Regathering Power

Robert R. Ramirez

Regathering Power:

Regathering Power John Michael Talbot, 1988 Daniel John Walvoord, 2012-02-01 The book of Daniel is key to the entire Old Testament prophetic revelation Who better to help you understand Daniel s stories prophecies and dreams and give you a brighter hope for things to come than John F Walvoord one of evangelicalism s most prominent leaders and Charles Dyer a Bible professor and expert on Israel In this second work of a renewed series of commentaries Dr Walvoord addresses alleged historical inaccuracies and considers past and future fulfillments of specific prophecies At key points different views and approaches to interpretation are explored Walvoord devotes special attention to textual and doctrinal issues while avoiding technical language Refined updated with the English Standard Version ESV and streamlined this classic text is set to help you understand and interpret the book of Daniel and gain a better grasp of what the future may bring

Ontopower Brian Massumi, 2015-07-23 Color coded terror alerts invasion drone war rampant surveillance all manifestations of the type of new power Brian Massumi theorizes in Ontopower Through an in depth examination of the War on Terror and the culture of crisis Massumi identifies the emergence of preemption which he characterizes as the operative logic of our time Security threats regardless of the existence of credible intelligence are now felt into reality Whereas nations once waited for a clear and present danger to emerge before using force a threat s felt reality now demands launching a preemptive strike Power refocuses on what may emerge as that potential presents itself to feeling This affective logic of potential washes back from the war front to become the dominant mode of power on the home front as well This is ontopower the mode of power embodying the logic of preemption across the full spectrum of force from the hard military intervention to the soft surveillance With Ontopower Massumi provides an original theory of power that explains not only current practices of war but the culture of insecurity permeating our contemporary neoliberal condition **The Complete Layman's Guide**

To End Times Prophecy A Biblical Perspective Robert R. Ramirez, 2011-11 Have you looked around at the world and felt as though everything was falling apart America is struggling economically and no one has any answers Unemployment has been over 9% for over two years now It feels like the government is trying to take control of our lives There is speculation that Greece might collapse economically and if they do other European countries will follow suit The Middle East is in total chaos and very unstable with all these people rioting in the streets and wreaking havoc on their respective countries along with dictators falling and rising from power Iran is still telling everyone they are intent on annihilating Israel as they improve their nuclear capabilities As Christians our hope is in Jesus Christ we know that our God is sovereign so all the chaos in the world has no effect on how God brings the world to an end But the end is in sight and people are looking for something certain in this world There are so many questions Christians have regarding End Times Prophecy and do not understand simply because the church has not fulfilled its purpose in rightly dividing the Word of truth for the saints The Complete Layman s Guide to End Times Prophecy will bring together all the questions one might have regarding the end of the world

and the return of the Warrior King Jesus Christ to this earth to set up His millennial kingdom This book is clear concise and cogent in its message and attempts to address all End Times Prophecy questions Doctor Robert Ramirez B A Political Science College of Santa Fe B A Pastoral Studies Moody Bible Institute MDiv The Master s Seminary DMin Trinity Southwest University Pastor Alive In Christ Bible Church President and Founder New Mexico Bible Institute Bookstore **Gorbachev, Yeltsin, and Putin** Archie Brown,2013-01-25 This volume analyzes various aspects of the political leadership during the collapse of the Soviet Union and formation of a new Russia Comparing the rule of Mikhail Gorbachev Boris Yeltsin and Vladimir Putin the book reflects upon their goals governing style and sources of influence as well as factors that influenced their activities and complicated them too Contents Introduction Archie Brown Transformational Leaders Compared Mikhail Gorbachev and Boris Yeltsin Archie Brown Evaluating Gorbachev and Yeltsin as Leaders George W Breslauer From Yeltsin to Putin The Evolution of Presidential Power Lilia Shevtsova Political Leadership and the Center Periphery Struggle Putin s Administrative Reforms Eugene Huskey Conclusion Lilia Shevtsova **New Covenant** ,1988 *A Daybook of Prayer* Thomas Nelson,2023-08-22 Readers are challenged with the simple but profound question What would happen how would your life be different if you committed the next year to learning about prayer and devoting time to prayer every single day A Daybook on Prayer weaves together poignant meditations from classic and contemporary Christian writers with powerful Bible verses directed prayers and personal prayer starters to create a life changing resource for those who want to draw closer to the heart of God The daily selections are drawn from many of the greatest historical and modern teachers on the subject of prayer including Augustine Thomas Kempis Martin Luther Brother Andrew John Wesley A W Tozer Andrew Murray Oswald Chambers Billy Graham Charles Swindoll Max Lucado and many others Two statesmen of mediaeval Islam Herbert Mason,2019-03-18 No detailed description available for Two statesmen of mediaeval Islam **Eschatology and Ecology** Paul Hang-Sik Cho,2011-05-01 This book raises the question of why Korean people and Korean Protestant Christians in particular pay so little attention in theory or practice to ecological issues The author argues that there is an important connection or elective affinity between this lack of attention and the otherworldly eschatology that is so dominant within Korean Protestant Christianity Dispensational premillennialism originally imported by American missionaries resonated with traditional religious beliefs in Korea and soon came to dominate much of Korean Protestantism This book argues that this of all forms of millennialism is the most damaging to ecological concerns It also suggests how Korean churches may effectively respond to the ecological challenge **The Divine Powers of the East** Charles Anyasi,2003-11
