

Take a Walk in My Shoes: reflections to myself

This research project explored experiences of how it feels to 'be' in the Museum and how the experiences of people affected by non-visible disabilities can be used to inform and support health and wellbeing in the Museum. We've created this postcard blog series as a way of sharing our experiences with you - in each series we reflect on different aspects of being in the museum, and share our thoughts as postcards to a friend.

Emily, Georgie, Jo, Alex, and Dale

The research project was facilitated by Dr Emily Bradfield (Practitioner Researcher).

This series includes our reflections to ourselves on participating in the research project.
