

What Is Intimacy?

Intimacy is a sense of closeness, the ability to trust and share privileged information with another person. It means a strong emotional connection, such as love or trust.. So, while these feelings of emotional connection or love can be present during sexual interactions, this isn't the only time intimacy exists. One can be intimate with others in many ways outside of romantic relationships.

Sexual Relationship:

Young People's Lives and Sexual Relationships in Rural Africa Mary Louisa Plummer, Daniel Wight, 2011-08-16 New infections with HIV remain an urgent problem among young people in Africa but many young Africans pursue sexual relationships with little thought about the epidemic This book examines young people's sexual relationships in a region typical of rural sub-Saharan Africa and investigates why the risk of HIV infection generally was not a salient concern for them It is based on an extraordinarily large and representative qualitative study that was affiliated with an adolescent sexual health intervention trial and included three person years of participant observation conducted by young East Africans in nine Tanzanian villages The book describes typical patterns of sexual relationship formation in adolescence and early adult life the variety of young people's relationships and practices and the contradictory social ideals and expectations that led premarital and extramarital relationships to be concealed Young men's main motivations for sex were pleasure and masculine identity while young women's was to receive money or materials to meet their basic needs such as soap or a daytime meal By their late teens most young people had experienced one time sexual encounters open ended opportunistic relationships and main sometimes semi public partnerships Relationships could involve desire possessiveness and affection but romantic idealization of a partner was rare Many young people expected their partners to be monogamous but themselves had had concurrent relationships by age 20 The practice of hiding premarital sexual relationships from adults often also concealed them from other sexual partners which helped maintain concurrency and inhibited realistic risk perception Understanding of the biology of HIV AIDS was very limited Condoms were rarely used because they were associated with reduced pleasure infection and promiscuity Sexually transmitted infections were common but several factors hindered young people from seeking biomedical treatment for them Many instead relied on tradition

Consent to Sexual Relations Alan Wertheimer, 2003-09-18 An important discussion of philosophical issues surrounding consent to sexual relations

The Origins and Role of Same-Sex Relations in Human Societies James Neill, 2011-10-17 This groundbreaking work draws on a vast range of research into human sexuality to demonstrate that homosexuality is not a phenomenon limited to a small minority of society but is an aspect of a complex sexual harmony that the human race inherited from its animal ancestors Through a survey of the patterns of sexual expression found among animals and among societies around the world and an examination of the functional role homosexual behavior has played among animal species and human societies alike the author arrives at some provocative conclusions that a homosexual or bisexual phase is a normal part of sexual development that same sex relations play an important balancing role in regulating human reproduction that many societies have institutionalized homosexual traditions in the past and that the harsh condemnation of homosexuality in Western society is a relatively recent phenomenon unique among world societies throughout history This well researched and meticulously documented book is the first that integrates into a coherent picture the startling revelations about human sexuality coming from the recent work of sexual

researchers psychologists anthropologists and historians The view that emerges of an ambisexual human species whose complex sexual harmony is being thwarted by the imposition of an artificial understanding of nature represents a new way of thinking about sex Forced Sexual Intercourse in Intimate Relationships Ida M. Johnson, Robert T. Sigler, 2018-12-18

Published in 1997 Literature is reviewed relating to those behaviours which have traditionally been referenced as date rape acquaintance rape or rape by a friend or someone known to the victim Forced sexual intercourse in intimate relationships is placed in both an historical context and a conceptual context Limited published and unpublished data from the authors research are included in appropriate chapters The theory chapter ends with the presentation of a rudimentary model for examining forced sexual intercourse in intimate relationships developed by the authors The topics of domestic violence courtship violence and forced sexual intercourse are highly controversial and tend to be dominated by those who are promoting specific political agendas Much of the work in this field has been written from the feminist perspective with recent works appearing which oppose the feminist perspective This work is neither feminist nor anti feminist in its approach It is analytical and as much as possible in a politized environment analytical and neutral Afro-Caribbean Dynamics of Sex and Relationships Kai A.D. Morgan Campbell, 2025-07-31 Afro Caribbean Dynamics of Sex and Relationships Reclaiming the Caribbean Sexual Narrative examines the complexities of sexuality and relationships in the Caribbean shaped by colonial legacies cultural norms and evolving gender roles Through seven original research studies it explores a wide range of topics related to sexuality and intimate relationships including body image and sexual satisfaction sexual socialization and communication perceptions of unconventional relationships the psychological impact of adverse childhood experiences on intimate relationships family structure s influence on sexual identity sexual decision making among Caribbean youth and the intersections of mental health trauma and intimacy This book challenges Eurocentric narratives offering a culturally grounded framework for understanding Afro Caribbean sexuality Bridging psychology sociology and history it is essential reading for scholars researchers and academics in gender sexuality Caribbean studies and postcolonial mental health

Adolescent Romantic Relations and Sexual Behavior Paul Florsheim, 2003-07-18 Developmental and clinical researchers have only just discovered the phenomenon of adolescent romance as a topic of serious scientific inquiry This discovery may be related to the overwhelming evidence that adult romantic relationships are failing at alarming rates Dramatic increases in the rates of divorce out of wedlock childbirth and relationship violence lead to questions about the developmental precursors of romantic love and commitment What s wrong with love and can it be fixed This book brings together a diverse group of experts from various disciplines to address a serious gap in the understanding of adolescent development Part I focuses on romantic relations and sexual behavior from the perspective of normative adolescent development Part II centers on high risk adolescents and Part III explores the practical implications of current theory and research for clinicians educators and health administrators Together the chapters in this integrative and clinically useful book lay a foundation for understanding how

adolescents successfully navigate the tumultuous waters of young love

Handbook of Sexuality-Related Measures

Clive M. Davis, 1998 Fundamental to understanding human sexual expression is reliable and valid measurement and assessment. Many instruments have been developed to measure a myriad of sexuality related states, traits, behaviours and outcomes. Few are easily accessible and the information is often limited concerning appropriate use and psychometric properties. To counter these problems, the Handbook of Sexuality Related Measures reproduces more than 200 instruments accompanied by essential information for their use in research, educational and clinical settings. Each chapter describes the development and appropriate use of each instrument. Reliability and validity data are summarized and referenced.

Loving Him without Losing You Beverly Engel, 2001-06-01 Are you a Disappearing Woman? Beverly Engel has identified a widespread problem and provided women with wise guidelines for bursting through it. She writes with compassion and insight. If you think you are a Disappearing Woman, you will drink in this book as if it were a health giving elixir. It is Susan Page, author of *How One of You Can Bring the Two of You Together* and *If I'm So Wonderful Why Am I Still Single*. This remarkably helpful book offers new insights into why so many women surrender their individuality in relationships. Don't wait until your hair is on fire to read it. Maxine Schnall, founder and Executive Director of Wives Self Help. A book of depth and power. I highly recommend it not only to women who lose themselves in their relationships with men but to the parents of adolescent girls who need to be taught how to view themselves as valuable beings separate from their relationships with men and boys. Michael Gurian, author of *The Good Son* and *A Fine Young Man*. Do you frequently find yourself putting your lover's needs ahead of your own? Do you tend to lose yourself in your romantic relationships? Have you ever neglected your career, your friends or even your health while in the midst of a love affair? Now in this landmark book, Beverly Engel examines the intricate reasons why so many women submerge themselves in their relationships with men and offers a straightforward empowering program that you can use to free yourself from the powerful grip of this all too common problem and rediscover yourself as a Woman of Substance.

Sex & Relationships John P. Elia, Ivy Chen, 2005 *Un-Roman Sex* Tatiana Ivleva, Rob Collins, 2020-04-23 *Un Roman Sex* explores how gender and sex were perceived and represented outside the Mediterranean core of the Roman Empire. The volume critically explores the gender constructs and sexual behaviours in the provinces and frontiers in light of recent studies of Roman erotic experience and flux gender identities. At its core, it challenges the unproblematised extension of the traditional Romano-Hellenistic model to the provinces and frontiers. Did sexual relations and gender identities undergo processes of provincialisation or barbarisation similar to other well known aspects of cultural negotiation and syncretism in provincial and border regions for example in art and religion? The 11 chapters that make up the volume explore these issues from a variety of angles providing a balanced and rounded view through use of literary, epigraphic and archaeological evidence. Accordingly, the contributions represent new and emerging ideas on the subject of sex, gender and sexuality in the Roman provinces. As such, *Un Roman Sex* will be of interest to higher level undergraduates.

There's No Such Thing as a Sexual Relationship Alain Badiou, Barbara Cassin, 2017-03-28 Published in 1973 L
Etourdit was one of the French philosopher Jacques Lacan's most important works. The book posed questions that traversed the entire body of Lacan's psychoanalytical explorations including his famous idea that there is no such thing as a sexual relationship which seeks to undermine our certainties about intimacy and reality. In *There's No Such Thing as a Sexual Relationship* Alain Badiou and Barbara Cassin take possession of Lacan's short text thinking with Lacan about his propositions and what kinds of questions they raise in relation to knowledge. Cassin considers the relationship of the real to language through a Sophist lens while the Platonist Badiou unpacks philosophical claims about truth. Each of their contributions echoes back to one another offering new ways of thinking about Lacan's seminal ideas and his role in advancing philosophical thought.

Introduction to Sex Gilad James, PhD, The concept of sex has been a topic of interest and discussion for centuries. It is defined as a biological process that enables living organisms to reproduce by combining genetic material from two individuals. Sexual reproduction involves the transfer of genetic material from a male gamete such as sperm to a female gamete such as an egg. This process can occur through various means including sexual intercourse, artificial insemination, and in vitro fertilization. Sex is not only a biological process but it also has social and cultural implications. Societies throughout history have placed various taboos and restrictions on sexual behavior and the concept of sex has been subjected to moral scrutiny. Additionally, gender identity and sexual orientation are significant factors in sexual behavior and identity. Gender identity refers to one's sense of being male or female while sexual orientation refers to the gender(s) to which a person is attracted. Together these factors shape individual experiences of sex and sexuality highlighting the complex interplay between biological, social, and cultural factors.

Dynamics of Romantic Love Mario Mikulincher, Gail S. Goodman, 2006-03-14 A theoretically and empirically rich exploration of universal questions, this book examines the interplay of three distinct behavioral systems involved in romantic love. This integrative volume will be of interest to both researchers and clinicians.

Sexual Medicine in Clinical Practice Klaus M. Beier, Kurt K. Loewit, 2012-11-05 Call it a remnant of our Victorian past but sexual concerns lag behind other aspects of health both in the training of physicians and therapists and in the way they impart this knowledge to clients. But as sexuality gains recognition as crucial to one's quality of life, evidence-based methods of understanding and discussing sex are imperative and not only in treating pathology. *Sexual Medicine in Clinical Practice* provides framework, rationale, and strategies for both approaching sexual problems and addressing patients' questions about sexual health, behavior, and relationships. Analyzing sexuality along three dimensions: attachment, reproduction, and desire, this concise manual offers a biopsychosocial lifespan model readily translatable into clinical work. This syndyastic framework integrates attachment and relational theory to reinforce the bond between intimacy and connectedness and models nonjudgmental approaches to disorders of sexual function, maturity, preference, and behavior. The

authors salutogenic rather than pathogenic focus lets clients become major players in their own healing and the therapist or doctor serve as expert and guide Among the topics covered The communicative function of sexuality The spectrum of sexual disorders Principles of diagnostics in sexual medicine Disease centered versus client centered aspects of sexual therapy Therapeutic approaches for sexual traumatization New challenges including preventing child sexual abuse and online sex crime Plus case studies interdisciplinary references and ethical issues A timely perspective and practice altering volume Sexual Medicine in Clinical Practice is essential reading for family and primary care physicians family and sex therapists health psychologists and psychiatrists Conjugal Trajectories Ana Josefina Cuevas Hernández, Sampson Lee Blair, 2023-05-15 Multidisciplinary in scope and using predominantly qualitative approaches Conjugal Trajectories Relationship Beginnings Change and Dissolutions focuses upon relevant trajectories to better comprehend the evolving nature of conjugal relationships and its implications for family life moving forward **Resolving Ethical Dilemmas** Bernard Lo, 2012-01-03 This timely Fourth Edition offers clinicians expert guidance in approaching a wide range of ethical dilemmas and developing an action plan Most chapters include real life sample cases that the author walks through discussing the salient issues and how to approach them This edition includes a new chapter on ethical issues in cross cultural medicine and new material on conscientious objection by physicians in reproductive health and other areas Other topics addressed include disclosure of errors to patients gifts to physicians from drug companies involuntary psychiatric treatment genomic medicine and ethical issues during public health emergencies such as pandemics The updated discussion of organ transplantation includes increasing the donor pool and non heart beating donors **The Theatre of Love, Sex, Marriage and Beyond** Gaglozoo H. Sexual Relationship Introduction

In today's digital age, the availability of Sexual Relationship books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sexual Relationship books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sexual Relationship books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sexual Relationship versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sexual Relationship books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sexual Relationship books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sexual Relationship books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sexual Relationship books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sexual Relationship books and manuals for download and embark on your journey of knowledge?
