through which readers can view debates over the draft war and women s citizenship during World War II and her capstone piece brings us again into a culture torn by war this time in Southeast Asia These writings have not been available to the reading public since they first appeared They encapsulate important moments for Lane and her times revealing the woman behind the text the development of her signature literary style and her progression as a writer Lauters s introduction reveals the flow of Lane s life and career offering key insights into women s history the literary journalism genre and American culture in the first half of the twentieth century Through these works readers will discover a writer whose cultural identity was quintessentially American middle class midwestern and simplistic and who assumed the mantle of custodian to Americanism through women s arts The Rediscovered Writings of Rose Wilder Lane traces the extraordinary relationship between one woman and American society over fifty pivotal years and offers readers a treasury of writings to enjoy and discuss **Taking Reality by Surprise** Susan Sellers,1991 Over fifty editors literary agents and writing tutors as well as novelists journalists and poets offer a complete guide to writing and getting published for accomplished and aspiring writers alike **A Fabulous Kingdom** Charles Officer,Jake Page,2012-05-30 The second edition of A Fabulous Kingdom will explain the history of the arctic and describe the current scientific and environmental issues that threaten this fascinating region **Women, War, Domesticity** Nicole Huang,2005-03-01 In December 1941 the fifth year in an all scale cataclysmic Sino Japanese war that devoured much of Eastern China the city of Shanghai entered into an era of full occupation This was the moment when a group of young women authors began writing and soon took over the cultural scene of the besieged metropolis Women War Domesticity reconstructs cultures of reading writing and publishing in the city of Shanghai during the three years and eight months of Japanese occupation It specifically depicts the formation of a new cultural arena initiated by a group of women who not only wrote edited and published but also took part in defining and transforming the structure of modern knowledge discussing it in various public forums surrounding the print media and consequently promoting themselves as authoritative cultural commentators of the era **Science Fiction** David Seed,2011-06-23 Science Fiction has proved notoriously difficult to define It has been explained as a combination of romance science and prophecy as a genre based on an imagined alternative to the reader s environment and as a form of fantastic fiction and historical literature It has also been argued that science fiction narratives are the most engaged socially relevant and responsive to the modern technological environment This Very Short Introduction doesn t offer a history of science fiction but instead ties examples of science fiction to different historical moments in order to demonstrate how science fiction has evolved over time David Seed looks not only at literature but also at

drama and poetry as well as film Examining recurrent themes in science fiction he looks at voyages into space the concept of the alien and alternative social identities the role of technology in science fiction and its relation to time in the past present and future ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable Must Read: Rediscovering American Bestsellers Sarah Churchwell, Thomas Ruys Smith, 2012-08-02 A unique survey and interpretive history spanning 200 years of the American bestseller **Rediscovering U.S. Newsfilm** Mark Garrett Cooper, Sara Beth Levavy, Ross Melnick, Mark Williams, 2018-06-14 The twentieth century generated tens of thousands of hours of American newsfilm but not the scholarly apparatus necessary to analyze and contextualize them Assembling new approaches to the study of U S newsfilm in cinema and television this book makes a long overdue critical intervention in the field of film and media studies by addressing the format s inherent intermediality its mediation of events for local national and transnational communities its distinctive archival legacies and consequently its integral place in film and television studies more broadly This collection brings fresh contemporary methodologies and analysis to bear on a vast amount of material that has languished in relative obscurity for far too long **The Garden of Eden: Stories from the first nine books of the Old Testament** George Hodges, 2019-12-16 In The Garden of Eden Stories from the First Nine Books of the Old Testament George Hodges presents a masterfully curated retelling of key biblical narratives that form the bedrock of Judeo Christian tradition Employing a lyrical yet accessible prose style Hodges invites readers into the rich metaphorical landscapes of creation paradise and early humanity Through these stories he explores profound themes such as sin redemption and the complexity of divine human relationships all while situating these narratives within the wider literary context of their time a time when oral traditions and early written texts began to intertwine George Hodges an esteemed theologian and scholar drew upon his extensive knowledge of biblical literature and history to craft this work His deep engagement with scriptural texts combined with a pedagogical approach to teaching religious studies allowed him to distill complex ideas into compelling stories that resonate with contemporary audiences Hodges background not only reflects his scholarly credentials but also highlights his passion for making sacred texts accessible and meaningful This book is an invaluable resource for both seasoned theologians and those new to the Old Testament It is recommended for readers seeking to deepen their understanding of these foundational texts while appreciating the beauty and depth of their narratives Hodges work breathes new life into traditional stories making them relevant and engaging for modern readers In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read *The History and Life Stories of European Women in the Arts* Milena

Gammaitoni,2022-03-30 Offering historical identity fortified by the presence of women belonging to the various areas of creative and intellectual life this book allows readers to understand greater contexts of their identity The history of female artists is an indicator of how social identity was erased from the historiography which asserted itself in nineteenth century Europe Analysis of the biographical pathways traced here reveals how women in the Middle Ages and beyond have been active protagonists of the arts received reviews as well as had an authoritative role as the esteemed and attentive witnesses of the society around them Reconstruction of social relationships intellectual and creative production as well as of the life stories of some of Europe s most important female artists foregrounds this omission and highlights their extraordinary nature The different stories contained in this book narrate the lives and works of Hildegard von Bingen Francesca Caccini Mary Wollstonecraft George Sand Lou Andreas Salom and Elke Mascha Blankenburg By reinforcing the awareness of social and historical origins the informed reader is better equipped to tackle their futures and build up their personalities

Rediscovering the Divine Consiglio, Cyprian,2023-06-01 Consiglio challenges conceptions of God inviting us experience God in a new way Rediscovering Victorian Women Sensation Writers Anne-Marie Beller,Tara MacDonald,2015-09-07 Scholarly understanding of the Victorian literary field has changed dramatically in the past thirty years due in large part to the extensive recovery of sensation fiction and a corresponding recognition of that genre s importance in the literary debates trends and wider cultural practices of the period Yet until very recently work on sensationalism has focused on a narrow range of authors and works with Wilkie Collins Mary Elizabeth Braddon and Ellen Wood retaining the preponderance of critical attention This collection examines the fiction of ten women sensation writers who were immensely popular in the Victorian period but remain critically neglected today writers such as Annie Edwardes M C Houstoun Annie French Dora Russell and others The Victorian sensation novel was categorically associated with women by Victorian reviewers and this collection extends our current understanding of this sub genre by showing that female sensation writers were often sophisticated in their textual strategies employing a range of metafictional techniques and narrative innovations By moving beyond the novelists who have come to represent the genre this book presents a fuller more nuanced understanding of the spectrum of writing that constructed the concept of sensationalism for Victorian readers and critics The book was originally published as a special issue of *Women s Writing* **Rediscovering the Golden State** William A. Selby,2018-09-19 Now in its fourth edition *Rediscovering the Golden State* California Geography examines this unique state s incredibly diverse landscapes and how geography and geographic change influences everything from the state s natural systems and cycles to its agriculture and more advanced industries to human migration cultures and urban planning Exploring California through a geographic lens reveals how the field has evolved to cross traditional boundaries connect local and global issues and provide the insights that lead to practical solutions to problems new and old Challenging the reader to look beyond stereotypes and assumptions this book encourages active participation in planning the state s dynamic future And this project makes teaching

and learning about the geography of California more convenient exciting and rewarding for instructors and students Going beyond a scientific analysis of natural features and environmental processes this book illustrates how social political and economic divides can be bridged through the study of geography and the connections it brings to light From geology weather and climate biogeography and hydrology we cover the state s physical geography And from demography and migration to cultures and economies to rural and urban geography we monitor the state s human geography pulse and then make the vital connections California continues to lead the nation in population economics 5th largest in the world agriculture natural and cultural diversity and a host of other categories This powerful state has earned this powerful publication This timely and versatile book will prove useful to Californians in business education government and to concerned citizens and curious readers seeking to learn more about the Golden State

The Cambridge History of Science Fiction Gerry Canavan, Eric Carl Link, 2019-01-03 The first science fiction course in the American academy was held in the early 1950s In the sixty years since science fiction has become a recognized and established literary genre with a significant and growing body of scholarship The Cambridge History of Science Fiction is a landmark volume as the first authoritative history of the genre Over forty contributors with diverse and complementary specialties present a history of science fiction across national and genre boundaries and trace its intellectual and creative roots in the philosophical and fantastic narratives of the ancient past Science fiction as a literary genre is the central focus of the volume but fundamental to its story is its non literary cultural manifestations and influence Coverage thus includes transmedia manifestations as an integral part of the genre s history including not only short stories and novels but also film art architecture music comics and interactive media
