Real Sex Mike Lousada,Louise Mazanti, PhD,2017-05-30 The more modern culture shines its light on sex the longer the shadow it casts This shadow is commercialism pornography and shame This approach to sexuality distorts it to create performance pressure increasing numbers of sexual dysfunctions and a fundamental disconnect from ourselves and others Yet sexuality is one of the most important paths to happiness simply because it requires us to engage all the other aspects of ourselves To have deeply satisfying sex we must engage the mind the body and our feelings Real Sex will show you how almost everything that our society has tried to teach you about your sexuality is misleading or simply wrong Real Sex is a journey into the heart of your sexual self a way of creating meaningful and fulfilling intimacy It sets out seven keys that will teach you how to love and accept your mind body feelings desires and sexuality at a deeper level leaving behind feelings of guilt insecurity and shame Real Sex offers a new integrated idea of sexuality that holds a positive perspective of the sexual beings that we are longing for intimacy and aliveness that we know deep down makes our lives meaningful

Melissa Fredericks were taught endless rules around dating sex and marriage but not a lot about what actually makes a relationship work When they first got married they felt alone like every other couple had perfect chemistry while the two of them struggled There were conversations that they didn't know they needed to have fears that affected how they related to each other and seasons of change that put their marriage to the test Part of their story reads like a Christian fairytale high school sweethearts married in college never sowed any wild oats with two sons and a thriving marriage But there's another side of their story the night Melissa kicked Kevin out of her car after years of communication problems the time early in their marriage when Kevin bordered on an emotional affair the way they've used social media and podcasts to conduct a no holds barred conversation about forbidden topics like jealousy divorce and how to be Christian and sex positive Because as Kevin writes Your hormones don't care about your religious beliefs Your hormones want you to subscribe to OnlyFans In Marriage Be Hard the authors provide a hilarious and fresh master class on what it takes to build and maintain a lasting relationship Drawing on interviews with experts and nearly two decades of marriage they argue that Compatibility is overrated Communication is about way more than simply talking Seeing divorce as an option can actually help your marriage There's such a thing as healthy jealousy Real marriage is not automatic It ain't no Tesla on the open road Sometimes it's a stick shift on a hill in the rain with no windshield wipers But if you get comfortable visiting and revisiting the topics that matter it can transform your bond with your partner and the life you're building together Written for those tired of unrealistic relationship books and for anyone wondering if they're the only ones breaking all the rules Marriage Be Hard is a breath of fresh air and the manual you wish existed after you said I do
