*Sexual Intelligence* Rolando del Toro,2020-11-09 Are you sexually intelligent What are the qualities that make a truly great lover Is it about being able to swing from chandeliers or knowing every page of the Kama Sutra by heart Or are there deeper qualities to being good in bed that speak more to the spirit of our actions than their substance In his new book Sexual Intelligence Rolando del Toro a renowned sex therapist with a past as a porn actor challenges readers to think about their sex lives as though they suddenly woke up to the South Pole tomorrow without any knowledge of the language and only a handful of rubles in their pockets To figure out what to do you d need more than knowledge you would need intelligence he writes You d need the ability to figure out what questions to ask how to find people who can help you how to make decisions in a different culture and so on That s what sexual intelligence is like not the ability to be great in bed or to function the way you did when you were 22 Rather sexual intelligence is expressed in the ability to create and maintain desire in a situation that s less than perfect or comfortable the capacity to adapt to your changing body curiosity and open mindedness about the meaning of pleasure closeness and satisfaction and the ability to adjust when things don t go as expected Rolando builds on his premise of sexual intelligence by offering us a beguilingly simple equation sexual intelligence information emotional skills body awareness Accurate information is indeed crucial Many of us get our sexual information from all the wrong sources And I agree with Rolando s calculus that only by adding body awareness not just of your own body but also of your partner s can you hope to become truly sexually intelligent In sensate focus sex is initially taken off the table for couples and then gradually reintroduced one aspect at time through a gradual process of touching connection and awareness during which each partner takes turns as giver and receiver The object of these exercises is for partners to develop a heightened sense of sexual self awareness and a keener understanding of what feels good to their partner People change Relationships change Why shouldn t sex And yet it s the natural changes of the sexual life cycle that so many couples in long term relationships find bedeviling and that s another reason why sexual intelligence is so important Rolando encourages readers to cultivate erotic intelligence and reconcile the need for what s safe and predictable with the wish to pursue what s exciting mysterious and awe inspiring We are born sensuous we become erotic To cultivate the erotic is also to

engage with sexuality as a quality of aliveness and vitality that extend beyond a mere repertoire of sexual techniques We learn to play be curious engage with our imagination anticipate Erotic intelligence is our ability to bring novelty to the enduring mystery to the familiar and surprise to the known Sexual intelligence is useful in different ways at different times of our life in our 20s in exploring the sexual world in our 30s in bonding with a partner and establishing a sexual rhythm in our 40s in tolerating and adapting to change in our 50s in saying goodbye to youthful sex in our 60s and beyond in creating a new sexual style Now that s really smart
