Rightsizing The State The Politics Of Moving Borders:

Right-sizing the State Brendan O'Leary, Ian S. Lustick, Thomas Callaghy, 2001-11-22 Strategic decisions to reduce the size scope or ambitions of organizations including states in order to enhance future prospects are among the most difficult and least well understood choices made in collective life This volume makes a bold effort to identify the conditions in which less really is more Each contributor to the volume analyzes the possibilities for institutional redesign including state contraction for responding effectively to destabilizing and often violence laden conflicts Among the countries discussed in detail are Turkey Pakistan Morocco Congo Jordan Indonesia Russia and the former Soviet Union Iraq and India An impressive array of experts assess strategies that go against the grain strategies to righsize and even downsize states by changing their external and internal borders Typically this means opposing prevailing prejudices against partition and seraratist solutions as well as paying high political costs in the short run for more manageable political problems in the long run Understanding the conditions under which such strategies can be entertained and successfully implemented is as difficult and as important as making this kind of option available to beleaguered states in a complex and rapidly changing world *Right-sizing the State* Brendan O'Leary, Ian S. Lustick, Thomas M. Callaghy, 2001

Right-sizing the State Brendan O'Leary, 2001 *The Politics of HBO's The Wire* Shirin Deylami, Jonathan Havercroft, 2014-12-17 This innovative new work suggests that The Wire reflects not simply a cultural take on contemporary America but a structural critique of the conditions of late modernity and global capitalism As such it is a visual text worth investigating and exploring for its nuanced examination of power difference and inequality Deylami Havercroft bring together nine essays addressing issues of interest to a range of academic fields in order to engage with this important cultural intervention that has transfixed audiences and sparked debate within the social scientific community While the TV show is primarily focused upon the urban politics of Baltimore the contributors to this volume read Baltimore as a global city That is they argue that the relations between race class power and violence that the series examines only make sense if we understand that inner city Baltimore is a node in a larger global network of violence and economic inequality The book is divided into three interrelated sections focusing on systemic and cultural violence the rise and decline of national and state formations and the dysfunctional and destructive forces of global capitalism Throughout the series the relation of the urban to the global is constantly being explored This innovative new volume explains clearly how The Wire portrays this interaction and what this representation can show social scientists interested in race neo liberal processes of globalization criminality gender violence and surveillance

A Treatise on Northern Ireland, Volume I Brendan O'Leary, 2019-04-11 This brilliantly innovative synthesis of narrative and analysis illuminates how British colonialism shaped the formation and political cultures of what became Northern Ireland and the Irish Free State A Treatise on Northern Ireland Volume I provides a somber and compelling comparative audit of the scale of recent conflict in Northern Ireland and explains its historical origins Contrasting colonial and sectarianized accounts of modern Irish history Brendan O Leary shows

that a judicious meld of these perspectives provides a properly political account of direct and indirect rule and of administrative and settler colonialism The British state incorporated Ulster and Ireland into a deeply unequal Union after four re conquests over two centuries had successively defeated the Ulster Gaels the Catholic Confederates the Jacobites and the United Irishmen and their respective European allies Founded as a union of Protestants in Great Britain and Ireland rather than of the British and the Irish nations the colonial and sectarian Union was infamously punctured in the catastrophe of the Great Famine The subsequent mobilization of Irish nationalists and Ulster unionists and two republican insurrections amid the cataclysm and aftermath of World War I brought the now partly democratized Union to an unexpected end aside from a shrunken rump of British authority baptized as Northern Ireland Home rule would be granted to those who had claimed not to want it after having been refused to those who had ardently sought it The failure of possible federal reconstructions of the Union and the fateful partition of the island are explained and systematically compared with other British colonial partitions Northern Ireland was invented in accordance with British interests to resolve the hereditary animosities between the descendants of Irish natives and British settlers in Ireland In the long run the invention proved unfit for purpose Indispensable for explaining contemporary institutions and mentalities this volume clears the path for the intelligent reader determined to understand contemporary Northern Ireland

Territorial Disputes in the Americas Jorge Emilio Núñez, 2025-08-20 Territorial disputes are intricate shaped by historical legal geopolitical social cultural and other factors This book uses a multidimensional approach to assess real case scenarios across the Americas individually and collectively The work evaluates a selected sample of these disputes tracing origins to colonial histories unclear border demarcations or uncharted lands and challenges enforcing legal boundaries It then explores critical thematic areas illustrated with compelling examples disputes entangled with non American agents like European nations colonialism neo colonial interference and pervasive colonial mindsets ongoing regional differences between neighboring states and the intricate sometimes conflicting roles of indigenous communities and implanted populations asserting self determination often diverging from states interests The work reveals sovereignty and disputes intertwine encompassing plural agents roles contexts realms and modes of existence beyond traditional views Cases like the Falkland Malvinas Islands Mexico US border Amazon region and Antarctica highlight how regional organizations and alliances could enhance peacebuilding strengthen American states against external powers and challenge traditional unidimensional scholarly approaches with a nuanced comprehensive perspective The book will appeal to researchers academics and policymakers in the areas of Public International Law Political Science and International Relations Legal Philosophy Political Philosophy and Jurisprudence

The Politics of Majority Nationalism Neophytos Loizides, 2015-09-30 What drives the politics of majority nationalism during crises stalemates and peace mediations In his innovative study of majority nationalism Neophytos Loizides answers this important question by investigating how peacemakers succeed or fail in transforming the language of ethnic nationalism

and war The Politics of Majority Nationalism focuses on the contemporary politics of the post Ottoman neighborhood to explore conflict management in Greece and Turkey while extending its arguments to Serbia Georgia and Ukraine Drawing on systematic coding of parliamentary debates new datasets and elite interviews the book analyses and explains the under emphasized linkages between institutions symbols and framing processes that enable or restrict the choice of peace Emphasizing the constraints societies face when trapped in antagonistic frames Loizides argues wisely mediated institutional arrangements can allow peacemaking to progress **Jordan** Beverley Milton-Edwards, Peter Hinchcliffe, 2009-06-05 The formation of the Hashemite kingdom Contemporary politics in Jordan The economy International relations Whither Jordan

State Expansion and Conflict Oren Barak, 2017-09-28 A detailed comparison of Lebanon and Israel Palestine two expanded states which have experienced conflict and stability domestically and in their mutual relations **Contested States in World Politics** D. Geldenhuys, 2009-04-22 This book investigates a phenomenon in world politics that is largely overlooked by scholars namely entities lacking international recognition of their status as independent states It includes case studies on the Eurasian Quartet Kosovo Somaliland Palestine Northern Cyprus Western Sahara and Taiwan **State and Nation-Building in Pakistan** Roger D. Long, Gurharpal Singh, Yunas Samad, Ian Talbot, 2015-10-08 Religion violence and ethnicity are all intertwined in the history of Pakistan The entrenchment of landed interests operationalized through violence ethnic identity and power through successive regimes has created a system of authoritarian clientalism This book offers comparative historicist and multidisciplinary views on the role of identity politics in the development of Pakistan Bringing together perspectives on the dynamics of state building the book provides insights into contemporary processes of national contestation which are crucially affected by their treatment in the world media and by the reactions they elicit within an increasingly globalised polity It investigates the resilience of landed elites to political and social change and in the years after partition looks at the impact on land holdings of population transfer It goes on to discuss religious identities and their role in both the construction of national identity and in the development of sectarianism The book highlights how ethnicity and identity politics are an enduring marker in Pakistani politics and why they are increasingly powerful and influential An insightful collection on a range of perspectives on the dynamics of identity politics and the nation state this book on Pakistan will be a useful contribution to South Asian Politics South Asian History and Islamic Studies **International Encyclopedia of Human Geography**, 2009-07-16 The International Encyclopedia of Human Geography provides an authoritative and comprehensive source of information on the discipline of human geography and its constituent and related subject areas The encyclopedia includes over 1 000 detailed entries on philosophy and theory key concepts methods and practices biographies of notable geographers and geographical thought and praxis in different parts of the world This groundbreaking project covers every field of human geography and the discipline's relationships to other disciplines and is global in scope involving an international set of contributors Given its broad inclusive scope and unique online accessibility it

is anticipated that the International Encyclopedia of Human Geography will become the major reference work for the discipline over the coming decades. The Encyclopedia will be available in both limited edition print and online via ScienceDirect featuring extensive browsing, searching and internal cross referencing between articles in the work plus dynamic linking to journal articles and abstract databases making navigation flexible and easy. For more information, pricing options and availability, visit http://info.sciencedirect.com/content/books/ref_works. Coming Available online on ScienceDirect and in limited edition print format. Broad interdisciplinary coverage across human geography, Philosophy, Methods, People, Social, Cultural, Political, Economic, Development, Health, Cartography, Urban, Historical, Regional. Comprehensive and unique, the first of its kind in human geography. **Territorial Disputes and State Sovereignty** Jorge E. Núñez, 2020-05-11

Adopting a multi-disciplinary approach, this book opens new ground for research on territorial disputes. Many sovereignty conflicts remain unresolved around the world. Current solutions in law, political science and international relations generally prove problematic to at least one of the agents part of these differences. Arguing that disputes are complex, multi-layered and multi-faceted, this book brings together a global interdisciplinary view of territorial disputes. The book reviews the key conceptual elements central to legal and political sciences with regards to territorial disputes, state sovereignty and self-determination. Looking at some of the current long-standing disputes worldwide, it compares and contrasts the many issues at stake and the potential remedies currently available in order to assess why some territorial disputes remain unresolved. Finally, it offers a set of guidelines for dispute settlement and conflict resolution that current remedies fail to provide. It will appeal to students and scholars working in international relations, legal theory and jurisprudence, public international law and political sciences. The Decline of Regionalism in Putin's Russia J. Paul Goode, 2011-05-11

This book reassesses Putin's attempt to reverse the decentralization of power that characterised centre-regional relations in the 1990s, focusing on regional responses to Putin's federal reforms. It explains the decline of regionalism after 2000 in terms of the dynamics of regional boundaries understood as the juridical boundaries which demarcate a region's territorial extent and its resources, institutional boundaries that sustain regional differences and cultural boundaries that define the ethnic or technocratic principles on which a region could claim legitimate existence. The book questions the conventional wisdom regarding the success of Putin's regime. It shows how regional governors responded not by attempting to deflect the reforms with outright resistance but by mimicking Putin's centralisation of power at the regional level. In turn, this facilitated the homogenisation of regional political regimes and regional mergers. The book demonstrates how the reordering of regions advanced sporadically, how pockets of resistance persist and how the potential for the revival of regionalism continues. Insurgency in India's Northeast Jugdep Chima, Pahi Saikia, 2023-09-01. Insurgency in India's Northeast provides a systematic analysis of every major secessionist group and insurgency in the region within a unified and original explanatory framework focusing primarily on the postcolonial period. This book presents a parsimonious analytic narrative involving a rich sequential account of the

historical evolution of Mizo Naga Meitei and ethnic Assamese identities from precolonial to colonial to postcolonial times. Avoiding essentialist or primordialist arguments, the chapters in the book demonstrate how ethnic sub-national identities are dynamic and malleable phenomena, not immutable natural givens. In particular, it argues that the postcolonial Indian state has attempted to integrate these ethnic sub-state national groups into the Indian Union through a combination of democratic accommodation, consociationalism, and hegemonic violent control, strategically designed to encapsulate their evolving sub-national identities into the overarching state-sponsored Indian nationality. Through this book, readers will gain a rich understanding of the dynamics of ethnicity, nationality, and the nation-state building process in postcolonial India. It will be of interest to researchers in the fields of Asian studies, ethnicity, nationalism, separatism, security studies, border studies, and international relations.

Where Nation-States Come From Philip G. Roeder, 2012-01-09 To date, the world can lay claim to little more than 190 sovereign independent entities recognized as nation-states, while by some estimates there may be up to eight hundred more nation-state projects underway and seven to eight thousand potential projects. Why do a few such endeavors come to fruition while most fail? Standard explanations have pointed to national awakenings, nationalist mobilizations, economic efficiency, military prowess, or intervention by the great powers. *Where Nation-States Come From* provides a compelling alternative account, one that incorporates an in-depth examination of the Russian Empire, the Soviet Union, and their successor states. Philip Roeder argues that almost all successful nation-state projects have been associated with a particular political institution prior to independence: the segment state, a jurisdiction defined by both human and territorial boundaries. Independence represents an administrative upgrade of a segment state. Before independence, segmental institutions shape politics on the periphery of an existing sovereign state. Leaders of segment states are thus better positioned than other proponents of nation-state endeavors to forge locally hegemonic national identities. Before independence, segmental institutions also shape the politics between the periphery and center of existing states. Leaders of segment states are hence also more able to challenge the status quo and to induce the leaders of the existing state to concede independence. Roeder clarifies the mechanisms that link such institutions to outcomes and demonstrates that these relationships have prevailed around the world through most of the age of nationalism.

Politics of Religion and Nationalism Ferran Requejo, Klaus-Jürgen Nagel, 2014-12-17 There are numerous examples of how religion and nationalism intertwine. In some cases, a common religion is the fundamental marker of a nation's identity, whereas in others, secular nationalism tries to hold together people of different religious beliefs. This book examines the link between religion and nationalism in contemporary politics. By exploring case studies on India, Russia, Israel, Canada, Chechnya, Bosnia, Herzegovina, Belgium, Northern Ireland, Scotland, Sri Lanka, Catalonia, and the Basque Country, it seeks to understand the relationship between these two key societal forms of diversity and assess the interaction between religious and nationalist perspectives. Expert contributors examine a variety of phenomena, including secular nationalism, secessionism, and politics in which

religious pluralism is evolving This book will be of interest to students and scholars of political science religion and politics nationalism federalism secession political philosophy racial and ethnic politics and comparative politics *Religious Politics in Turkey* Ceren Lord, 2018-11-08 Since the elections of 2002 Erdogan's AKP has dominated the political scene in Turkey This period has often been understood as a break from a secular pattern of state building But in this book Ceren Lord shows how Islamist mobilisation in Turkey has been facilitated from within the state by institutions established during early nation building Lord thus challenges the traditional account of Islamist AKP's rise that sees it either as a grassroots reaction to the authoritarian secularism of the state or as a function of the state's utilisation of religion Tracing struggles within the state Lord also shows how the state's principal religious authority the Presidency of Religious Affairs Diyanet competed with other state institutions to pursue Islamisation Through privileging Sunni Muslim access to state resources to the exclusion of others the Diyanet has been a key actor ensuring persistence and increasing salience of religious markers in political and economic competition creating an amenable environment for Islamist mobilisation *Iraq* Gareth Stansfield, 2013-08-27 The removal of the regime of Saddam Hussein and the reconstruction of the Iraqi state were critical components of US foreign policy towards the Middle East in the aftermath of 9/11 It was hoped that Iraq free from the oppression of Saddam's tyranny would be transformed into a beacon of democracy in the Middle East Iraq has indeed been transformed but into a zone of instability With Saddam's regime no more Iraq has turned into a morass of competing ethno sectarian political and social forces in stark contrast to the views expressed by Western and Middle Eastern commentators alike before the US led invasion who commonly believed in the strength of Iraqi nationalism Why did this fragmentation occur Have Sunni Shii tensions always been present Are the Kurds seeking secession or accommodation within the state What has been the social and political impact of years of dictatorship war and hardship And why have US attempts to restructure the Iraqi state resulted in Iraq being on the verge of becoming a failed state rather than the first democratic domino in the Middle East In this timely new book Gareth Stansfield explores these questions and frames them in an analysis which takes into account Iraq's diverse society and the geopolitical interventions of regional states and great powers He concludes with an assessment of Iraq since the removal of Saddam **Failed States and the Origins of Violence** Tiffiany Howard, 2016-04-15 What makes a terrorist Is an individual inherently predisposed to be attracted to political violence or does exposure to a certain environment desensitize them in such a way that violence represents a viable mode for addressing political grievances Identifying state failure as the impetus for political violence this book addresses these questions and focuses on why existing extremist groups find failed states so attractive Utilizing global barometer data Tiffiany Howard examines the underpinnings of individual support for political violence and argues that an insidious pattern of deprivation within failed states drives ordinary citizens to engage in and support extreme acts of political violence A rigorous examination of four regions plagued by a combination of failed states and political violence Sub Saharan Africa The Middle East and North Africa Southeast and

South Asia and Latin America this text draws parallels to arrive at a single conclusion that failed states are a natural breeding ground for terrorism and political violence

Rightsizing The State The Politics Of Moving Borders Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Rightsizing The State The Politics Of Moving Borders**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve to the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Rightsizing The State The Politics Of Moving Borders Introduction

Rightsizing The State The Politics Of Moving Borders Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Rightsizing The State The Politics Of Moving Borders Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Rightsizing The State The Politics Of Moving Borders : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Rightsizing The State The Politics Of Moving Borders : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Rightsizing The State The Politics Of Moving Borders Offers a diverse range of free eBooks across various genres. Rightsizing The State The Politics Of Moving Borders Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Rightsizing The State The Politics Of Moving Borders Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Rightsizing The State The Politics Of Moving Borders, especially related to Rightsizing The State The Politics Of Moving Borders, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Rightsizing The State The Politics Of Moving Borders, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Rightsizing The State The Politics Of Moving Borders books or magazines might include. Look for these in online stores or libraries. Remember that while Rightsizing The State The Politics Of Moving Borders, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Rightsizing The State The Politics Of Moving Borders eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While

this might not be the Rightsizing The State The Politics Of Moving Borders full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Rightsizing The State The Politics Of Moving Borders eBooks, including some popular titles.

FAQs About Rightsizing The State The Politics Of Moving Borders Books

What is a Rightsizing The State The Politics Of Moving Borders PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rightsizing The State The Politics Of Moving Borders PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rightsizing The State The Politics Of Moving Borders PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rightsizing The State The Politics Of Moving Borders PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rightsizing The State The Politics Of Moving Borders PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
