

SEXUAL POLITICS

An Introduction

Richard Dunphy

Sexual Politics An Introduction

Luiz Valle Junior

Sexual Politics An Introduction:

Sexual Politics Richard Dunphy, 2000 This introductory work offers an exploration of the theoretical approaches to the study of gender and sexuality and a critical appraisal of contemporary debates within and between some of the main sexual politics movements The arguments are illustrated with case studies that demonstrate the ways in which gender and sexuality have affected the political and public policy agendas in the UK in recent decades The book is unique in drawing upon three research areas feminist theory lesbian and gay studies and critical studies of masculinity The author critiques queer theory and postfeminism and argues that the battle for sexual diversity must encompass the fight against male domination and gender inequalities

Heterosexual Politics Mary Maynard, June Purvis, 2003-12-16 Sexuality and sexual politics have been much debated over the last 20 years and feminists in particular have been responsible for politicising the debate pointing out how something which is usually regarded as private and personal is in fact a public and political issue This text illustrates the diversity and excitement of debates about sexuality in women's studies and feminism today and points to new paths for feminist analysis thinking and action In particular heterosexuality can no longer be taken for granted and must along with other forms of sexuality be explicitly addressed The volume is divided into three sections Analysing Heterosexual sexuality is concerned with exploring some of the complexities of the material aspects of sexual relations between men and women Media Discourses of Sexuality contains analyses derived from women's magazines television and newspapers and Practising Sexual Politics focuses on the reflexive awareness of sexual politics in the framing of methodological issues in research

Sexual Politics Kate Millett, 2000 Praised and denounced when it was first published in 1970 Sexual Politics not only explored history but also became part of it Kate Millett's groundbreaking book fueled feminism's second wave giving voice to the anger of a generation while documenting the inequities neatly packaged in revered works of literature and art of a complacent and unrepentant society Sexual Politics laid the foundation for subsequent feminist scholarship by showing how cultural discourse reflects a systematized subjugation and exploitation of women Millett demonstrates in detail how patriarchy's attitudes and systems penetrate literature philosophy psychology and politics Her incendiary work rocked the foundations of the literary canon by castigating time honored classics from D H Lawrence's *Lady Chatterley's Lover* to Norman Mailer's *The Naked and the Dead* for their use of sex to degrade and undermine women A new introduction to this edition draws attention to some of the forms patriarchy has taken recently in consolidating its oppressive and dangerous control

Sexual Politics in Contemporary Europe Sharron FitzGerald, May-Len Skilbrei, 2022-02-01 The legal regulation of gender and sexuality has undergone dramatic changes throughout Europe in the last 40 years and this has shaped what it means to be a European citizen Drawing on a range of interdisciplinary research this book uses the discourses around current European sexual politics as an entry point to interrogate how and with what effect the EU and its Member States harness issues of gender and sexuality to support issues of higher political importance It takes recent and ongoing political

debates and legislative changes around prostitution and sexual assault as a focus Using four national case studies Poland Germany Sweden and Italy it illuminates how the EU's desire for increased harmonisation across the Union around gender and sexuality norms and values operates differently and with specific effects across Member States The book's structure provides a detailed map of how and why contemporary European sexual politics is changing and how this contributes to establishing European norms and values in developments in law and policy around prostitution and sexual assault By examining how and why the EU and its Member States implement their policies in these two policy areas we can begin to illuminate how contemporary European sexual politics serve some groups interests while marginalizing Others **Sexual**

Politics Kate Millett, 2016-02-16 A sensation upon its publication in 1970 *Sexual Politics* documents the subjugation of women in great literature and art Kate Millett's analysis targets four revered authors D H Lawrence Henry Miller Norman Mailer and Jean Genet and builds a damning profile of literature's patriarchal myths and their extension into psychology philosophy and politics Her eloquence and popular examples taught a generation to recognize inequities masquerading as nature and proved the value of feminist critique in all facets of life This new edition features the scholar Catharine A MacKinnon and the New Yorker correspondent Rebecca Mead on the importance of Millett's work to challenging the complacency that sidelines feminism On Language and Sexual Politics Deborah Cameron, 2012-12-06 This collection of articles presents a selection of Deborah Cameron's work on language gender and sex in one single volume Arranged thematically this book covers major developments in Anglo American feminist linguistics and Cameron's responses to these spanning the last twenty years The collection's overarching theme is the political relationship between language and gender four distinctly themed sections demonstrate that a variety of forces affect gender relations and gender representations in different times and places Cameron examines the connections between language and the misrepresentation of reality and the role language plays in reproducing gender inequalities More recent articles focus on representations of men and women as communicators as well as the impact of sexuality on gender and gender relations an increasingly prominent area of the author's research This timely study brings much of Cameron's work together for the first time and highlights characteristics of her work with which many readers will be familiar a combination of linguistic and feminist political orientation and a distinct focus on conflict in gender relations Including a new introductory essay and eleven articles three of which are previously unpublished with short introductions to contextualize each piece the collection is extremely useful for students and teachers on a variety of courses including English language and linguistics women's studies gender studies and communication studies **Sexual Politics of Desire and Belonging**, 2007-01-01 Designed for students academics and the general reader alike *Sexual Politics of Desire and Belonging* provides theoretical and empirical insights into the linkages between sexualities and forms of desire and ways of belonging and relating to others in specific contexts and moments in time Opening with a substantial introduction by one of the editors this collection of thirteen essays is organised into three

parts each section making important contributions to contemporary debates regarding the sexual politics of citizenship marriage friendship pornography intimacies eroticism and desire As such the essays introduce fresh perspectives for thinking about how individuals construct senses of belonging and modes of relating to others in their everyday lives within the disciplinary frameworks of sociology organisational analysis and cultural studies As well the volume analyses representations of desire and eroticism in British Pop Art trauma and feminist fiction polyamory self help literature Hollywood films and sociological and psychoanalytic theory Analytical insights offered within these essays will do much to stimulate debate about aspects of the socially and historically constituted relationship between desire and sexuality Because of the diverse approaches and conclusions it contains the volume will be essential reading for anyone interested in engaging with inter and multidisciplinary perspectives in order to understand the dynamics between constructions of desire and belonging and discourses of gender sex and sexuality Queer Theory, Lacanian Psychoanalysis, Sexual Politics Luiz Valle

Junior,2025-03-21 Queer Theory Lacanian Psychoanalysis Sexual Politics is a consideration of the relationship between LGBTQIA politics Lacanian psychoanalytic theory and queer theory The book argues through readings of Judith Butler's Gender Trouble and Lee Edelman's No Future that core queer categories such as normativity and anti normativity sidestep questions that are crucial not only to contemporary sexual politics but also to psychoanalytic thinking and clinical work Luiz Valle Junior attends to the queer account of the political shortcomings of the contemporary LGBTQIA movement as well as to the inadequacies of the queer reception of Lacanian psychoanalysis and makes a case for the ongoing relevance of Lacanian psychoanalysis to thinking through a renewed sexual politics The book reflects on the potentiality of a Lacanian theory of sexual politics to challenge the dominance of identity in contemporary LGBTQIA activism and in the queer theoretical archive Valle Junior shifts the discussion of sexual politics from the terrain of normativity and identity to the terrain of desire and enjoyment and questions enduring heteronormative positions that contemporary Lacanians continue to espouse against Lacan's own position Queer Theory Lacanian Psychoanalysis Sexual Politics will be of great interest to academics and scholars of queer studies psychoanalysis and in the LGBTQIA movement and more broadly in the relation of identity analytics to contemporary psychoanalytic and political thought Sexual Politics Stephen Brooke,2011-11-24 Explores the complex relationship between sexuality and socialist politics in Britain arguing that sexuality has been a key though often neglected aspect of party politics in the last century and a half It also explores the relationship between the personal and the political in a wide ranging study of British society Black Sexual Politics Patricia Hill Collins,2004-08-02 In Black Sexual Politics one of America's most influential writers on race and gender explores how images of Black sexuality have been used to maintain the color line and how they threaten to spread a new brand of racism around the world today Anne Rice and Sexual Politics James R. Keller,2015-11-16 From the vampires Lestat and Louis to a sexually liberated Sleeping Beauty novelist Anne Rice has created a host of characters who are notable for their paradoxical combinations of the deviant and the conventional

Exit to Eden for example ends with the sado masochistic protagonists embarking on a traditional monogamous heterosexual relationship while the vampires often long to exchange their erotic immortality for ordinary mortal lives and loves This scholarly analysis of the seemingly incompatible elements of the subversive and the socially acceptable in Rice s early work covers her career from the landmark Interview with the Vampire 1976 to Lasher 1993 Each chapter tackles a different aspect of Rice s conflicting portrayals of sexual issues including homophobia pedophilia castration anxiety and the vast array of gender stereotypes and roles that her novels so often interpret and exploit This study is appropriate both for readers of Rice s writing and those intrigued by issues of sexual politics and the ways in which a popular author both embraces and repudiates some of the most shocking concepts of sexuality An index and bibliography are included to aid research *The Sexual Politics of Border Control* Billy Holzberg, Anouk Madörin, Michelle Pfeifer, 2022-03-16 The Sexual Politics of Border Control conceptualises sexuality as a method of bordering and uncovers how sexuality operates as a key site for the containment capture and regulation of movement By bringing together queer scholarship on borders and migration with the rich archive of feminist Black Indigenous and critical border perspectives it highlights how the heteronormativity of the border intersects with the larger dynamics of racial capitalism imperialism and settler colonialism reproductive inequalities and the containment of contagion disease and virality Transnational in focus this book includes contributions from and about different geopolitical contexts including histories of HIV in Turkey the politics of reproduction in Palestine Israel settler colonialism and anti Blackness in the United States the sexual geographies of the Balkan and Southern Europe the intimate politics of marriage migration between Vietnam and Canada and sex work in Australia the United States France and New Zealand This collection constitutes a key intervention in the study of border and migration that highlights the crucial role that sexual politics play in the reproduction and contestation of national border regimes The chapters in this book were originally published as a special issue of Ethnic and Racial Studies **Sarah Waters: Gender and Sexual Politics** Claire O Callaghan, 2017-01-26 Sarah Waters Gender and Sexual Politics uniquely brings together feminist and queer theoretical perspectives on gender and sexuality through close analysis of works by Sarah Waters This timely study examines topics ranging from heterosexuality homosexuality masculinities femininities sex pornography and the cultural effects of othering and domination across her work The book covers each of Waters s published novels to date including Tipping the Velvet Fingersmith and The Paying Guests and also considers her non fiction and academic writing as well as the television adaptations of her texts O Callaghan situates Water s writing as an important textual space for the examination of contemporary gender and sexuality studies and locates her as an astute commentator and contributor to twenty first century gender and sexual politics **The Routledge Research Companion to Geographies of Sex and Sexualities** Gavin Brown, Kath Browne, 2016-05-20 Comprehensive and authoritative this state of the art review both charts and develops the rich sub discipline geographies of sexualities exploring sex gender sexuality and sexual practices Emerging from the desire

to examine differences and exclusions as a key aspect of human geographies these geographies have engaged with heterosexual and queer lesbian gay bi and trans lives Developing thinking in this area geographers and other social scientists have illustrated the centrality of place space and other spatial relationships in reconstituting sexual practices representations desires as well as sexed bodies and lives This book reviews the current state of the field and offers new insights from authors located on five continents In doing so the book seeks to draw on and influence core debates in this field as well as disrupt the Anglo American hegemony in studies of sexualities sexes and geographies This volume is the definitive collection in the area bringing together many international leaders in the field alongside scholars that are well established outside the Anglophone academy and many emerging talents who will lead the field in the decades to come *Recreating Sexual Politics* Victor J. Seidler, 2009-10-23 First published in 1991 this title examines sexual politics in a world which is being radically changed by the challenges of feminism Seidler explores how men have responded to feminism and the contradictory feelings men have towards dominant forms of masculinity **Recreating Sexual Politics (Routledge Revivals)** Victor Seidler, 2009-12-15 This thought provoking book first published in 1991 examines sexual politics in a world which is being radically changed by the challenges of feminism Seidler explores how men have responded to feminism and the contradictory feelings men have towards dominant forms of masculinity Seidler's stimulating and original analysis of social and political theory connects personally to everyday issues in people's lives It reflects the growing importance of sexual and personal politics within contemporary politics and culture and demonstrates clearly the challenge that feminism brings to our inherited forms of morality politics and sexuality **Sexual Politics, Sexual Communities** John D'Emilio, 2012-04-26 With thorough documentation of the oppression of homosexuals and biographical sketches of the lesbian and gay heroes who helped the contemporary gay culture to emerge *Sexual Politics Sexual Communities* supplies the definitive analysis of the homophile movement in the U S from 1940 to 1970 John D'Emilio's new preface and afterword examine the conditions that shaped the book and the growth of gay and lesbian historical literature How many students of American political culture know that during the McCarthy era more people lost their jobs for being alleged homosexuals than for being Communists These facts are part of the heretofore obscure history of homosexuality in America a history that John D'Emilio thoroughly documents in this important book George DeStefano Nation John D'Emilio provides homosexual political struggles with something that every movement requires a sympathetic history rendered in a dispassionate voice New York Times Book Review A milestone in the history of the American gay movement Rudy Kikel Boston Globe **Sexual Politics and Feminist Science** Kirsten Leng, 2018-02-15 Introduction women and sexology knowledge possibilities and problematic legacies The emergence of sexology in early twentieth century Germany As natural as eating drinking and sleeping redefining the female sex Challenging the limits of sex envisioning new gendered subjectivities and sexualities Troubling normal taking on patriarchy criticizing male hetero sexuality The erotics of racial regeneration eugenics maternity and sexual New social and moral

values will have to prevail negotiating crisis and opportunity in the First World War Fluid gender rigid sexuality constrained potential in the post war period **Sexual Politics in the Biblical Narrative** Esther Fuchs,2003-04-01 This book is for anyone interested in religious studies and women s studies as well as for biblical scholars It offers a feminist oppositional reading of the biblical text The main argument is that the Bible constructs a fictional universe in which women are shown to be intent on promoting male interests and for the most part appear as secondary characters whose voice and point of view are often suppressed In their limited roles as mothers wives daughters and sisters women are constructed as male dependent pawns intent on securing the status of their male counterparts The Biblical narrative highlights the contribution of women as reproductive agents and protectors of sons In this challenging collection of essays Fuchs focuses on type scenes as a way of demonstrating the mechanisms by which the texts validates male power and superiority She also deconstructs the Biblical sexual politics by asking whose interest is being served by the good women of the Bible Journal for the Study of the Old Testament Supplement series Volume 310 **Introducing the New Sexuality Studies** Nancy L. Fischer,Steven Seidman,Chet Meeks,2016-07-11 Introducing the New Sexuality Studies is an innovative reader friendly anthology of original essays and interviews that introduces the field of sexuality studies to undergraduate students Examining the social cultural and historical dimensions of sexualities this anthology is designed to serve as a comprehensive textbook for sexualities and gender related courses at the undergraduate level The book s contributors include both well established scholars including Patricia Hill Collins Jeffrey Weeks Deborah L Tolman and C J Pascoe as well as emerging voices in sexuality studies This collection will provide students of sociology gender and sexuality with a challenging and broad introduction to the social study of sexuality that they will find accessible and engaging
