Reflecting Children's Lives:

Reflecting Children's Lives Deb Curtis, Margie Carter, 2011-03-22 Consider new possibilities in documentation observing and activities when planning child centered curriculum with this updated handbook *Reflecting Children's Lives* Deb Curtis, Debbie Curtis, Margie Carter, 1996 Learn how to make theme plans establish times for observation and play set up schedules materials space and more *Handbook of Child Development and Early Education* Oscar A. Barbarin, Barbara Hanna Wasik, 2011-06-23 How and what should young children be taught What emphasis should be given to emotional learning How do we involve families Addressing these and other critical questions this authoritative volume brings together developmentalists and early educators to discuss what an integrated developmentally appropriate curriculum might look like across the preschool and early elementary years State of the science work is presented on brain development and the emergence of cognitive socioemotional language and literacy skills in 3 to 8 year olds Drawing on experience in real world classrooms contributors describe novel practical approaches to promoting school readiness tailoring instruction to children's learning needs and improving the teaching of language arts math and science Focused Observations Gaye Gronlund, Marlyn James, 2013-04-09 Observe and document children's development in systematic purposeful ways that provide complete pictures of their progress and supports curriculum planning Gardening with Young Children Sara Starbuck, Marla Olthof, Karen Midden, 2014-05-13 This updated how to resource guides teachers with or without green thumbs through the rich learning opportunities found in gardening with children **Learning Together with Young Children** Deb Curtis, Margie Carter, 2007-11-01 Many curriculum books treat teaching as something teachers do to or for children Deb Curtis and Margie Carter best selling authors in the early learning field believe teaching is a collaborative process in which teachers reexamine their own philosophies and practices while facilitating children's learning Each chapter in this curriculum framework includes a conceptual overview followed by classroom stories and photographs to illustrate the concepts The book helps teachers create materials and a classroom culture reflective of their values Teach through observation reflection inquiry and action and encourage children to represent their learning in multiple ways including songs stories and drama *Children of Migrants in China* Kam Wing Chan, Yuan Ren, 2020-11-25 Children are precious in China especially as its population ages rapidly The unprecedented fast urbanization and massive internal migration have profoundly changed almost every aspect of society They have impacted the livelihood of children of migrants most Because of the hukou system and related policies China's internal migrants face major obstacles to assimilate into cities But more than that as this book shows these policies have also torn families apart on a scale unseen heretofore More than 100 million children grow up in unstable families and the great majority have suffered from prolonged separation from their parents in the migratory upheaval This book provides an updated analysis of this mega and painful process unfolding at various geographical scales The chapters revolve around the central notion of family togetherness or the lack thereof The book measures dissects and

analyses the impacts of migration on children and recommends policies to address major problems from a variety of disciplinary perspectives employing different methodologies The problems faced by the children of migrants remain enormous and it is a looming huge crisis in the making If unaddressed those problems can damage a whole generation with serious consequences The chapters in this book were first published in *Eurasian Geography and Economics* *Social Studies for Young Children* Gayle Mindes, 2013-11-01 Social studies is at the heart of content in education and takes on society's best hopes for helping children become good citizens and winners in the global economy In its comprehensive scope *Social Studies for Young Children* Preschool and Primary Curriculum Anchor fulfills the promise of social studies as an integrator of the knowledge and experiences of young children Filled with strategies activities and resources this book helps teachers develop a holistic culturally relevant approach to social studies and social learning It surveys the relevant state and national standards and offers essential guidance on how to integrate them into the curriculum while at the same time looking beyond the tests to foster young social scientists development into critical thinkers and lifelong learners Special features include Children's literature to foster social studies understanding Digital media for teaching and learning Emphasis on cross disciplinary synthesis

The Visionary Director, Third Edition Margie Carter, Luz Maria Casio, Deb Curtis, 2021-01-12 Create a larger vision in your child care program and perform your job as a center director with motivation and creativity Early childhood leaders Deb Curtis Margie Carter and Luz Casio provide inspiration and support in this newly updated edition of *The Visionary Director* The third edition reflects new requirements and initiatives in early childhood programs adds QR Code access links with short video stories and print resources that further illuminate the ideas under consideration has a stronger focus on creating an organizational culture that is shaped by more diverse perspectives with an anti racist anti bias equity lens updates content to address current early childhood education trends and leadership for an expanded definition of quality Find a concrete framework for approaching and organizing your work as well as principles strategies and self directed activities to support your vision for building a strong learning community for your staff and the young children in their care

Creating Equitable Literacy Learning Environments Helen Adam, 2025-11-24 This groundbreaking book introduces the Model for Equitable Literacy Learning Environments MELLE a comprehensive framework that integrates evidence based instruction with culturally responsive pedagogy to create truly equitable learning environments for all children Despite decades of reading instruction reform persistent achievement disparities remain between students from marginalised communities and their more privileged peers Drawing on extensive international research across Australia the United Kingdom and the United States the author examines how three key dimensions quality instruction opportunity to read and authentic representation in reading materials must work together within supportive cultural and community contexts Interwoven with real classroom examples the text showcases how this framework can be applied to address persistent achievement gaps and promote inclusive education Moving beyond polarised literacy debates this book is a must read for

educators seeking practical solutions to create equitable learning environments that empower learners from a range of backgrounds
