Satin Dolls:

Made Men Greg B. Smith, 2003-02-04 For years the DeCavalcantes the most powerful Mob family in Jersey labored in the shadows of the more famous families in New York the likes of the Gambinos and the Columbos Dismissed by the big city capos the DeCavalcantes finally came into their own when they found their lives mirrored in the television hit *The Sopranos* Overnight it legitimized the made men of the Garden State Now they were a familia to be reckoned with Unfortunately with high profile came high risk As member turned against member as trusted friend turned terrified informant the FBI put the brakes on the DeCavalcante s explosive ride into infamy hastening a fall from honor that would become as infamous as their notorious ascension into the annals of organized crime Based on more than 1 000 hours of secretly recorded conversations *Made Men* delivers for the first time the unprecedented and completely uncensored behind the scenes truth of a historically clandestine world of violent life and sudden death inside and outside the mob told by the very men who made it Satin Dolls Andrew G. Hager, 1994 *Satin Dolls* looks at the rise of the female jazz vocalist beginning with such pioneers as Bessie Smith and continuing to such modern innovators as Betty Carter Illustrated throughout and accompanied by a full length compact disc this book covers the careers and lives of some of the greatest songbirds of jazz **The Queen of Dolls** Carol Ryrrie Brink, 1928 On Locations Mark Kamine, 2025-02-11 The executive producer of *The White Lotus* shares how he got his big break in film and television production on the greatest TV show of all time *Rolling Stone* An inside look at the film industry for fans students and aspiring professionals featuring a foreword by Golden Globe and Emmy Award winning creator of *The White Lotus* Mike White This page turning account of starting at the lowest rung on the production ladder among enormously famous outrageously demanding people will be devoured for its insights gossip humor storytelling Married and with a child the author takes unpaid gigs to get a foot in the door and eventually ends up working on all seasons of *The Sopranos* often named the best TV show ever The show s setting and its creator s insistence on accuracy placed the native New Jersey author in the right place at the right time to become part of television history and to witness the effects of sudden fame and acclaim on the show s principal players Includes many stories about guest stars like Steve Buscemi Peter Bogdanovich and Lauren Bacall as well as the beloved cast including new tales of James Gandolfini who Kamine first meets after David Chase casts him as the Dean of Admissions in the classic first season College episode Later after he s been promoted Kamine gets the calls from Gandolfini when he s hungover or still drunk and might or might not make it to the shoot that day One night Kamine tries to prevent Gandolfini from taking a swim in the ocean after they ve been drinking all night telling him it could be dangerous but Jim doesn t listen Woven in is a personal story of home life and strife achievement and frustration anxiety and accomplishment The book s epilogue brings readers up to the moment as the author after many more years as an anonymous everyman eventually enjoys outsize professional success as executive producer of the HBO hit series created by Mike White *The White Lotus* *Ebony*, 2001-12 EBONY is the flagship magazine of Johnson Publishing

Dolls Esther Singleton,1927 **Satin dolls** ,1990 **This Thing of Ours** David Lavery,2002 In a first season episode of The Sopranos Tony Soprano is once again in conflict with his uncle Carrado Junior Soprano Tony is in no mood for conciliation but neither is Junior who warns his nephew not to return unless he is armed Come heavy he insists or not at all As a work of popular culture a ground breaking television series and a cultural phenomenon The Sopranos always comes heavy not just with weaponry but with significance The cultures of the United States Great Britain and Canada Australia and even Italy where it premiered in the spring of 2001 have come under its influence and contributed to the cultural conversation about it Talk discourse about The Sopranos has migrated far beyond the water cooler and not all of it has been praise David Chase s The Sopranos has also received starkly contradictory critical assessments In the eyes of Ellen Willis whose seminal essay in The Nation is reprinted in this volume for example the HBO series is the richest and most compelling piece of television no of popular culture that I ve encountered in the past twenty years a meditation on the nature of morality the possibility of redemption and the legacy of Freud Others have condemned it for racial and sexist stereotypes excessive violence and profanity These eighteen essays consider many facets of The Sopranos its creation and reception the conflicting roles of men and women the inner lives of the characters obesity North Jersey the role of music and even how food contributes to the story **Bad News on the Doorstep** Joseph Rocco Cervasio,2004-05-24 The Greatest Generation was in full bloom during the enigmatic decade of the fifties In northern New Jersey The Newark Star Ledger on the doorstep every morning was bringing changing news as that pastoral period came to an end A blue collar ethnic family saga evolves that takes you on an epic journey through unfulfilled dreams with spiritual forks in every road In the shadows lurk glamorous alternatives of gangland activities and the allure of the entertainment business But it was a legendary high school football game that truly signaled winds of change would be rushing in An outstanding athlete and young man Frank Bonaducci made a decision in that rivalry that would affect peoples lives forever Surrounding him is his family as well as a menagerie of unforgettable characters from Bloomfield Avenue in Newark to the Silver Lake section of Belleville to Nutleys Park Oval They roam the pages of this touching story teaching life long lessons Their roles craft a tapestry of life creating a yearning in our hearts for these days gone by Every one should have an uncle like Petee 5 Corners and an Aunt Bella who danced across imaginary stages as Bella LaStarr Each chapter reads like a short story that will touch your heart and soul The book depicts frustrations of coming of age and traditional rights of passage that honor family traditions more than the family members themselves It wont take long to learn that when you look back you should glance not stare In his first novel Joseph Rocco Cervasio escorts us through New Jerseys fabled Essex County in a way that will make Bad News on the Door Step the good news you are seeking A demanded public speaker Cervasio has tested throughout the country the stories that have evolved into the tales of this fiction And you will react the same way his audiences have over the years youll laugh and cry and say no

way Writing with compassion and spiritual discernment that penetrate the wonder of these times Cervasio takes you from 1959 to the present From an Italian American feast during New Years Eve at Grandpa Joes to the end zone of a football field to Rahway State Prison to a hot autumn afternoon at the Five Corners of Fifth Street and Bloomfield Avenue to the glamor of Havana you are bound to find a familiar character or even family member particularly if you are from Jersey When Buddy Holley Ritchie Valens and the Big Bopper crashed in a snow covered cornfield in Iowa on February 3 1959 they became the final ingredient to launch the Bonaducci family into a trek every reader will cherish Witness the battle between self sacrifice and selfish lusts as the kingdoms of modest middle class living and mob affiliation collide headon Ten years in the making Bad News on the Door Step is a labor of love that introduces Joseph Rocco Cervasio as a consummate storyteller passionate about changing peoples lives for the better *The Publishers' Circular and Booksellers' Record* ,1912
