Sexual Relations Of Mankind:

The Sexual Relations of Mankind Paolo Mantegazza,2001 **The Sexual Relations of Mankind** Paolo Mantegazza,James Bruce,2013-10 This is a new release of the original 1932 edition **Sexual Relations of Mankind** Paolo Mantegazza,1991-09-01 **The Sexual Relations of Mankind, by Paolo Mantegazza; Translated from the Latest Italian Edition, as Approved by the Author, by Samuel Putnam; Edited, with an Introduction, by Victor Robinson** Paolo Mantegazza,1935 **Anthropological Studies of Sexual Relations of Mankind** Paolo Mantegazza,1932 The Sexual Relations of Mankind Paolo Mantegazza,1935 **Sexual Relations of Mankind** Paolo Mantegazza,1937 **The Sexual Life of Our Time in Its Relations to Modern Civilization** Iwan Bloch,1909 **The Sexual Life of Our Time in Its Relations to Modern Civilization** Ivan Bloch,2021-04-22 The author s aim in writing this book was to write a complete Encyclop dia on the sexual sciences and it will probably be acknowledged by all who study its pages that the author has accomplished his intention in a very scholarly manner and in such form as to be of great value to the professions for whom this translation is intended The subject is no doubt one which appeals to and affects the interests of all adult persons but the publishers have after very serious and careful consideration come to the conclusion that the sale of the English translation of the book shall be limited to members of the legal and medical professions To both these professions it is essential that a knowledge of the science of Sex and the various causes for the existence of abnormals should be ascertained so that they may be guided in the future in their investigations into and the practice of attempts to mitigate the evil which undoubtedly exists and to bring about a more healthy class of beings It is the first time that the subject has been so carefully and fully gone into in the English language and it is believed that the very exhaustive examination which the author has made into the matter and the various cases to which he has called attention will be of considerable use to the medical practitioner and also to the lawyer in criminal and quasi criminal matters and probably in matrimonial disputes and cases of insanity

Evolution and Human Sexual Behavior Peter B. Gray,2013-04-01 A comprehensive survey of the evolutionary science of human sexual behavior Evolution and Human Sexual Behavior invites us to imagine human sex from the vantage point of our primate cousins in order to underscore the role of evolution in shaping all that happens biologically and behaviorally when romantic passions are aroused Bookleggers and Smuthounds Jay A. Gertzman,2011-09-02 Between the two world wars at a time when both sexual repression and sexual curiosity were commonplace New York was the center of the erotic literature trade in America The market was large and contested encompassing not just what might today be considered pornographic material but also sexually explicit fiction of authors such as James Joyce Theodore Dreiser and D H Lawrence mail order manuals pulp romances and little dirty comics Bookleggers and Smuthounds vividly brings to life this significant chapter in American publishing history revealing the subtle symbiotic relationship between the publishers of erotica and the moralists who attached them and how the existence of both groups depended on the enduring appeal of prurience By keeping

intact the association of sex with obscenity and shameful silence distributors of erotica simultaneously provided the antivice crusaders with a public enemy Jay Gertzman offers unforgettable portrayals of the pariah capitalists who shaped the industry and of the individuals organizations and government agencies that sought to control them Among the most compelling personalities we meet are the notorious publisher Samuel Roth the Prometheus of the Unprintable and his nemesis John Sumner head of the New York Society for the Suppression of Vice a man aggressive in his pursuit of pornographers and in his quest for a morally united and ethnically homogeneous America

The Sexual Life of Our Time in Its Relations to Modern Civilization; In Two Volumes Iwan Bloch, 2025-08-19 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

Female Sexual Inversion Chiara Beccalossi, 2011-10-26 An examination of how female same sex desires were represented in a wide range of Italian and British medical writings 1870 1920 It shows how the psychiatric category of sexual inversion was positioned alongside other medical ideas of same sex desires such as the virago tribade prostitute fiamma and gynaecological explanations

Vita Sexualis Ralph M. Leck, 2016-03-30 Karl Ulrichs's studies of sexual diversity galvanized the burgeoning field of sexual science in the nineteenth century But in the years since his groundbreaking activism has overshadowed his scholarly achievements Ulrichs publicly defied Prussian law to agitate for gay equality and marriage and founded the world's first organization dedicated to the legal and social emancipation of homosexuals Ralph M Leck returns Ulrichs to his place as the inventor of the science of sexual heterogeneity Leck's analysis situates sexual science in a context that includes politics aesthetics the languages of science and the ethics of gender Although he was the greatest nineteenth century scholar of sexual heterogeneity Ulrichs retained certain traditional conjectures about gender Leck recognizes these subtleties and employs the analytical concepts of modernist *vita sexualis* and traditional *psychopathia sexualis* to articulate philosophical and cultural differences among sexologists Original and audacious *Vita Sexualis* uses a bedrock figure's scientific and political innovations to open new insights into the history of sexual science legal systems and Western amatory codes

Twentieth Century Italian Literature in English Translation this volume makes comprehensive information on translations accessible for schools libraries and those interested in comparative literature Pub desc Forensic and Medico-legal Aspects of Sexual Crimes and Unusual Sexual Practices Anil Aggrawal,2008-12-22 From sexual abuse and fetishism to necrophilia and sadomasochism this unique volume identifies fourteen classifications of unusual sexual pathologies Emphasizing the physical and psychological aspects of sexuality itself the book presents detailed comparisons of legal and medical definitions historical aspects current incidence and geographic **A Cultural History of Race in the Age of Empire and Nation State** Marina B. Mogilner,2023-06-01 This volume covers the cultural history of race in the long 19th century the age of empire and nation state a transformative period during which a modern world had been forged and complex and hierarchical imperial formations were challenged by the emerging national norm The concept of race emerged as a dominant epistemology in the context of the conflicting entanglement of empire and nation as two alternative but quite compatible forms of social imaginary It penetrated all spheres of life under the novel conditions of the emerging mass culture and mass society and with the sanction of anthropocentric and positivistic science Allegedly primeval and parasocial race was seen as a uniquely stable constant in a society in flux amid transforming institutions economies and political regimes But contrary to this perception there was nothing stable or natural about race The spread of racializing social and political imagination only reinforced the need for constant renegotiation and readjustment of racial boundaries Therefore avoiding any structuralist simplifications this volume looks at specific imperial nationalizing and hybrid contexts framing the semantics and politics of race in the course of the long 19th century In different parts of the globalizing world various actors were applying their own notions of race to others and to themselves embracing it simultaneously as a language of othering and personal subjectivity Consequently the cultural history of race as told in this volume unfolds on many levels in multiple loci and in different genres thus reflecting the qualities of race as an omnipresent and all embracing discourse of the time

Symmetric Fertilization of the Individual Yuri Romashev,2024-01-05 Do you want to have sex and make a baby whenever and with whomever you want Do you give a lot of thought to choosing a partner and the moment of conception taking the natural order of things into consideration including the cosmic and astronomic laws and be part of the symmetric organization of human reproduction Yuri Romashev is the first author to tackle this topic and discover the truth about multifarious modern conventions and myths What exactly is love And the prince on the white horse Junk logic The same holds true of the partner choice and mating urge inspired by religious irrationality and other group pressures Romashev expects this topic to remain of interest for years to come Certainly as long as most babies are conceived in an intense emotional outburst or in response to outdated traditions He proposes a solution a new calendar system a new timetable with responses to essential questions like Who is destined to be the true partner What is the right time for conception and What is symmetric fertilization of the individual A surprising text awaits the reader filled with intriguing and hitherto hidden knowledge for

example about hidden symmetry and what most do not yet know about the Gregorian calendar created in 1582 What is the symbol of our life that is hidden in the 365 day Gregorian calendar **Freud and the Dora Case** Cesare

Romano,2018-05-15 Cesare Romano revisits Dora s clinical case in light of Freud s own seduction theory His central thesis is that Freud failed to follow through with his initial proposition of confirming his theories on the traumatic aetiology of hysteria He also suggests a new dating for the duration of Dora s therapy placing the beginning of the analysis within the context of Freud s concurrent and recent life events A detailed analysis of Dora s first dream shows that Freud did not go back to Dora s first infantile traumas but stopped instead at the period of her infantile masturbation In analysing this dream Romano s theory begins to take shape around the idea that Dora suffered an early trauma possibly a sexual abuse inflicted by her father Drawing on Ferenczi the author uses the notion of the traumatolytic function of the dream to show that Dora through her two dreams was elaborating her early sexual trauma Dora s analysis is investigated alongside what was happening in Freud s life at the time of the therapy 91 Gordon Street Theodore Lyons,2008-08-28
