Sexual Ideology and Schooling Alexander McKay, 1999-11-04 Sexuality education in the schools has become a key battleground in the wider social conflict over the

sexual norms of Western culture In *Sexual Ideology and Schooling* Alexander McKay conceptualizes the sexuality debates as a battle between two basic but diametrically opposed belief systems about the nature and purpose of sexuality in human life and society Restrictive and Permissive He outlines the philosophical moral foundations of a democratic approach to teaching young people about sexuality and persuasively argues that public institutions including the schools should base public policy related to sexuality on democratic principles rather than the dictates of sexual ideology *Sex Before the Sexual Revolution* Simon Szreter, Kate Fisher, 2010-10-14 What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s who were often pitied by later generations as repressed unfulfilled and full of moral anxiety This book provides the first rounded first hand account of sexuality in marriage in the early and mid twentieth century These award winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition Based on vivid compelling and frank testimonies from a socially and geographically diverse range of individuals the book explores a spectrum of sexual experiences from learning about sex and sexual practices in courtship to attitudes to the body marital ideals and birth control It demonstrates that while the era s emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives **The Elements of Social Science, Or Physical, Sexual and Natural Religion ... By a Graduate of Medicine. George Drysdale Fourth Edition, Enlarged ,1867** **Religious Sensibilities in Pursuit of Sexual Well-Being** Amisah Zenabu Bakuri, 2024-05-03 The self identifying Ghanaian Dutch and Somali Dutch communities residing in the Randstad area of the Netherlands are deeply impacted by religious beliefs and cultural factors in their approach towards sexual health practices well being and pleasure This book shows how religious sensibilities shape the physical activities beauty practices and gendered roles that are adopted into the daily lives of these communities in pursuit of their sexual and general well being Through an ethnographic account it explores and challenges the assumptions held around the complex relationship between religion and sexuality *Sexual Life in Ancient Rome* Otto Kiefer, 2000 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company *American Sexual Character* Miriam G. Reumann, 2005-03-07 Publisher Description *Swedish Cinema and the Sexual Revolution* Elisabet Björklund, Maria Larsson, 2016-07-13 Swedish cinema became recognized for daring representations of sexuality with such films as *One Summer of Happiness* 1951 *The Silence* 1963 *I Am Curious Yellow* 1967 and a wave of sex films in the late 1960s and 1970s The association between Swedish film and sexuality shows up frequently in popular culture From *Taxi Driver* 1976 to *Mad Men* 2007 2015 dirty Swedish movie references abound Yet the connection has attracted little critical attention In this collection of new essays Swedish and American scholars go beyond popular misconceptions to explore the origins influences and reception of sexuality in Swedish cinema during the sexual revolution on both sides of the Atlantic A broad range of topics are covered from analyses of key films to a behind the scenes study of the Swedish Film Institute which played a

significant role in opposing Swedish film censorship

Sexual Adjustment in Marriage Henry Olsen, 2023-07-05 In the 1950s sexual instruction was still a considerable problem despite the very great freedom of discussion that was common. The high level of so called sexual neurosis among women, the problems of sexual compatibility and birth control and the spread of venereal disease all bore witness to the need for responsible information. Originally published in 1954, Dr Henry Olsen in this comprehensive survey of the problems of sexual adjustment draws fully from a very wide and thoroughly grounded experience. Since 1937 he had been closely connected with the instruction in sexual hygiene in Denmark where the majority of public schools and high schools included it as part of the syllabus. Of the 1 232 public libraries at the time all but three had copies of his Textbook on Sexual Hygiene. *Sexual Adjustment in Marriage* is admirably clear in style and arrangement. It is divided into subjects of particular importance such as The Sex Organs, Living Together, Disturbances in a Couple's Sex Life, Sex Life of the Unmarried, Fertilization, Pregnancy and Childbirth, Sexual Abnormalities, Diseases of Sex Life. Each of the sixteen main sections is divided into chapters within which every topic discussed is numbered. Reference to any part of the book is thus extremely simple. Knowledge alone cannot prevent all disasters in the difficult field of sexual life. But this book aimed to give all that one needed for a basic understanding of the elementary laws from the genes and chromosomes of one's own make up to the sex education of one's children. Today it can be read and enjoyed in its historical context. This book is a re issue originally published in 1954. The language used and views portrayed are a reflection of its era and no offence is meant by the Publishers to any reader by this re publication.

The Sexual Revolution Wilhelm Reich, 1986-03 In this book Wilhelm Reich summarizes the criticism of the prevailing sexual conditions and conflicts as it resulted from his sex economic medical experiences over a period of years.
