Dawn of Discovery Dudley Moore, 2013-10-30 This book focuses on three important British travellers to Crete during the 18th and 19th centuries to establish whether or not they made any significant contribution to the field of research with regard to the archaeological heritage of Bronze Age Crete It is an attempt to bring these lost pioneers of antiquity to the fore and to recognize their efforts as part of the foundation of the discovery of the island s Bronze Age archaeology prior to the ground breaking excavations of Sir Arthur Evans The three travellers examined here are Richard Pococke 1704 65 Robert Pashley 1805 59 and Thomas Spratt 1811 88 Having dealt with the terms that these travellers used in describing ancient remains the book looks briefly at the background to Bronze Age Crete itself Thereafter the development from antiquarianism into archaeology is followed to establish the motives behind these travellers wanderings in Crete This also involves a discussion of other British travellers to Crete and problems they may have encountered with an island in the throes of Ottoman turbulence Using their published journals the author has followed the footsteps of Pococke Pashley and Spratt to see what they may have discovered and compared their written accounts with what is physically there today The results are most intriguing

The British National Bibliography Cumulated Subject Catalogue , 1968 **The British National Bibliography** Arthur James Wells, 1991 **London's Teeming Streets, 1830-1914** James Winter, 2013-06-17 The streets of Victorian London became increasingly congested with vehicles fast and furious drivers pedestrians costermongers prostitutes brass bands homeless children and other obstacles to safe and rapid motion Concerned citizens were alarmed by this unprecedented build up of traffic and pollution But how did this chaotic state come about and why was more not done to prevent it London s Teeming Streets brings an historical perspective to present day concerns about the effects of continued urban expansion and shows that many current problems date back to the Victorian era James Winter reveals that the issue of street reform was fraught with political intrigue Many reformers were liberals yet the question of attempting to limit or prohibit activity on the King s Highway which was by definition an open and democratic preserve brought the very purpose of liberal reform into sharp focus *Monographic Series* Library of Congress, 1978 **The Cambridge Illustrated History of Medicine** Roy Porter, 2001-07-30 An authoritative and accessible illustrated introduction to medical history **National Union Catalog** , 1978 **The British National Bibliography** , 1968 *Subject Catalog* Library of Congress, 1976

Discovering the History of Psychiatry Mark S. Micale, Roy Porter, 1994 This book brings together leading international authorities physicians historians social scientists and others who explore the many complex interpretive and ideological dimensions of historical writing about psychiatry The book includes chapters on the history of the asylum Freud anti psychiatry in the United States and abroad feminist interpretations of psychiatry s past and historical accounts of Nazism and psychotherapy as well as discussions of many individual historical figures and movements It represents the first attempt to study comprehensively the multiple mythologies that have grown up around the history of madness and the origin functions and validity of these myths in our psychological century

Lady of the House Charlotte Furness, 2018-06-30 Three accounts of remarkable women who oversaw their own households stamped their authority on the estates they managed and overcame misfortune This book tells the true stories of three gentle women who were born raised lived and died within the world of England s Country Houses This is not the story of seen and not heard women these are incredible women who endured tremendous tragedy and worked alongside their husbands to create a legacy that we are still benefitting from today Harriet Leveson Gower Countess Granville second born child of the infamous Georgiana Duchess of Devonshire married her aunt s lover raised his illegitimate children and reigned supreme as Ambassadors over the Parisian elite Lady Mary Isham lived at Lamport Hall in Northamptonshire with her family where despite great tragedy she was responsible for developing a house and estate while her husband remained the silent Baronet Elizabeth Manners Duchess of Rutland hailed from Castle Howard and used her upbringing to design and build a Castle and gardens at Belvoir suitable for a Duke and Duchess that inspired a generation of country house interiors These women were expected simply to produce children to be active members of society to give handsomely to charity and to look the part What these three remarkable women did instead is develop vast estates oversee architectural changes succeed in business take a keen role in politics as well as successfully managing all the expectations of an aristocratic lady The book looks at both the lives of the women and the buildings that they transformed *The Creative Historian*

Killing Hercules Richard Rowland, 2016-12-08 This book offers an entirely new reception history of the myth of Hercules and his wife killer Deianira The book poses and attempts to answer two important and related questions First why have artists across two millennia felt compelled to revisit this particular myth to express anxieties about violence at both a global and domestic level Secondly from the moment that Sophocles disrupted a myth about the definitive exemplar of masculinity and martial prowess and turned it into a story about domestic abuse through to a 2014 production of Handel s Hercules that was set in the context of the war on terror the reception history of this myth has been one of discontinuity and conflict how and why does each culture reinvent this narrative to address its own concerns and discontents and how does each generation speak to qualify or annihilate the certainties of its predecessors in order to understand contain or exonerate the aggression with which their governors of state and of the household so often enforce their authority and the violence to which their nations and their homes are perennially vulnerable

Exploring the Urban

Past Harold James Dyos, 1982-09-02 During the 1960s and 1970s the growth of interest in the urban past was one of the most prominent developments in historical studies in the United Kingdom In part this was due to the work of the late H J Dyos This book brings together some of Dyos's most important and influential essays written over nearly thirty years

Mental Health, Psychiatry and the Arts Victoria Tischler, 2018-10-08 Medicine and psychiatry both based on science require the art of caring using the principles of art in learning and teaching Sitting with a patient making sense of their distress being empathetic in understanding both the symptoms and the person and alleviating suffering needs a human touch For that doctors need the soul of an artist and must be aware of the value that arts have for society and the individual from the Foreword by Dinesh Bhugra This comprehensive book explores how visual art cinema music poetry literature and drama can inform the teaching and practice of psychiatrists and mental health professionals Edited and written by a team of expert practitioners teachers and researchers including both clinicians and users of mental health services this comprehensive book will provide valuable insights for undergraduate and postgraduate educators with teaching responsibilities in psychiatry and mental health Students of the medical humanities art music and drama therapists and educators in occupational therapy and psychology will also find this a valuable and insightful handbook The authors of this wonderful handbook provide a convincing argument that the arts are good for what ails us They have each used a preferred artistic medium to deepen personal reflection and to enhance their own creativity as physicians teachers and therapists Their models are clear their suggestions practical but none of the approaches you'll find here is reductive or simplistic Try some of the reflective exercises and teaching strategies You will be sure to rediscover something you have always cherished about the art of healing from the Foreword by Allan D Peterkin
