Storm Front John Sandford,2013-10-08 1 New York Times Bestseller An ancient relic is unearthed during an archaeological dig A Minnesota college professor is keeping a secret that could change the world's history as we know it For Virgil Flowers the link between the two is inescapable and his investigation more dangerous and far reaching than he can possibly imagine Deep Freeze John Sandford,2017 Class reunions a time for memories good bad and as Virgil Flowers is about to find out deadly in the thrilling new novel in the 1 New York Times bestselling series Virgil knows the town of Triptown Minnesota a little too well A few years back he investigated the corrupt and as it turned out homicidal local school board and now the town's back in view with more alarming news A woman's been found dead frozen in a block of ice There's

a possibility that it might be connected to a high school class of twenty years ago that has a mid winter reunion coming up and so wrapping his coat a little tighter Virgil begins to dig into twenty years worth of traumas feuds and bad blood In the process one thing becomes increasingly clear to him It s true what they say High school is murder **The American Police Novel** Leroy Lad Panek,2015-09-17 The American police novel emerged soon after World War II and by the end of the century it was one of the most important forms of American crime fiction The vogue for either Holmesian genius or the plucky amateur detective dominated mystery fiction until mid century the police hero offered a way to make the traditional mystery story contemporary The police novel reflects sociology and history and addresses issues tied to the police force such as corruption management and brutality Since the police novel reflects current events the changing natures of crime court procedures and legislation have an impact on its plots and messages An examination of the police novel covers both the evolution of a genre of fiction and American culture in general This work traces the emergence of the police officer as hero and the police novel as a significant popular genre from the cameo appearances of police in detective novels of the 1930s and 1940s through the serial killer and forensic novels of the 1990s It follows the ways in which professional writers and police officers turned writers view the police individually and collectively The work chronicles the ways in which changes in the law and society have affected the actions of the police and shows how the protagonists of police novels have changed in gender race nationality sexual orientation and age over the years The major writers examined begin with Julian Hawthorne in the nineteenth century and include such writers as S S van Dine Ellery Queen Erle Stanley Gardner Ed McBain Chester Himes MacKinley Kantor Hillary Waugh Dorothy Uhnak Joseph Wambaugh Bob Leuci W E B Griffin and Carol O Connor
