Saxophone Recital Music A Discography:

Saxophone Recital Music, 1993-09-16 Saxophone Recital Music is a discography designed for those interested in recordings of saxophone recital and concert music It is a unique reference source for saxophone performers teachers and students Since the 1970s a veritable explosion of saxophone recital music has taken place Saxophone Recital Music includes the vast majority of recordings on 33 1 3 rpm records cassette tapes and compact discs through early 1993 Information was obtained from album covers and listings available through recording catalogs library holdings collectors and record stores

Discography of Saxophone Music Stanley L. Schleuter, 1977 **The Cambridge Companion to the Saxophone** Richard Ingham, 1999-02-13 The Cambridge Companion to the Saxophone first published in 1999 tells the story of the saxophone its history and technical development from Adolphe Sax who invented it c 1840 to the end of the twentieth century It includes extensive accounts of the instrument s history in jazz rock and classical music as well as providing practical performance guides Discussion of the repertoire and soloists from 1850 to the present day includes accessible descriptions of contemporary techniques and trends and moves into the electronic age with midi wind instruments There is a discussion of the function of the saxophone in the orchestra in light music and in rock and pop studios as well as of the saxophone quartet as an important chamber music medium The contributors to this volume are some of the finest performers and experts on the saxophone **Wind Talk for Woodwinds** Mark C. Ely, Amy E. Van Deuren, 2009-08-20 Wind Talk A Practical Guide to Understanding and Teaching Woodwind Instruments is a user friendly source of pedagogical information specific to woodwind instruments It is designed to facilitate understanding of terminology topics and concepts frequently encountered by instrumental music teachers and provides teachers with a quick and easy to use pedagogical resource for woodwind instruments commonly used in school instrumental music programs *Ethnic and Vernacular Music, 1898-1960* Paul Vernon, 1995-12-11 Detailed information on almost all ethnic and vernacular recordings from many countries on 78rpm is provided in this seminal work The current state of discographical research in this wide and varied field is such that a research tool of this nature is badly needed Jesse Walter Fewkes and Mary Hemenway recorded Native American music as early as 1890 Bela Bartok recorded rural music in the Balkans Erich von Hornbostel the grand old man of ethnomusicology in Europe recorded in Southeast Asia More than just a discography this work demonstrates that cultures around the world and over time have more similarities than differences A necessity for scholars students archivists and individual record collectors and dealers The goals of this volume are many and varied to promote thought and discussion toward a concise definition of recorded ethnic music to assist specialists working on individual discographical projects to introduce users to the interconnectedness of cultures through regional music to gather heretofore disparate pieces of information under one cover in a way that for the first time allows specialists to accurately identify all manner of recordings in many languages The four sections of the volume work together for easy usage through cross referencing The philosophy behind the volume was

expressed by Rodney Gallop when he remarked that music for him was often the key to the understanding of other cultures

Tantalizing Tingles Ross Laird, 1995-04-30 For the first time all data for recordings of non classical piano made for issue on disc and cylinder records prior to 1935 are brought together in this work The majority of the listing consists of material which has never been published in any form The volume includes piano solos duets trios and quartets as well as selected titles where a soloist is featured within a recording by a dance band or orchestra It covers a wide variety of pianists and piano styles including ragtime stride novelty syncopated boogie and blues This work will be of interest to major libraries archives and schools of music as well as researchers and collectors The recordings covered in this work range from the earliest known piano recordings which were made in 1889 as cylinder records for the North American Phonograph Company through recordings of the early 1930s by some of the great jazz pianists of that era Mary Lou Williams Garland Wilson Herman Chittison Art Tatum and Teddy Wilson In between are a wide variety of pianists and piano styles from around the world While many of the solos recorded were of popular tunes of the day there is also a fascinating selection of piano compositions often played by the composer They include such well known names as Felix Arndt Nacio Herb Brown Hoagy Carmichael Rudolf Friml George Gershwin John W Green Ferdie Grofe Ralph Rainger Leslie Stuart Clarence Williams and Vincent Youmans A comprehensive title index includes composer credits for the majority of titles listed *Straighten Up and Fly Right* Klaus Teubig, 1994-06-14 Thirty years of collecting and 15 years of research have resulted in this discography that features all known recordings transcriptions and films made by Cole until 1950 when his jazz style faded away and a selection of his later jazz related trio sides It includes for the first time Cole s unknown 16 transcriptions of his Wild Root broadcasts This volume documents the development of a gifted pianist into a ballad singing star and leader of the most famous jazz trio of the 1940s All routes and recording activities by Cole and his fellow musicians from 1936 to the 1950s are chronicled here Nat King Cole is widely known as a singer of unforgettable fame but that he was a true King of Jazz Piano in its heyday and the inventor of today s piano trios is almost forgotten This discography gives all details of the King Cole Trio s activities listing recording sessions available broadcasts on discs film soundtracks and guest appearances by the trio or by Cole alone on such shows as Jubilee Command Performance Supper Club Mail Call and Kraft Music Hall A special listing is included of those occasions when Cole participated as unknown or unnamed pianist on radio transcriptions for singers like Anita Boyer Anita O Day The Dreamers The Barrie Sisters Bonnie Lake Rose Murphy Maxine Johnson and Juanelda Carter In addition the book includes the Cole Trio s engagement routes with exact dates if known names of promoters and much more The biographical portion is a fascinating period piece of Jazz age memorabilia **ARSC Journal** ,1993 The Decca Labels: The eastern sessions (1943-1956) Michel Ruppli, 1996 The Decca Labels: The eastern & southern sessions (1934-1942) Michel Ruppli, 1996

Saxophone Recital Music A Discography Introduction

In today's digital age, the availability of Saxophone Recital Music A Discography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Saxophone Recital Music A Discography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Saxophone Recital Music A Discography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Saxophone Recital Music A Discography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Saxophone Recital Music A Discography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Saxophone Recital Music A Discography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Saxophone Recital Music A Discography books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Saxophone Recital Music A Discography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Saxophone Recital Music A Discography books and manuals for download and embark on your journey of knowledge?
