Reflections James Curtis,2016-05-23 Within the pages of this publication are found heart enlarging and faith empowering words by which men live and grow and achieve a fuller richer relationship and understanding with God their fellow men and themselves The words featured in the titles of these poems are not new words Rather they are time hallowed words which have been wrought on the anvil of experience fashioned according to the aspiration and need of daily living and tested by the challenges and exigencies of our common venture through time to eternity **Reflections** Hylda Morley,2013

Reflections A Dale Franklin, Frank Aurednik,2005-01-27 Take a deep breath close your eyes and imagine you re on a quiet beach with your favorite book of poetry You have your cooler which contains your favorite beverage and an assortment of snacks You re all alone There s peace and calm You meld into your poetry There s nothing no one You re in another world Reflections is such a book A book that takes you into another dimension and slowly brings you back to reality It s a slow ride on a wave of poetic euphony If you re a lover of poetry like I am I m sure you ll enjoy the perusal of this book just as much as I enjoyed writing it When you have finished reading the book don t fret there s more to come A Dale Franklin

Reflections John WorldPeace, 2018-07 Reflections Selected Poems 1982 to 1987 by Dr John WorldPeace JD I am publishing 2400 poems from 1970 through 2017 I have published some other books of selections of these poems I expect to have them all published by the end of September Search for all my books under Dr John WorldPeace JD Dr John WorldPeace JD NOTES I was born in 1948 in Houston Texas In October 1970 I wrote my first poem of the poems that I am publishing Over the next 48 years I wrote about 2400 poems Most of the poems could be looked at as a short biography of my life one page snap shots of what I was thinking or experiencing in the moment I have at times published a selection of the poems In June 2018 I began to self publish the selections of poems and all the poems I have ever written to date about 2400 in chronological order using Amazon's CreateSpace There will be about 30 books in total I jumped around and did not publish the various books in chronological order I expect to finish this project in August 2018 I will continue to write poems and in fact will probably increase the volume of poems over the coming years I also intend to pick a theme like Santa Fe New Mexico and write a book about my impressions there The number of possible subjects is infinite I have also published a book of Haiku which are 3 line poems with 5 7 5 syllables per line I would expect to publish a book of these poems annually and also some theme books of Haiku My genetics and my current state of health make me confident barring some accident that I will live past 100 I do not force

my poems I don't write unless I feel inspired I have no desire to set a world record for number of poems written in a lifetime The poems are written in a couple of minutes 2-10 then put away in a binder by year I have lost less than a dozen poems over the years Usually within 5-10 minutes after writing the poem I have no real memory of what I wrote However if I reread it I will have a familiarity with what I wrote The changes I make when publishing are very few Maybe 1 word in every 10 poems

Reflections Harold C. Dickinson, 1941 **Reflections** Ute Carson, 2018-03 What a remarkable sweeping collection from writer Ute Carson This inspired arrangement of poetry conveys the richness and poignancy of every life stage Drawing from remarkable experience and striking particulars she ultimately conveys the light of gratitude the clearing you spy beyond a forest thicket The poems are love songs to family and life itself cyclical loss answered always by powerful renewal Judith Austin Mills author of *Accidental Joy* a *Streak of Poetry* and the *Texas Revolution Trilogy* Ute Carson's poems are gifts she lifts out one by one and gingerly holds them up to the silver light of sunset These poems are infused with the joys of grandparenting and the consolations that nature and memory offer while clear-eyed in their contemplation of aging and death Standing in the tension between cherishing and letting go her voice rings true in these poems as she says I know this is the life I would want no other Carol Denson poet
