**Renewing Catholic Schools** Most Reverend Samuel J. Aquila,2020-11-13 Catholic education remains one of the most compelling expressions of the Church's mission to form disciples Despite decades of decline in the number of schools and students many Catholic schools have been experiencing renewal by returning to the great legacy of the Catholic tradition *Renewing Catholic Schools* offers an overview of the reasons behind this renewal and practical suggestions for administrators clergy teachers and parents on how to begin the process of reinvigoration The book begins by situating Catholic education within the Church's mission Fidelity to Catholic mission and identity including a commitment to the fullness of truth provides the fundamental mark for the true success of Catholic education The Catholic intellectual tradition in particular established by figures such as Augustine Boethius and Aquinas can continue to direct Catholic schools providing a depth of vision to overcome today's educational crisis To transcend the now dominate secular model of education Catholic schools can align their curriculum more closely to the Catholic tradition One touchpoint comes from Archbishop Michael Miller's *The Holy See's Teaching on Catholic Schools* which the book explores as a source for practical guidance It also offers a Catholic vision for curriculum examining the full range of subjects from gymnasium the fine arts the liberal arts literature history and catechesis all of which lead to a well formed graduate inspired by beauty attune to truth and ordered toward the good Finally the book provides a practical vision for renewing the school through the formation of teachers creation of a school community and by offering suggestions for implementation of a stronger Catholic mission and philosophy of education The teacher ultimately should strive to teach like Jesus while the community should joyfully embody the school's mission making it a lived reality The book concludes with examples of Catholic schools that have successfully undergone renewal
