Black Female Vampires in African American Women's Novels, 1977-2011 Kendra R. Parker, 2018-11-09 This book critically situates the figure of the black female vampire in several fields of study including literary studies cultural studies gender studies and critical race studies Black female vampires continue to appear as important literary devices and revealing indicators of cultural attitudes and trends about African American women's bodies This book examines five novels written by four African American women writers to investigate what it means to represent African American womanhood through the lens of vampirism interrogate how these representations connect to or stem from historical representations of African American women and explore how representations of black female vampires in African American women's literature simultaneously negate reinforce or dismantle stereotypes of African American women

Post-Soul Nation Nelson George, 2005-04-26 One of the foremost chroniclers of the contemporary black experience offers an undeluded perspective on the 1980s Here are crack AIDS and the Reagan rollback of the major advances of the civil rights movement But Nelson George also shows how black performers athletes and activists made increasing inroads into the mainstream This fast paced chronological retrospective profiles personalities from Bill Cosby to Louis Farrakhan and explores such flashpoints as the first rap single

and the infamous Willie Horton ad campaign On the web <http://www.nelsongeorge.com> Encyclopedia of Contemporary Literary Theory Irene Rima Makaryk, 1993-01-01 The last half of the twentieth century has seen the emergence of literary theory as a new discipline As with any body of scholarship various schools of thought exist and sometimes conflict within it I R Makaryk has compiled a welcome guide to the field Accessible and jargon free the Encyclopedia of Contemporary Literary Theory provides lucid concise explanations of myriad approaches to literature that have arisen over the past forty years Some 170 scholars from around the world have contributed their expertise to this volume Their work is organized into three parts In Part I forty evaluative essays examine the historical and cultural context out of which new schools of and approaches to literature arose The essays also discuss the uses and limitations of the various schools and the key issues they address Part II focuses on individual theorists It provides a more detailed picture of the network of scholars not always easily pigeonholed into the categories of Part I This second section analyses the individual achievements as well as the influence of specific scholars and places them in a larger critical context Part III deals with the vocabulary of literary theory It identifies significant complex terms places them in context and explains their origins and use Accessibility is a key feature of the work By avoiding jargon providing mini bibliographies and cross referencing throughout Makaryk has provided an indispensable tool for literary theorists and historians and for all scholars and students of contemporary criticism and culture **Native Sons in No Man's Land** Philip Auger, 2000 The four writers chosen for this study James Baldwin Alice Walker John Edgar Wideman and Ernest Gaines were chosen because of their shared approach to rewriting such negative narratives of black manhood Each of these writers approaches self definition and more specifically the writing of oneself as a man as contingent on controlling discourse having some power over language and thus having the power to define the self And each of the selected works explores the possibilities of black manhoods that are humane and dignified The discursive negotiations involved in rewriting identity pose an extremely complex set of challenges associated with the realm of definition used to control the powerful signifier manhood From introduction **Black Feminist Thought, 30th Anniversary Edition** Patricia Hill Collins, 2022-05-16 In the first major update to this classic book in many years Collins traces the history and contours of Black women's ideas and actions to argue that Black feminist thought is the discourse that fosters Black women's survival persistence and success against the odds Through meticulous research that synthesizes the important intellectual work done by Black women Collins's timely update demonstrates that Black women's ideas and actions are not marginal concerns but rather are central to the future of social justice within democratic societies The combination of the text's classic arguments and a preface and epilogue written expressly for this edition speak to people who have long been working on social justice and to a new generation of readers who are encountering the ideas and actions of Black women for the first time For this 30th year anniversary edition Patricia Hill Collins examines how the ideas in this classic text speak to contemporary social issues and identifies the directions needed for the future of Black feminist thought **Crossing Color**
