

Roamnce In The Age Of Uncertainty

Maricel Oró-Piqueras, Anita Wohlmann

Roamnce In The Age Of Uncertainty:

Aftershock Kieran Cashell, 2009-08-30 Accused by the tabloid press of setting out to shock controversial artworks are vigorously defended by art critics who frequently downplay their disturbing emotional impact This is the first book to subject contemporary art to a rigorous ethical exploration It argues that in favouring conceptual rather than emotional reactions commentators actually fail to engage with the work they promote Scrutinising notorious works by artists including Damien Hirst Jake and Dinos Chapman Richard Billingham Marc Quinn Sally Mann Marcus Harvey Hans Bellmer Paul McCarthy Tierney Gearon and Tracey Emin Aftershock insists on the importance of visceral emotional and ethical responses Far from clouding our judgement Cashell argues shame outrage or revulsion are the very emotions that such works set out to evoke While also questioning the catch all notion of transgression this illuminating and controversial book neither jumps indiscriminately to the defence of shocking artworks nor dismisses them out of hand Remembering Our Future Andrew

G. Walker, Luke Bretherton, 2013-01-16 How the issues of the past affect the future of Deep Church a concept conceived by C S Lewis Orthodox Catholic and Protestant traditions drink from the well of a common tradition rooted in the early church Many Evangelicals are now reengaging with the practice of the early church as they seek to live as disciples today Remembering the past is essential for facing the future In Remembering Our Future leaders and theologians reflect on a range of issues for which a vibrant contemporary faith requires a careful listening to the past What is the place of tradition in the church s life How should we interpret the Bible How should we worship What in other words might Deep Church look like

Artbibliographies Modern , 2004 **Self and Other in an Age of Uncertain Meaning** Timothy Stephen, 2021-11-25 Self and Other in an Age of Uncertain Meaning explores the nature and origins of widespread problems of self in modern societies It examines the paradoxical interplay between the modern world s many benefits and freedoms and its mounting social challenges and psycho emotional impacts Over time the character of consciousness has shifted in concert with societal trends The experienced world has become more nuanced fragmented and uncertain as well as increasingly personal and intimate reshaping social relationships Chapters analyze the interdependence of language mind intimacy the self and culture arguing that as the coevolution of these five factors produced the modern world many features of contemporary culture have become disruptive to security of being The book explores the importance to the vital sense of self in constructing relationships based in mutual recognition of moral and intellectual equality between partners Rich with examples from everyday experience this text offers profound insights for those interested in sociology psychoanalysis psychology communication history and culture *Damien Hirst* Ann Gallagher, 2012-10 Published on the occasion of the exhibition Damien Hirst Tate Modern 4 April 9 September 2012 Dimensions of Human Behavior Elizabeth D. Romance in the Age of Uncertainty Jason Beard,2008-05-01 *Romance in the Age of Uncertainty* was the first solo exhibition of new work by Damien Hirst in London since he exhibited *Still at White Cube Duke Street* in 1995 This extensive exhibition of new sculptures and paintings collectively examined dissected and recast the story of Jesus and the Disciples Through these new religious works Hirst explored the uncertainty at the heart of human experience the confusing relations between love life and death communion and isolation loyalty and betrayal And in so doing Hirst brings into play religion art and science layering these categories together opening them up in works that tell new and different stories

The British monarchy on screen Mandy Merck,2016-02-28 This electronic version has been made available under a Creative Commons BY NC ND open access license Moving images of the British monarchy are almost as old as the moving image itself dating back to an 1895 American drama *The Execution of Mary Queen of Scots* And from 1896 actual British monarchs appeared in the new animated photography led by Queen Victoria Half a century later the 1953 coronation of Elizabeth II was a milestone in the adoption of television watched by 20 million Britons and 100 million North Americans At the century s end Princess Diana s funeral was viewed by 2.5 billion worldwide In the first book length examination of film and television representations of this enduring institution distinguished scholars of media and political history analyze the screen representations of royalty from Henry VIII to William and Kate Seventeen essays by Ian Christie Elisabeth Bronfen Andrew Higson Karen Lury Glynn Davies Jane Landman and other international commentators examine the portrayal of royalty in the actuality picture the early extended feature amateur cinema the movie melodrama the Commonwealth documentary *New Queer Cinema* TV current affairs the big screen ceremonial and the post historical boxed set A long overdue contribution to film and television studies this book will be essential reading for scholars and students of British

media and political history Sexuality, Abjection and Queer Existence in Contemporary India Pushpesh Kumar, 2021-07-29 This volume explores existing and emerging sexual cultures of contemporary India and the predicaments faced by abjected and sexual marginalities It traces the sexual politics within popular culture literary genres advertisement consumerism globalizing cities social movements law scientific research the Hijra community life alternative families and kinship and sites that define the cultural other whose sexual practices or identities fall beyond normative moral conventions The chapters examine a range of connected sociological and political issues including questions of agency judgments around intimate sexual relationships the role of the state popular understandings of adolescent romance notion of legitimacy and stigma moral policing and resistance body politics and marginality representations in popular and folk culture sexual violence and freedom problems with historiography structural inequalities queer erotica gay consumerism Hijra suicides and marriage and divorce The volume also proposes certain transformative possibilities towards envisioning and re scripting sexual equalities This interdisciplinary book will be important for those interested in sexuality studies queer studies gender studies cultural studies sociology law history literature and Global South studies as well as policymakers civil society activists and nongovernmental organizations working in the area The Limits of Sexuality Education Ketaki Chowkhani, 2023-12-19 This book explores different strands of thinking about sexuality education in contemporary urban India It interrogates the limits of sexuality education as we know it today by rethinking adolescent masculinities in middle class urban India This book contributes to the wide gap in theorising sexuality education and adolescent masculinities in urban India It presents an adolescent perspective on sexuality education looks at adolescent love from the school teachers perspective and tries to understand a teacher s negotiations with student romance It unravels the sexual and romantic lives of adolescents and examines the circulation of sexual knowledge and sources of information on sex that adolescent boys in India have access to This book uncovers the limits of sexuality education by examining State feminist Christian and sexological materials on sexuality education in Mumbai and Delhi Based on detailed research and narratives from teachers young men and women the book explores adolescent male romance and its affective registers adolescent male sexual knowledge and the regulation of romance in school spaces This book will be of interest to students and researchers of education sexuality and gender studies masculinity studies sex education as well as those interested in education policy education politics educational research and inclusion and special education Located at the intersection of sexuality studies education masculinity studies and cultural studies it will also appeal to those working in sexuality education in urban India within the complex web of the middle classes consumerism post feminism romance adolescent masculinities and cinema **The Living Age** , 1911 The British National Bibliography Arthur James Wells, 2005 Constructions of Childhood and Youth in Old French Narrative Phyllis Gaffney, 2016-05-23 What do we know of medieval childhood Were boundaries always clear between childhood and young adulthood Was medieval childhood gendered Scholars have been debating such questions over half a century Can evidence

from imaginative literature test the conclusions of historians Phyllis Gaffney's innovative book reveals contrast and change in the portrayal of childhood and youth by looking at vernacular French narratives composed between 1100 and 1220. Covering over sixty poems from two major genres epic and romance she traces a significant evolution. While early epics contain only a few stereotypical images of the child later verse narratives display a range of arguably timeless motifs as well as a growing awareness of the special characteristics of youth. Whereas juvenile epic heroes contribute to the adult agenda by displaying precocious strength and wisdom romance children are on the receiving end requiring guidance and education. Gaffney also profiles the intriguing phenomenon of enfances poems singing the youthful deeds of established heroes these prequels combine epic and romance features in distinctive ways. Approaching the history of childhood and youth through the lens of literary genre this study shows how imaginative texts can both shape and reflect the historical development and cultural construction of emotional values. Film & Video Finder, 1989 **The Living Age**, 1935 *Gender and Representation in British 'Golden Age' Crime Fiction* Megan Hoffman, 2016-05-17 This book provides an original and compelling analysis of the ways in which British women's golden age crime narratives negotiate the conflicting social and cultural forces that influenced depictions of gender in popular culture in the 1920s until the late 1940s. The book explores a wide variety of texts produced both by writers who have been the focus of a relatively large amount of critical attention such as Agatha Christie Dorothy L Sayers and Margery Allingham but also those who have received comparatively little such as Christianna Brand Ngaio Marsh Gladys Mitchell Josephine Tey and Patricia Wentworth. Through its original readings this book explores the ambivalent nature of modes of femininity depicted in golden age crime fiction and shows that seemingly conservative resolutions are often attempts to provide a modern yet safe solution to the conflicts raised in the texts. **Serializing Age** Maricel Oro-Piqueras, Anita Wohlmann, 2015-12-15 Serialized storytelling provides intriguing opportunities for critical representations of age and aging. In contrast to the finite character of films television narratives can unfold across hundreds of episodes and multiple seasons. Contemporary viewing practices and new media technologies have resulted in complex television narratives in which experimental temporalities and revisions of narrative linearity and chronological time have become key features. As the first of its kind this volume investigates how TV series as a powerful cultural medium shape representations of age and aging such as in *Orange Is The New Black* *The Wire* or *Desperate Housewives* to understand what it means to live in time. **The Silver Age and Other Dramatic Memories** Temple Scott, 1919 **England in the Age of Shakespeare** Jeremy Black, 2020-03-04 A social history of Renaissance England that raises the curtain on the cultural influences that inspired Shakespeare's plays. How did it feel to hear Macbeth's witches chant of double double toil and trouble at a time when magic and witchcraft were as real as anything science had to offer? How were justice and forgiveness understood by the audience who first watched *King Lear*? How were love and romance viewed by those who first saw *Romeo and Juliet*? In *England in the Age of Shakespeare* Jeremy Black takes readers on a tour of life in the streets homes farms

churches and palaces of the Bard's era Panning from play to audience and back again Black shows how Shakespeare's plays would have been experienced and interpreted by those who paid to see them From the dangers of travel to the indignities of everyday life in teeming London Black explores the jokes political and economic references and small asides that Shakespeare's audiences would have recognized These moments of recognition often reflected the audience's own experiences of what it was to as Hamlet says grunt and sweat under a weary life Black's clear and sweeping approach seeks to reclaim Shakespeare from the ivory tower and make the plays histories more accessible to the public for whom the plays were always intended Littell's Living Age Eliakim Littell, Robert S. Littell, 1892
