## **Reengineering For Patientfocused Care:**

Reengineering Nursing and Health Care Suzanne Smith Blancett, Dominick L. Flarey, 1995 Reengineering Nursing and Health Care adopts the basic principles of Hammer and Champy's bestselling book Reengineering the Corporation as the framework for how reengineering may be implemented in health care settings The book advances the existing trend away from the compartmentalization of services by department toward full integration to create a seamless organization of health care services While the primary focus is on nursing the new imperatives organizational integration and collaboration are emphasized throughout making this book appropriate for all health care managers executives and educators *The Nurse's Guide to Managed Care* Susan Odegaard Turner, 1999 An essential reference for nursing students in developing and implementing the competencies necessary in caring for critically ill patients Synergy for Clinical Excellence The AACN Synergy Model for Patient Care enhances the understanding of The Synergy Model in practice Based on a decade of work by the American Association of Critical Care Nurses the text encompasses the history and development of the nurse and patient characteristic inherent in The Synergy Model and then thoroughly addresses each characteristic individually and applies the model in practice Includes sample test questions relevant to the model that will assist nursing students in preparing for certification through AACN and provide further examples of the integration of the Synergy Model in practice
