Handbook of Research on Educational Leadership for Equity and Diversity Linda C. Tillman, James Joseph Scheurich, 2013-08-21 The rapid growth of diversity within U S schooling and the heightened attention to the lack of equity in student achievement school completion and postsecondary attendance has made equity and diversity two of the principle issues in education educational leadership and educational leadership research The Handbook of Research on Educational Leadership for Equity and Diversity is the first research based handbook that comprehensively addresses the broad diversity in U S schools by race ethnicity culture language gender disability sexual identity and class The Handbook both highly values the critically important strengths and assets that diversity brings to the United States and its schools yet at the same time candidly critiques the destructive deficit thinking biases and prejudices that undermine school success for many groups of students Well known chapter authors explore diversity and related inequities in schools and the achievement problems these issues present to school leaders Each chapter reviews theoretical and empirical evidence of these inequities and provides research based recommendations for practice and for future research Celebrating the broad diversity in U S schools the Handbook of Research on Educational Leadership for Equity and Diversity critiques the inequities connected to that diversity and provides evidence based practices to promote student success for all children

Gender and Sexual Diversity in Schools

Elizabeth J. Meyer, 2010-06-16 Issues related to gender and sexual diversity in schools can generate a lot of controversy with many educators and youth advocates under prepared to address these topics in their school communities This text offers an easy to read introduction to the subject providing readers with definitions and research evidence as well as the historical context for understanding the roots of bias in schools related to sex gender and sexuality Additionally the book offers

tangible resources and advice on how to create more equitable learning environments Topics such as working with same sex parented families in elementary schools integrating gender and sexual diversity topics into the curriculum addressing homophobic bullying and sexual harassment advising gay straight alliances and supporting a transgender or gender non conforming student are addressed The suggestions offered by this book are based on recent research evidence and legal decisions to help educators handle the various situations professionally and from an ethical and legally defensible perspective

Jsl Vol 18-N2 JOURNAL OF SCHOOL LEADERSHIP,2009-09-16 The Journal of School Leadership is broadening the conversation about schools and leadership and is currently accepting manuscripts We welcome manuscripts based on cutting edge research from a wide variety of theoretical perspectives and methodological orientations The editorial team is particularly interested in working with international authors authors from traditionally marginalized populations and in work that is relevant to practitioners around the world Growing numbers of educators and professors look to the six bimonthly issues to deal with problems directly related to contemporary school leadership practice teach courses on school leadership and policy use as a quality reference in writing articles about school leadership and improvement **LGBT Youth in America's Schools** Sean Cahill,Jason Cianciotto,2023-06-20 Jason Cianciotto and Sean Cahill experts on lesbian gay bisexual and transgender public policy advocacy combine an accessible review of social science research with analyses of school practices and local state and federal laws that affect LGBT students In addition portraits of LGBT youth and their experiences with discrimination at school bring human faces to the issues the authors discuss This is an essential guide for teachers school administrators guidance counselors and social workers interacting with students on a daily basis school board members and officials determining school policy nonprofit advocates and providers of social services to youth and academic scholars graduate students and researchers training the next generation of school administrators and informing future policy and practice *Bridge Leadership* Autumn K. Tooms,Christa Boske,2010-01-01 This is the first chronicle of the history of social justice as a line of inquiry within the field of educational administration Editors Tooms and Boske have amassed a collective voice of leaders in the field of Educational Administration who have broken barriers and expanded the field through their own work and scholarship within a national and international arena Many of these narratives are the first time tellings of the challenges and successes found in the works of this group of scholars of historic significance This collection is written and organized into practical and easy to digest sections They are part history lesson and part practical teaching tool for those who prepare school leaders Anyone from school leaders to academics interested or charged with unpacking the messy intersections between school leadership and issues of social justice will find inspiration and easy to understand explanations of leadership and equity work within the chapters presented Endorsement *Bridge Leadership* is a powerful and fascinating new volume that explores the intersections of social justice and educational leadership What distinguishes it from other social justice work is that it is much more personal than most such texts Many of the book s authors share poignant

excerpts of their life stories and connect them to the theoretical constructs historical events and political struggles of social justice The foregrounding of these personal stories and the bridges they create with social justice gives the volume a raw power not found in other social justice works I could not put the volume down Ulrich C Reitzug University of North Carolina Greensboro

The Sociology of Bullying Christopher Donoghue, 2022-06-14 An important new collection on the nature and consequences of bullying School shootings and suicides by young victims of bullying have spurred a proliferation of anti bullying programs yet most of the research done on school bullying has been from psychologists The Sociology of Bullying will be the first volume to present the leading ideas in sociology about bullying among adolescents that moves beyond an individualistic approach and instead offers ideas about how to address bullying as a byproduct of social systems biases and status hierarchies Sociologists investigate the impact of social forces on bullying among adolescents such as inequality heteronormativity militarized capitalism racism cancel culture power and competition Contributors explore a wide range of key topics such as how homophobia and gender normativity encourage bullying how anti bullying curricula can ultimately lead to more bullying and how adolescents use bullying against their friends to improve their own social standing By advancing sociological perspectives on bullying this important volume aims to shift the national conversation from one that focuses on villainizing bullies to one that encourages an inward look at the aspects of our culture that foster bullying behavior among children

Creating Safe and Supportive Learning Environments Emily S. Fisher, Karen Komosa-Hawkins, 2013-04-17 The importance of creating safe spaces for lesbian gay bisexual transgender and questioning LGBTQ students in the school environment cannot be overstated It is one of the most prominent issues facing school professionals today and its success has lasting positive effects on the entire student body Drawing on the expertise of researchers and practitioners Creating Safe and Supportive Learning Environments provides a comprehensive examination of the topics most relevant for school professionals The first section lays out the theoretical foundation and background school professionals need to understand the social and political trends that impact LGBTQ individuals the development of sexual orientation and gender identity risk and resilience factors and the intersection of LGBTQ identity with other aspects of diversity The second section explores topics critical for the development of safe supportive school environments including understanding legal and ethical mandates training school personnel addressing bullying and harassment and developing inclusive classrooms Special topics related to counseling LGBTQ students supporting families of LGBTQ students becoming an ally and advocate in the schools and connecting with community resources are also covered CE credit is available to purchasers of this book at www.mensanapublications.com
