Roaming 'round Frankfurt Patricia G. Erickson, 1983-01 **The MAC Flyer** United States. Air Force. Military Airlift Command, 1986 *Crime and Punishment in Early Modern Germany* Maria R. Boes, 2016-05-13 Frankfurt am Main in common with other imperial German cities enjoyed a large degree of legal autonomy during the early modern period and produced a unique and rich body of criminal archives In particular Frankfurt's Strafenbuch which records all criminal sentences between 1562 and 1696 provides a fascinating insight into contemporary penal trends Drawing on this and other rich resources Dr Boes reveals shifting and fluid attitudes towards crime and punishment and how these were conditioned by issues of gender class and social standing within the city's establishment She attributes a significant role in this process to the steady proliferation of municipal advocates jurists trained in Roman Law who wielded growing legal and penal prerogatives Over the course of the book it is demonstrated how the courts took an increasingly hard line with select groups of people accused of criminal behavior and the open manner with which advocates exercised cultural religious racial gender and sexual orientation repressions Parallel with this however is identified a trend of marked leniency towards soldiers who enjoyed an increasingly privileged place within the judicial system In light of this discrepancy between the treatment of civilians and soldiers the advocates actions highlight the emergence and spread of a distinct military judicial culture and Frankfurt's city council's contribution to the quasi militarization of a civilian court By highlighting the polarized and changing ways the courts dealt with civilian and military criminals a fuller picture is presented not just of Frankfurt's sentencing and penal practices but of broader attitudes within early modern Germany to issues of social position and cultural identity *The Rough Guide to Europe on a Budget (Travel Guide eBook)* Rough Guides, 2022-07-01 The Rough Guide to Europe on a Budget is the definitive guide to making the most of this great region without breaking the bank Backpackers career breakers gap year travellers and those who simply want more bang for their buck will find in depth information catering to their needs with in depth area by area comprehensive listings covering the whole Europe The Rough Guide to Europe on a budget covers Albania Austria Belgium Luxembourg Bosnia Herzegovina Bulgaria Croatia Czech Republic Denmark Estonia Finland France Germany Great Britain Greece Hungary Ireland Italy Latvia Lithuania Macedonia Montenegro Morocco The Netherlands Norway Poland Portugal Romania Russia Serbia Slovakia Slovenia Spain Sweden Switzerland Turkey and Ukraine Inside this travel guide you'll find INFORMATION FOR EVERY TYPE OF TRAVELLER Practical information for budget conscious explorations of Europe from off the beaten track adventures in Berlin to city breaks in big hitting tourist areas like Paris PRACTICAL TRAVEL TIPS Packed with essential pre departure information including all relevant country entry requirements how to get around health guidance food and drink festivals culture and etiquette tips for travellers with disabilities and more TIME SAVING ITINERARIES Carefully planned routes around different regions which help inspire and inform your on the road experiences Whether you have a week 10 days or more our suggested

For the Love of Cod Eric Dregni, 2023-04-04 A journey to find Norway's supposed bliss makes for a comic travelogue that asks seriously what makes Norwegians so damn happy and does it translate Norway is usually near or at the top of the World Happiness Report But is it really one of the happiest countries on Earth Eric Dregni had his doubts Years ago he and his wife had lived in this country his great great grandfather once fled When their son Eilif was born there the Norwegian government paid for the birth gave them 5 000 and deposited 150 into their bank account every month but surely happiness was more than a generous health care system What about all those grim months without sun When Eilif turned fifteen father and son decided to go back together and investigate For the Love of Cod is their droll report on the state of purported Norwegian bliss Arriving in May a month of festivals and eternal sun the Dregnis are thrust into Norway at its merriest and into the reality of the astronomical cost of living which forces them to find lodging with friends and relatives But this gives them an inside look at the secrets to a better life It's not the massive amounts of money flowing from the North Sea oil fields but how these funds are distributed that fuels the Norwegian version of democratic socialism resulting in miniscule differences between rich and poor Locals introduce them to the principles underlying their avowed contentment from an active environmentalism that translates into flyskam flight shame which keeps Norwegians in the family cabin for the long vacations prescribed by law and charges a 150 percent tax on gas guzzlers which Eilif observes means more Teslas seen in one hour than in a year in Minnesota From a passion for dugnad or community volunteerism and sakte or slow a rejection of the mad pace of modernity to the commodification of Viking history and the dark side of Black Metal music that turns the idea of quaint traditional Norway upside down this idiosyncratic father and son tour lets readers free of flyskam see how or whether Norwegian happiness translates
