Refiguring The Hero From Peasant To Novel In Lope De Vega And Calderon:

Refiguring the Hero Dian Fox, 2010-11-01 **Novels and Plays of Eduardo Manet** Phyllis Zatlin, 2010-11-01

Poetics of Empire in the Indies James Nicolopoulos, 2010-11-01 Don Juan and the Point of Honor James

Mandrell, 2010-11-01 In *Don Juan and the Point of Honor* James Mandrell undertakes a systematic examination of the many questions surrounding the legendary character. What emerges is a view of Don Juan as a positive social force in patriarchal society and culture. Mandrell shows that Don Juan should not be treated as an innocent or outmoded cultural artifact.

Ideologies of History in the Spanish Golden Age Anthony J. Cascardi, 2010-11-01 *Fernando de Rojas and the Renaissance Vision* Ricardo Castells, 2010-11-01 Allegories of Kingship Stephen Rupp, 1995-09-15 This study examines issues in politics and political theory in selected works of Pedro Calderón de la Barca, 1600-1681, the major dramatist of the middle and later decades of the seventeenth century in Spain. By analyzing secular dramas, comedias, and religious plays, autos sacramentales, Stephen Rupp demonstrates Calderón's awareness of the ideas and institutions of power in Hapsburg Spain and explores the terms of his intervention in the long debate over the principles of Christian statecraft. Through references to Rivadeneira, Saavedra Fajardo, and Quevedo, Rupp describes the anti-Machiavellian theory of kingship that informs Calderón's political theater. Rupp's argument proceeds from abstract principles of political theory to particular institutions and events at the Hapsburg court. Discussion of two comedias, *La vida es sueño* and *La cisma de Inglaterra*, and five autos, *La vida es sueño*, *A Dios por razón de Estado*, *El maestrazgo del Toisón*, *El nuevo palacio del Retiro*, and *El lirio y la azucena*, demonstrates Calderón's assimilation of true reason of state to providence, his attitudes concerning the conciliar system, and the regime of the royal favorite or valido, and his allegorical treatment of significant state occasions. **Maria de Zayas Tells Baroque Tales of Love and the Cruelty of Men** Margaret Greer, 2011-11-30 *María de Zayas y Sotomayor*, 1590-1650, published two collections of novellas, *Novelas amorosas y ejemplares* (1637) and *Desengaños amorosos* (1647), which were immensely popular in her day. During the nineteenth and early twentieth centuries, Victorian and bourgeois sensibilities exiled her scandalous works to the outer fringes of serious literature. Over the last two decades, however, she has gained an enthusiastic and ever-expanding readership, drawing intense critical attention and achieving canonical status as a major figure of the Spanish Golden Age. In this first comprehensive study of Zayas's prose, Margaret R. Greer explores the relationship between narration and desire, analyzing both the desire for readers displayed by Zayas in her Prologue and the sexual desire that drives the telling within the novellas themselves. Greer examines Zayas's narrative strategies through the twin lenses of feminist and psychoanalytic theory. She devotes close attention to the weight of Renaissance literary traditions and the role of Zayas's own cultural context in shaping her work. She discusses Zayas's biography and the reception of her publications, her advocacy of women's rights, her conflictive loyalty to an aristocratic patriarchal order, her crafting of feminine tales of desire, and her erasure of the frontiers between the natural and supernatural, indeed between love and death.

itself In so doing Greer offers an expansive analysis of this recently rediscovered Golden Age writer **Yearbook of Comparative and General Literature** ,1990 Pilgrimage to Patronage Elizabeth R. Wright,2001 Recent studies have shed new light on how Philip III and his favorite the duke of Lerma fused art and politics as they ruled making this an opportune time to ask these questions

Discover tales of courage and bravery in Explore Bravery with is empowering ebook, **Refiguring The Hero From Peasant To Novel In Lope De Vega And Calderon** .
