

The 1986 Freedom Constitution

- Promulgated by authority of Presidential Proclamation.
- Right after the 1986 People Power Revolution that compelled President Marcos to step down from the power for its record of human rights violations.
- President Corazon Aquino was elected in 1986 and heralded as the heroine of the revolutionary People Power Movement.
- Cory Aquino issued Proclamation No. 3 on March 25 1986 to serve as a provisional constitution.
- Aquino restored democracy in the Philippines to organize the government and establish a constitutional commission to draft a formal constitution for the Philippine government.
- Effective from March 25 1986 – February 1 1987.

Purpose:

- To declare a national policy to implement the reforms mandated by the people.
- Protecting basic rights, and adopting a provisional constitution .
- Ensuring an orderly transition to a government governed by a new constitution.
- To ensure that Filipinos have the freedom and democracy.

Proclamation No. 3 contained some provisions adopted from the 1973 Constitution such as:

- Government Reorganization
- Removal of Officials
- Appointment of a commission to draft a new and more formal Constitution
- Which upon ratification
- Would supplant the Freedom Constitution

Sexual Freedom And The Constitution

Feler Bosc

Sexual Freedom And The Constitution:

Sexual freedom and the Constitution Walter Barnett,1973 **Sexual Freedom and the Constitution** Walter Barnett,1973 **The Political Imaginary of Sexual Freedom** Leticia Sabsay,2016-11-11 This book develops a performative and relational approach to gendered and sexualised bodies conceived as distinct from the more limited individualistic idea of sexual identity and orientation that is at play within notions of progress in contemporary transnational sexual politics Focusing on the psychosocial dimension of sexual life Sabsay challenges accepted ideas of increased emancipation and the steady extension of rights offering instead a critique of the liberal imaginary that is at the base of the sexual rights bearing subject The book offers a notion of sexual embodiment that provides an alternative to individualism one that is social radically relational and psychically divided and that implies a different conception of democratic sexual politics for our time This book brings together political and cultural analysis of sexual rights discourse with a strong theory of the relational subject whose political investments and articulations depend on a political imaginary This is a highly original and methodical text which will be of particular interest to academics and scholars of gender and sexuality studies sociology politics and psychology *Sex, Sexuality, and the Constitution* Shigenori Matsui,2023-05-01 Sex and sexuality are an integral part of human life and vital for the survival of the human race but sexual freedoms in many countries have yet to be enshrined as constitutional rights Focusing primarily on Japan Sex Sexuality and the Constitution critically reconsiders the relationship between individual sexual freedoms and a constitutionally entrenched right to sexual autonomy Shigenori Matsui explores the extent to which governments should be allowed to restrict or influence sexual autonomy to support desired population policy outcomes Should the constitution encompass the following rights an individual s right to decide or change sexual or gender identity to have sex or to refuse to have sex to have children through natural birth or through access to medically assisted reproduction or to not have children through access to abortion This rigorously detailed legal analysis has implications for government policy in all countries facing similar population and constitutional rights challenges *How Sex Became a Civil Liberty* Leigh Ann Wheeler,2013 How Sex Became a Civil Liberty shows how we came to see sexual expression sexual practice and sexual privacy as fundamental rights enshrined in the Constitution thanks to the work of ACLU leaders and attorneys who forged legal principles that advanced the sexual revolution *Sexual Freedom and Its Impact on Economic Growth and Prosperity* Feler Bose,2024-12-20 Many today believe that all forms of freedom economic political and sexual are inherently beneficial However J D Unwin argues that limiting sexual freedom is crucial for cultural and economic advancement He observed that sexual freedom and economic freedom are substitutes but did not fully explain why In this book Feler Bose aims to provide a causal explanation for what he calls Unwin s thesis Unwin suggests that Pauline absolute monogamy was essential for the sustained economic growth experienced by Northwest Europe particularly England Regarding this the Protestant Reformation played a pivotal role by promoting literacy and Bible reading which

helped internalize norms across a broad section of the population This cultural shift contributed to the economic takeoff in the nineteenth century The book also examines various theories on why rapid economic growth occurred in England and argues that these theories are incomplete without considering Unwin's thesis By understanding the relationship between sexual norms and economic development we can gain deeper insights into the factors that drive societal progress This exploration highlights the importance of cultural and moral frameworks in shaping economic outcomes and underscores the complex interplay between different forms of freedom

Unrepentant, Self-Affirming, Practicing Gary David

Comstock, 2002-06-14 Praise for Unrepentant For open minded religious leaders there are nuggets of enlightenment in this ecumenical array Publishers Weekly Surprisingly readable as well as informative San Francisco Chronicle A significant body of knowledge Theology Today Publishers catalogues are full of books on the church's view of homosexuality Comstock here offers gay views of the church Given the often hostile environment he asks why gay people stay in religious institutions Using social scientific methods he summarizes thirty six surveys of gay attitudes toward religious communities including Jewish Buddhist Muslim and Native American traditions He adds data from his survey of gay people in two mainline Protestant denominations Religious Studies Review Explores how each religion accepts half accepts or rejects gays and lesbians and how they themselves feel about their religion The book is also filled with personal stories of how spiritual people who discovered they are homosexual came out within their community and their congregation and how they feel about the central figures and tenets of their belief Gatherings With its succinct accessible language and rich collection of empirical research findings on lesbian gay peoples Unrepentant Self Affirming Practicing would be an excellent addition to academic libraries and could be appropriately used as well in an undergraduate religion or sociology classroom Journal for Scientific Study of Religion

Magnus Hirschfeld and the Quest for Sexual Freedom E. Mancini, 2010-11-08 This volume is the first full length study on pioneering sexologist and sexual rights activist Magnus Hirschfeld that examines his impact on the politics and culture of late nineteenth century and early twentieth century Germany and the value of his rationalist humanist approach for contemporary debates on sexual rights

Document Retrieval Index, 1974

Sex, Drugs, Death, and the Law David

A. J. Richards, 1986 Among the most commonly argued legal questions are those involving victimless crimes consensual adult sexual relations including homosexuality and prostitution the use of drugs and the right to die How can they be distinguished from proper crimes and how can we as citizens judge the complex moral and legal issues that such questions entail David Richards a teacher of law in the areas of constitutional and criminal law and a moral and legal philosopher concerned with the investigation of legal concepts applies an interdisciplinary approach to the question of overcriminalization he draws on legal and philosophical arguments and links the subject to history psychology social science and literature To demonstrate how gross and unjust overcriminalization has developed Professor Richards explores basic assumptions that often underlie the common American sense of proper criminalization

Women in American Prisons Mark S. Fleisher, 2020-08-13 A

fascinating look at the social life of women in prison Intended to shine the light on prison social life in the face of allegations of all sorts of misconduct and deviant behaviors **The Convergence of the Fundamental Rights Protection in Europe** Rainer Arnold,2016-04-05 The book gives insight into the structures and developments of the fundamental rights protection in Europe which is effective at the levels of the national Constitutions the European Convention of Human Rights and for the EU member States of the EU Fundamental Rights Charter The contributions of renowned academics from various European countries demonstrate the functional interconnection of these protection systems which result in an increasing convergence Basic questions are reflected such as human dignity as foundation of fundamental rights or positive action as a specific form of equality as well as the concept of rights convergence In this latter contribution the forms of direct reception of a different legal order and of the functional transfer of principles and concepts are analyzed Particular reference is made to the EU Charter the United Kingdom Human Rights Act as well as to France and Germany It becomes obvious how important interpretation is for the harmonization of national and conventional fundamental rights protection Traditional institutional approaches like the dualist transformation concept in Germany are functionally set aside in the harmonization process through constitutional interpretation Specific studies are dedicated to the field of the EU Fundamental Rights Charter and to the European impacts on the national fundamental rights protection in selected countries such as the new democracies Poland Romania and Kosovo as well as more traditional systems such as Spain Italy the Nordic countries or Turkey

Current Catalog National Library of Medicine (U.S.),1973 First multi year cumulation covers six years 1965 70

Homosexuality and the Law Donald C. Knutson,1980 A fascinating exploration of how the law as viewed and decided by the courts often embodies fear and prejudice against homosexuality and thereby becomes the instrument for discrimination This valuable book covers a wide range of subjects illustrating the extent to which the lives of gay persons are touched by these laws and providing a highly critical examination of the response by the American judicial system to our claims for equal protection under the law Leading law professors and practicing lawyers address the important legal issues and court decisions relevant to male and female homosexuality criminal punishment for gay sex acts employment discrimination child custody gay organizational rights and more Freedom's Edge Frank S. Ravitch,2016-09-08 This book explains religious and sexual freedom law in an accessible way and argues for a compromise that maximizes freedom on both sides **Sex, Sexuality, Law, and (In)justice** Henry F. Fradella,Jennifer M. Sumner,2016-02-26 Sex Sexuality Law and In Justice covers a wide range of legal issues associated with sexuality gender reproduction and identity These are critical and sensitive issues that law enforcement and other criminal justice professionals need to understand The book synthesizes the literature across a wide breadth of perspectives exposing students to law psychology criminal justice sociology philosophy history and where relevant biology to critically examine the social control of sex gender and sexuality across history Specific federal and state case law and statutes are integrated throughout the book but the text moves beyond the intersection between law and

sexuality to focus just as much on social science as it does on law This book will be useful in teaching courses in a range of disciplines especially criminology and criminal justice history political science sociology women and gender studies and law

Law and Revolution Matej Accetto, Katja Škrubej, Joseph H. H. Weiler, 2024-04-23 The last one hundred years have seen a number of events that could be perceived as disruptive challenges to the normal operation of the legal order Some have been disruptive innovations of technologies or business practices others social changes or constitutional transformations further buttressed by the impact of globalisation and interdependence affecting the development of international transnational and global law Coincidentally this period of one hundred years has been bookended by two pandemics themselves disruptive realities testing the resilience as well as the adaptability of the legal regimes A hundred years ago the founding dean of a newly established law faculty beginning its mission amid the ashes of the First World War and the disintegration of the only remaining European empire gave an opening lecture exploring the role of law and judges in the face of revolutionary societal changes Drawing upon that important text this edited volume explores similar challenges for law brought about by various disruptive realities The collection looks at the past as well as the future Following the text of the opening lecture by Pitamic the contributions are grouped under five headings dealing with the law and revolution in 1918 the challenges posed for law by the seemingly more gradual political or technological transformations the effects of globalisation and the changing world with the final contributions reassessing the law its methodologies and traditional paradigms including in the epilogue the challenges posed for law the recent disruptive reality of the Covid 19 pandemic The book will be of interest to academics researchers and policy makers working in the areas of legal history jurisprudence constitutional law law and politics and law and technology The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

Gender, Sexuality, and the Law Debra L. DeLaet, Renée Ann Cramer, 2020-06-29 This volume examines the role of law as a tool for advancing women's rights and gender equity in local national and global contexts Many feminist scholars note a marked failure of law to achieve goals connected to women's rights and gender equality Despite its limitations law provides aspirational norms that can be mobilized to hold institutions accountable and to provide material benefit to those excluded from systems of power In conversation with each other the chapters in this volume help to advance understanding of both the limitations and the potential of law as a tool for advancing democratic participation rights and justice around issues related to gender and sexuality Contributors acknowledge to varying degrees that law has important symbolism and may be used as a lever to mobilize change At the same time some offer cautionary notes about the potential downside risks and unintended consequences of relying upon law in pursuit of women's rights and gender equity Collectively the chapters in this volume explore the disjuncture between the promise and expectation of legal reform and the lived experience of those laws by people intended as the beneficiaries of legal change This book was originally published as a special issue of Global Discourse

Just Cause Drucilla Cornell, 2000 One of the distinguishing features of Drucilla Cornell's work is its emphasis on the significance of ideals. The essays collected here examine how the ideals of freedom and equality associated with the democratic revolutions of the West have survived the challenges of twentieth century critiques. Cornell argues that far from threatening these ideals, feminism, race theory, and other new theories have deepened their meaning and so allowed them to survive. In particular, Cornell here engages with issues surrounding representation and rights. Drawing on her experiences as a union organizer, she recounts how workers and in particular women workers came to imagine themselves in a way that allowed them to engage in political activism. The kind of representation the imaginative acts by which we envisage the world and our role in it is entwined, she argues, with struggles for representation in democratic practice. Cornell's work on law also reveals her vision of the role of the ideal. Included here are two of her most important contributions to legal theory: her well-known defense of workers' rights and her response to her essay by Judge Richard Posner, and her groundbreaking defense of Spanish language rights.

America's War on Sex Marty Klein Ph.D., 2012-04-13 This book exposes how a coalition of political, religious, and civic leaders are using the issue of sex to frighten, misinform, and bully Americans, paving the way for dramatic new public policies that are already restricting everyone's rights. Americans are more vulnerable today than ever to anxiety about sexual danger, to believing that their sexuality is not normal or moral, and to laws and public policies that restrict their rights, criminalize their consenting behavior, and confuse and miseducate their children. In the second edition of *America's War on Sex: The Continuing Attack on Law, Lust, and Liberty*, psychologist, sex therapist, and courtroom expert witness Marty Klein sets the record straight and uncovers how the Sexual Disaster Industry works: a powerful social and political propaganda machine that is supported by the very citizens it victimizes. This book analyzes eight battlegrounds in which America's War on Sex is being fought and examines how each one is the focus of an unrelenting struggle to regulate sexuality in direct contradiction to our Constitutional guarantees, scientific fact, and the needs of average Americans. Klein places these various attacks on our rights in historical context, explains how the money and political power are coordinated from the same sources, and shows how the Religious Right inflames Americans' anxiety about sexuality even as it proposes repressive schemes to reduce that anxiety. This book tackles a sensitive and volatile topic head-on, addressing how the political, social, historical, religious, and emotional issues surrounding public policy interfaces with sexuality as no other work has before.

Recognizing the pretentiousness ways to get this ebook **Sexual Freedom And The Constitution** is additionally useful. You have remained in right site to start getting this info. acquire the Sexual Freedom And The Constitution associate that we manage to pay for here and check out the link.

You could purchase guide Sexual Freedom And The Constitution or get it as soon as feasible. You could quickly download this Sexual Freedom And The Constitution after getting deal. So, like you require the ebook swiftly, you can straight acquire it. Its hence agreed simple and for that reason fats, isnt it? You have to favor to in this announce
