compilation of short stories that had its birth at the Villas of Canandaigua New York A group of writing enthusiasts gathered to organize and compile a book of stories that represents what seniors can produce when working in a cohesive writing environment Many of the stories have deep meaning to the authors Other stories are fictional and show how stories can inspire others to write Writing can be the vehicle for healing pleasure of days gone by or humor with life s happenings that can be transformed onto paper It has been the goal of the authors to give the readers a glimpse into the lives experiences dreams and hopes of their lives and loved ones For the folks involved in the short story project there was a common thread that everyone wanted to write a story and be remembered for it which created a feeling of unity within the group According to Antonio Porchia who was Italian born but later in life became an Argentinian poet One lives in the hopes of becoming a memory The stories within this book give an example that every person or thing becomes a memory and unless a life or a happening is recorded it will be lost forever Everyone needs to be remembered writing and recording is a way for this to happen Our group hopes that you as a reader will be inspired to tell your story no matter what it may be Even if it is a fictional story there is merit in having your name be seen as an author The cover of the book is in memory of Doris Kane watercolor artist Steve Kane s mother The following is a list of the people who made this book possible Lisa Albrecht John Robert Allen Carole Arkins Gary Baldwin Richard Booth Julie Cummins Carol Eiffert Linda Orrell Fair Teresa Fantone Kathy Grey Amy Herlehy Barbara Kutner Jennifer Mahoney Jed Marsh Leta Mueller Renata Reber Virginia Saur Laura Jo Smith Barbara Stahl Laurie Stoutz Jean Trost Jewel Wink Mike Wischnowski **Clyde Walcott** Peter Mason,2024-09-17 An essential biography of a cricketing great exploring his achievements as a player manager and political activist This ground breaking biography of Sir Clyde Walcott explores the extraordinary life and achievements of a man who was both an important activist and one of the greatest cricketers of all time In the 1950s Walcott was part of the legendary three Ws batting triumvirate with Everton Weekes and Frank Worrell that helped give West Indies cricket a new identity distinct from its colonial past After test cricket he became a prominent administrator and advocate of Black consciousness managing the great West Indies teams that dominated the sport in the 1980s A vocal supporter of using cricket to apply pressure to the South African apartheid regime in 1992 he became chairman of the International Cricket Council the first Black man in that influential role Shining a light on Walcott s largely ignored part in effecting change through the vehicle of cricket this book also shows how he contributed to dramatic social transformation in Guyana as cricket and social organiser for the country s sugar estates from 1954 to 1970 bringing about improvements in the living conditions and self esteem of plantation workers while promoting the emergence of several world class cricketers from a previously neglected corner of the Caribbean

The Gravel Road Ann O'Donnell,2018-03-26 This family saga starts with a young South African woman searching for her family origins and history in Britain While starting work on compiling notes on The Gravel Road I earnestly began to want to bring back to life those long forgotten beginnings of an ancestral family hoping to capture their experiences of surviving under extreme circumstances in their daily lives At this time men of different colors and creeds could put aside their grievances uniting in the determination and will to succeed I listened to the many stories told by my grandfather Sanderson which became an integral part in my research These stretched across old Prussia in Eastern Germany to the old cotton mills in the north of England The Gravel Road covers 140 years of old and modern history where two exceptional courageous families though ethically disparate and living worlds apart were drawn together and united in peace In doing so they paved the way for the next generation I gathered many hours of notes to write this book in order to write true to life characters My goal was that in time it would become a source of wonder and pride for all those who came to befriend them as I did While reliving those lives I tried to get an understanding of how some feared the unknown while others ventured far in the last century ultimately changing attitudes along the pathways to life
