SEXUAL DEVIANCY AND SOCIAL PROSCRIPTION

The Social Context
of Carnal Behavior

Clifton Bryant, Ph.D.

The norms of sexual activity are not phenomena in *vacuo*; they are reflective of time, place, circumstances, and participants. This volume attempts to put sexual deviancy into a proper cultural and social perspective, while providing a detailed overview of deviant sexual behavior in American society. Deviancy is examined within a framework focusing on the social context in which it occurs and the importance of societal labeling. An explanation of a variety of activities is provided, as well as the consequences imposed on them.

The violations of societal norms can be regarded as an individual aberration or as a general threat to the collective interests of the society. The different responses to both perceptions are examined by the author, as well as how society judges whether a particular form of behavior is a threat, dangerous, necessary or even desirable. Historical examples are employed, as well as cross-cultural similarities and differences. A variety of nondisciplinary literature is utilized to give a broad perspective of the field.

Sexual Deviancy And Social Proscription:

Sexual Deviancy and Social Proscription Clifton D. Bryant, 1982 *Marital and Sexual Lifestyles in the United States* Linda P Rouse, 2013-12-16 Learn the changing role of sexuality in American life This helpful book offers a solid background in the sociology of family life and personal sexuality *Marital and Sexual Lifestyles in the United States Attitudes Behaviors and Relationships in Social Context* is designed to give readers a broad view of the diversity of contemporary U S attitudes behaviors and relationships It also covers basic sociological concepts and research methods Most human sexuality texts focus on the individual whereas texts designed for sociology courses on the family downplay individual sexual expression *Marital and Sexual Lifestyles in the United States* integrates the two approaches The choices of the individual take on additional meaning when seen within a unified historical statistical and conceptual framework *Marital and Sexual Lifestyles in the United States* gives readers the tools to consider such pressing issues as Does the divorce rate mean that the institution of marriage is in trouble Are children s futures impaired if they come from single parent households Should same sex couples be allowed to marry How does marriage differ from cohabitation What are the real sexual differences between the genders What is sexual morality How much confidence can we place in studies of human sexuality by such social scientists as Alfred Kinsey and Masters and Johnson These questions and others like them are placed in the context of U S social trends beginning with the 1950s and moving toward today Plentifully illustrated with tables charts and figures that show where we are going as well as where we have been *Marital and Sexual Lifestyles in the United States* gives a clear perspective on relationships in social context *Routledge Handbook of Deviant Behavior* Clifton D. Bryant, 2012-04-27 The Handbook of Deviant Behavior presents a comprehensive integrative and accessible overview of the contemporary body of knowledge in the field of social deviance in the twenty first century This book addresses the full range of scholarly concerns within this area including theoretical methodological and substantive issues in over seventy original entries written by an international mix of recognized scholars Each of these essays provides insight not only into the historical and sociological evolution of the topic addressed but also highlights associated notable thinkers research findings and key published works for further reference As a whole this Handbook undertakes an in depth evaluation of the contemporary state of knowledge within the area of social deviance and beyond this considers future directions and concerns that will engage scholars in the decades ahead The inclusion of comparative and cross cultural examples and discussions relevant case studies and other pedagogical features make this book an invaluable learning tool for undergraduate and post graduate students in disciplines such as criminology mental health studies criminal theory and contemporary sociology *Sexual Deviancy in Social Context* Clifton D. Bryant, 1977 *Deviant Behaviour* Clifton D. Bryant, 2014-09-03 A comprehensive set of readings examining the full range of concerns in the field of deviant behaviour All the selections are relatively recent and have not appeared in other anthologies *Sexuality in the Confessional* Stephen Haliczzer, 1996 Drawing upon a wealth of actual cases and trial

evidence left by the Spanish Inquisition this work documents the eroticizing of the confessional between 1530 and 1819 It argues that the Counter Reformation Church actually helped to foster sexual solicitation in the confessional

Acts of Undressing Barbara Brownie,2016-11-03 The act of undressing has a multitude of meanings which vary dramatically when this commonly private gesture is presented for public consumption This ground breaking book explores the significance of undressing in various cultural and social contexts As we are increasingly obsessed with dress choices as signifiers of who we are and how we feel an investigation into what happens as we remove our clothes has never been more pertinent Exploring three main issues politics tease and clothes without bodies Acts of Undressing discusses these key themes through an in depth and eclectic mix of case studies including flashing at Mardi Gras the World Burlesque Games and shoefti used by gangs to mark territories Building on leading theories of dress and the body from academics including Roland Barthes and Mario Perniolato Ruth Barcan and Erving Goffman Acts of Undressing is essential reading for students of fashion sociology anthropology visual culture and related subjects

Sex and Gender Hierarchies Barbara D. Miller,1993-02-18 This edited collection attempts to revive a unified anthropological approach to the study of sex and gender hierarchies Seventeen distinguished contributors from cultural anthropology physical anthropology archaeology and anthropological linguistics have produced a wealth of fascinating data on human and primate ancient and contemporary and primitive and developed societies covering topics such as mothering and child care work health intrafamily relationships and public power The interdisciplinary approach successfully contributes to the development of better theory and methodology in anthropology

The Language of Sadomasochism Thomas Murray,Thomas Murrell,1989-02-07 The Language of Sadomasochism contains vocabulary and defines activities that many will find offensive It has been published to aid linguists folklorists sociologists psychologists and other adult researchers develop a better understanding of this subculture The Language of Sadomasochism represents the first systematic comprehensive account ever attempted of the specialized terminology used by sadomasochists The work is divided into three distinct sections Part one provides a thorough introduction to the subculture of sadomasochism its history in the Western world and its place in American culture in literature and in the work of non linguist social scientists Part two is a comprehensive glossary of more than 800 terms currently in use among sadomasochists For each term the authors provide part of speech labels etymologies definitions citations illustrating actual usage related forms of the word cross references to semantically and conceptually related terms and special notes on usage Part three contains a linguistic analysis of the terminology and illustrates how the language of sadomasochism is related both to the English language as a whole and to the sadomasochists who use the specialized language The book concludes with a complete bibliography of all references cited a list of difficult to find sadomasochism related periodicals and an index providing easy access to groups of semantically and conceptually related terms

Modeling Life Sarah R. Phillips,2012-02-01 This is a book about life modeling Unlike the painter whose name appears beside his finished portrait the

life model posing nude perhaps for months goes unacknowledged Standing at a unique juncture between nude and naked between high and low culture between art and pornography the life model is admired in a finished sculpture but scorned for her or his posing Making use of extensive interviews with both male and female models and quoting them frequently Sarah R Phillips gives a voice to life models She explores the meaning that life models give to themselves and to their work and seeks to understand the lived experience of life models as they practice their profession Throughout history people have romanticized life models in an aura of bohemian eroticism or condemned them as strippers or sex workers Modeling Life reveals how life models get into the business managing sexuality in the studio what it means to be a muse and why their work is important
