A New Omnibus of Crime Tony Hillerman, Rosemary Herbert, Sue Grafton, Jeffery Deaver, 2005 This fantastic new collection picks up where Dorothy L Sayers 1920 classic The Omnibus of Crime left off bringing together monumental important and entertaining works of mystery short fiction from the inter war years of the twentieth century to the first years of the twenty first century Rosemary Herbert and Tony Hillerman both celebrated crime writers in their own right introduce each story and place each selection in the context of the author and the genre s literary history This extraordinary collection is international in scope and emphasizes the most exciting styles and voices in each genre rather than taking a typical decade by decade approach As a result A New Omnibus of Crime is full of a whole range of engaging page turning and spine tingling selections from the past eight decades Stories in this collection include Patricia Highsmith s Woodrow Wilson s Necktie Sue Grafton s A Poison That Leaves No Trace and many more including never before published works from Jefferey Deaver and Alexander McCall Smith A New Omnibus of Crime is a marvelous achievement that brings together some of the greatest crime and mystery short fiction ever collected *The World's Finest Mystery and Crime Stories: 3* Edward Gorman, Martin Harry Greenberg, 2002 Gathers mystery suspense and crime stories from around the world **The Third City** Larry Bennett, 2024-05-31 Our traditional image of Chicago as a gritty metropolis carved into ethnically defined enclaves where the game of machine politics overshadows its ends is such a powerful shaper of the city s identity that many of its closest observers fail to notice that a new Chicago has emerged over the past two decades Larry Bennett here tackles some of our more commonly held ideas about the Windy City inherited from such icons as Theodore Dreiser Carl Sandburg Daniel Burnham Robert Park Sara Paretsky and Mike Royko with the goal of better understanding Chicago as it is now the third city

Bennett calls contemporary Chicago the third city to distinguish it from its two predecessors the first city a sprawling industrial center whose historical arc ran from the Civil War to the Great Depression and the second city the Rustbelt exemplar of the period from around 1950 to 1990 The third city features a dramatically revitalized urban core a shifting population mix that includes new immigrant streams and a growing number of middle class professionals working in new economy sectors It is also a city utterly transformed by the top to bottom reconstruction of public housing developments and the ambitious provision of public works like Millennium Park It is according to Bennett a work in progress spearheaded by Richard M Daley a self consciously innovative mayor whose strategy of neighborhood revitalization and urban renewal is a prototype of city governance for the twenty first century The Third City ultimately contends that to understand Chicago under Daley s charge is to understand what metropolitan life across North America may well look like in the coming decades

This Book Is an Action Jaime Harker, Cecilia Konchar Farr, 2015-12-30 The Women s Liberation Movement held a foundational belief in the written word s power to incite social change In this new collection Jaime Harker and Cecilia Konchar Farr curate essays that reveal how second wave feminists embraced this potential with a vengeance The authors in *This Book Is an Action* investigate the dynamic print culture that emerged as the feminist movement reawakened in the late 1960s The works created by women shined a light on taboo topics and offered inspiring accounts of personal transformation Yet as the essayists reveal the texts represented something far greater a distinct and influential American literary renaissance On the one hand feminists took control of the process by building a network of publishers and distributors owned and operated by women On the other women writers threw off convention to venture into radical and experimental forms poetry and genre storytelling and in so doing created works that raised the consciousness of a generation Examining feminist print culture from its structures and systems to defining texts by Margaret Atwood and Alice Walker *This Book Is an Action* suggests untapped possibilities for the critical and aesthetic analysis of the diverse range of literary production during feminism s second wave
