

THE NEW ASYLUM DILEMMA: REFUGEE, WAR CRIMINAL OR TERRORIST?

After 9/11 and following terrorist attacks a new problem has presented itself with great force: How can Western states – like Norway – guarantee fair procedures and humane treatment of all asylum seekers and simultaneously prevent human rights violators or terrorists from wrongfully being granted refugee status?

The fight against international terrorism has had an impact on the rights of aliens and the protection of refugees. This is illustrated by the UN High Commissioner for Refugees' (UNHCR) active involvement in discussions at different levels with states that are legally bound by the 1951 UN Convention relating to the Status of Refugees ("the 1951 Refugee Convention"). The increase of democratic regimes and the establishment of international criminal courts have also prompted a stronger public demand for prosecution of gross human rights violations and violations of humanitarian law. One may talk of a "snowball effect" on refugee law and practice: When some recipient countries increase their focus on potential war criminals or terrorists among asylum seekers, other recipient countries have to follow suit lest they be considered "safe havens" where criminals may seek refuge without fear of prosecution.

Refugees And The Asylum Dilemma

Gil Loescher

Refugees And The Asylum Dilemma:

Refugees and the Asylum Dilemma in the West Gil Loescher, 1992 This study presents an examination of the historical background and contemporary significance of the asylum and refugee issue confronting Western governments that draws lessons for future policy making This is the first study of the asylum refugee problems to examine not only the history of policies of receiving nations in the West but also some of the underlying causes of refugee movements Past studies of the asylum problem have focused narrowly on the conditions in receiving countries and have failed to see the global interconnectedness of the refugee problem The authors argue that resolving the asylum problem in the West requires policy makers to direct their attention toward the conditions outside the industrialized countries that cause mass movements of populations as well as toward the improvement of their own asylum procedures The present increase in the number of asylum seekers and refugees is neither a temporary phenomenon nor a random product of chance events It is the predictable consequence of fundamental political demographic economic and ecological crises occurring throughout the Third World and Eastern Europe However Western governments did not until relatively recently envisage a large scale movement of the poor countries northward to Western Europe and North America Actual migratory pressures from the South and perceived threats of exodus from the East have only served to reinforce a restrictive attitude toward asylum The refugee problem has reached such a critical point that the very institution of asylum is being threatened These articles address the underlying causes of the current crisis assess present policies and define the considerations necessary for future policy making **Asylum W.** Gunther Plaut, 1995-05-23 Fueled by the explosion of the world's population the quest for asylum is one of the most pressing problems of our age Refugee receiving nations located frequently but by no means exclusively in the Western world have to respond to masses of humanity searching for new livable homes Human compassion for these refugees can be found everywhere but so can xenophobia and the desire to preserve one's nation economic well being and cultural integrity The clash between these impulses represents one of the great dilemmas of our time and is the subject of Plaut's study In exploring it he provides a far ranging inquiry into the human condition The book presents political ethnic philosophical religious and sociological arguments and deals with some of the most troublesome and heartbreaking conflicts in the news

Rethinking Refugee Law Niraj Nathwani, 2003-01-01 Refugee law faces a serious crisis in Europe This crisis highlights the need to explain the following questions What is the relationship between refugee law and immigration policy How much immigration do States need to tolerate for moral and practical reasons even if they do not wish any immigration The general legal principle of necessity offers a useful theoretical basis for refugee law Necessity explains the conditions under which it would be unfair to fight off unwanted immigrants by deportation and punishment Necessity also explains the conditions under which a restrictive immigration policy is not feasible at a reasonable cost versus desperate individuals It follows that necessity overrules a restrictive immigration policy and qualifies as a robust explanation of the purpose of a fair refugee

policy This study explores the consequences of the theory of necessity for the interpretation of key concepts of refugee law persecution well founded fear reasons of persecution asylum and concludes that a generous refugee practice can be conceived and logically justified even if a restrictive immigration policy is a political reality **Arguing and Justifying** Robert F. Barsky, 2017-07-05 Addressing the crucial issue of why people choose to make Convention refugee claims this original book also explores the perceptions claimants have of possible host countries and investigates the view that refugees move on the basis of generally extreme levels of persecution *Developing a Normative Framework for the Protection of Internally Displaced Persons* Simon Bagshaw, 2021-10-01 The author presents a systematic review of the role of treaties in international law and seeks to demonstrate that their importance is today somewhat overstated given the extent to which States and other organizations tend to resort to more flexible means of standard setting in order to promote respect for human rights As this text demonstrates the collaboration of various governmental intergovernmental and non governmental representatives can result in an instrument which may be broader in scope and more progressive in content If reinforced by suitable implementation measures it can be even more effective than a treaty in regulating States activities Published under the Transnational Publishers imprint **The Vietnamese American 1.5 Generation** Sucheng Chan, 2006 Riveting stories by refugees who fled Vietnam *Human Rights in the New Europe* David P. Forsythe, 1994-01-01 I The global setting Ethical Dilemmas of Migration Jean-Claude Garcia-Zamor, 2018-03-15 This book discusses the ethical dilemmas of migration in the era of globalization Centered on the recent influx of large numbers of migrants and refugees to the United States and Europe and viewed through the lens of the 2016 World Humanitarian Summit and the United Nations Summit on Refugees and Migrants this book focuses on the problems posed by globalized migration and analyzes proposed responses Using prominent ethical theories and moral principles such as Utilitarianism duty justice and integrity the book proposes a framework for analyzing decision making by migrants and policymakers and formulating equitable policies to address the migration crisis Drawing attention to the ethical dilemmas that migrants and policymakers experience this book fills a gap in the literature and enriches it adding to the economic political and human rights issues that are traditionally part of the migration discussion Appropriate for students and scholars of ethics policy and political science this book is also meant to be of use to practitioners and decision makers faced with similar decisions The Ashgate Research Companion to Migration Law, Theory and Policy Satvinder S. Juss, 2016-03-23 The Ashgate Research Companion to Migration Law Theory and Policy complements the already successful Ashgate series Law Migration established in 2006 which now has a number of well regarded monographs to its credit The purpose of this Companion is to augment that Series by taking stock of the current state of literature on migration law theory and policy and to sketch out the contours of its future long term development in what is now a vastly expanded research agenda The Companion provides readers with a definitive and dependable state of art review of current research in each of the chosen areas that is all embracing and all inclusive of its subject matter The

chapters focus on the regional and the sub regional as well as the national and the global In so doing they aim to give a snapshot that is contextual coherent and comprehensive The contributors are both world renowned scholars and newer voices and include scholars practitioners former judges and researchers and policy makers who are currently working for international organisations **Desperate Crossings** Norman L. Zucker, Naomi Flint Zucker, 2016-09-16 This work provides an examination of US refugee policy since the 1960s particularly as it has been applied to Cuba Haiti and Central America The authors also address world wide refugee problems proposing ideas for the 21st century

Eventually, you will agreed discover a further experience and capability by spending more cash. still when? complete you endure that you require to get those all needs like having significantly cash? Why dont you attempt to acquire something basic in the beginning? Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Refugees And The Asylum Dilemma full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Refugees And The Asylum Dilemma eBooks, including some popular titles.

FAQs About Refugees And The Asylum Dilemma Books

What is a Refugees And The Asylum Dilemma PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Refugees And The Asylum Dilemma PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Refugees And The Asylum Dilemma PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Refugees And The Asylum Dilemma PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Refugees And The Asylum Dilemma PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
