Sexual Revolution In Russia From The Age Of The Czars To Today:

The Sexual Revolution in Russia Игорь Семенович Кон, 1995 Sexual Revolution in Bolshevik Russia Gregory Carleton, 2010-06-15 Gregory Carleton offers a comprehensive literary and cultural history of sex and society in the Soviet Union during the 1920s The Bolshevik Revolution promised a total transformation of Russian society down to its most intimate details But in the years immediately following 1917 it was by no means clear how this would come about Sex and sexuality became a crucial battleground for debates about the Soviet future and literature emerged as a primary domain through which sex could be imagined and discussed Despite optimistic claims that bolshevism would overcome bourgeois depravity the writings of the 1920s in all genres were awash in sexual adventure promiscuity various chauvinisms date and gang rape unwanted pregnancy and sexually transmitted diseases as well as sex related alcohol abuse depression and suicide In discussions about sex party officials contradicted themselves sociologists grappled with difficult social problems and writers experimented in fictional form with modern identities and relationships Drawing on an uncommonly varied body of sources including novels journals diaries sociological research public health brochures surveys and party documents many examined here for the first time in English Carleton reveals the dramatic bizarre and intriguing ways the sexual revolution was discussed and represented Amidst this chaos he discerns a historical process of codification and reaction leading ultimately to the quelling of debate in the 1930s through the harsh dictates of Stalinism *Sexual Revolution in Bolshevik Russia* challenges Western writers who portray revolutionary Russia as either prudish or hedonistic by reconstructing a fuller picture of what circulated in Bolshevik culture and why Carleton brings a complex human dimension to the subject demonstrating that this controversy should not be viewed as a sideshow curiosity but rather as a central aspect of the dramatic debates on early Soviet literature and culture *Sexual Revolutions* Gottfried Heuer, 2010-11-17 The ideas of psychoanalyst Otto Gross 1877 1920 have had a seminal influence on the development of the psychoanalytic discipline and yet his work has been largely overlooked *Sexual Revolutions* introduces the work of Otto Gross to the academic and clinical fields of psychoanalysis and Jungian Analysis **The Birth of the Body: Russian Erotic Prose of the First Half of the Twentieth Century** Alexei Lalo, 2012-10-19 This anthology of Russian erotic writings of 1900 to 1940 consists of texts previously unavailable in English They all reflect the fascinating albeit laborious nature of the birth of the body in the Russian literature and culture of the period *Gender and Sexuality in Russian Civilisation* Peter I. Barta, 2013-06-17 *Gender and Sexuality in Russian Civilisation* considers gender and sexuality in modern Russia in the nineteenth and early twentieth centuries Chapters look individually at gender and sexuality through history art folklore philosophy or literature but are also arranged into sections according to the arguments they develop A number of chapters also consider Russia in the Soviet and post Soviet periods Thematic sections include Gender and Power Gender and National Identity Sexual Identity and Artistic Impression Literary Discourse of Male and Female Sexualities Sexuality and Literature in Contemporary Russian Society

The Cultural Context of Sexual Pleasure and Problems Kathryn S. K. Hall, Cynthia A. Graham, 2012-09-10 Using rich case material and research presented by distinguished authorities in the fields of sex couple family and psychotherapy this edited book contributes to our efforts to help individuals and couples increase their sexual satisfaction The authors explore social and cultural backgrounds the meaning of sexual problems in specific cultural contexts and the way in which culture presents challenges to traditional psychotherapy More importantly they answer the question should therapists accept any and all behaviors values and attitudes that are considered normal even if they violate the therapist's own cultural standards The case studies identify challenging cultural issues and provide clinicians with culturally sensitive treatment options The book's sections also separate chapters based on the degree to which psychological treatments are recognized and utilized for dealing with sexual problems in different countries making it an ideal reference for professionals and students The concluding chapter looks at culture through the lens of the provider rather than the patient and ties together the major themes and questions posed

Builders and Deserters Peter Konecny, 1999 Konecny history Carleton U explores how students in the rapidly expanding higher education system in Leningrad attempted to accommodate personal ambition and cultural tradition with the obligations that came with their privileged status He discusses changes in the higher education system and everyday life from the pre Revolutionary period to the beginning of WWII considering the world of politics and political activism training in and out of the classroom and the ways in which students both conformed to and deviated from explicit standards of social conduct under Stalinism Canadian card order number C99 900681 9 Annotation copyrighted by Book News Inc Portland OR

Soviet Society in the Era of Late Socialism, 1964-1985 Neringa Klumbyte, Gulnaz Sharafutdinova, 2013 What did it mean to be a Soviet citizen in the 1970s and 1980s How can we explain the liberalization that preceded the collapse of the USSR This period in Soviet history is often depicted as stagnant with stultified institutions and the oppression of socialist citizens However the socialist state was not simply an oppressive institution that dictated how to live and what to think it also responded to and was shaped by individuals' needs In *Soviet Society in the Era of Late Socialism 1964-85* Neringa Klumbyte and Gulnaz Sharafutdinova bring together scholarship examining the social and cultural life of the USSR and Eastern Europe from 1964 to 1985 This interdisciplinary and comparative study explores topics such as the Soviet middle class individualism sexuality health late socialist ethics and civic participation Examining this often overlooked era provides the historical context for all post socialist political economic and social developments

AIDS in Europe Jean-Paul Moatti, 2000 Major changes in the nature and dynamics of the AIDS epidemic over the last few years are reflected in changing epidemiological trends as well as in the progress made in biomedical research and treatment AIDS in Europe brings together papers from leading social science researchers to look at the opportunities and challenges these changes bring and the different ways in which they are being responded to in both western and eastern Europe Papers are organised under three headings new challenges for HIV prevention care of people living with HIV AIDS in a new therapeutic

context AIDS public policies from specialisation to normalisation AIDS in Europe provides a comprehensive overview of current social and behavioural research on HIV and AIDS for all health professionals **Gender and Identity around the World** Chuck Stewart,2020-11-09 This book provides an indispensable resource for high school and college students interested in the history and current status of gender identity formation and maintenance and how it impacts LGBTQ rights throughout the world Gender and Identity around the World explores a variety of gender and LGBTQ experiences and issues in countries from all the world's regions Guided by more than 50 recognized academic experts readers will examine how gender and LGBTQ identities are developed fought for perceived and policed in countries as diverse as France Brazil Russia Jordan Iraq and China Each chapter opens with a general introduction to a country or group of countries and flows into a discussion of gender and identity in terms of culture education family life health and wellness law work and activism in that region of the world A section on contemporary issues specific to the country or group of countries follows this discussion

Soviet and Post-Soviet Sexualities Richard C.M. Mole,2019-01-23 Despite Soviet Russia having been one of the first major powers to decriminalise homosexual acts between men attitudes towards lesbian gay bisexual and transgender LGBT people in contemporary Russia and the other post Soviet states have become increasingly hostile with the introduction of laws restricting their rights and an increase in homophobic violence This book explores how this situation has come about It discusses how meanings attached to non heteronormative sexualities have been constructed for specific socio political purposes by elites in line with Marxist Leninist or nationalist thought explores how attitudes to non normative sexualities developed historically and examines the current situation in the post Soviet space including Russia Transcaucasia Central Asia and the Baltic States The book provides a wealth of detail on this understudied subject and assesses how LGBT subjects are responding to this state of affairs *The Transformation of Tajikistan* John Heathershaw,Edmund Herzig,2013-09-13 Tajikistan is one of the lesser known and least researched former Soviet Central Asian republics The birth of the new state in 1991 was followed closely by a civil war which killed more than 50 000 people and displaced many tens of thousands more While a peace agreement was signed in 1997 significant political violence continued until 2001 and intermittent outbreaks still occur today Many claim it remains a very weak state and perhaps in danger of state failure or a return to civil war However the revival of Tajikistan should not simply be seen in terms of its post conflict stabilization Since its creation as a republic of the Soviet Union in 1920s Tajikistan has been transformed from being a shell for socialist engineering to become a national society under a modern state Despite a multitude of economic social and political shocks the Republic of Tajikistan endures This book places the transformation of Tajikistan in its Soviet and Post Soviet historical settings and local and global contexts It explores the sources of a state with Soviet roots but which has been radically transformed by independence and its exposure to global politics and economics The authors address the sources of statehood in history Islam and secularism gender relations the economy international politics and security affairs This book is a new edition of a special issue of Central

Asian Survey Tajikistan the sources of statehood including two additional papers and a revised introduction

Sexuality, Nudity and the Body in Soviet Cinema Birgit Beumers, Catherine Géry, Eugénie Zvonkine, 2025-07-18 This book explores evocations of and allusions to sexual desire in Soviet cinema 1919 1991 By deploying several lines of investigation from the cult of the masculine strong body in Stalinist cinema to the shifting signification of the naked body male and female in post war cinema and to the display of a sexualised body in the late Soviet era this book establishes the extent to which Soviet cinema actually did reveal sexuality It also explores how external political and social factors impacted representation Overall the contributions challenge the narrative of Soviet cinema as an art form where the representation of sexuality was taboo and outline shifts in the concepts of the naked and sexualised body of sexuality and sexual relationships This book will be of interest to scholars and researchers in the field of film studies Slavic and Soviet studies cultural studies politics and gender studies

The Dark Heart of Utopia Kirk Rodby, 2009 This book establishes structural similarities between the ideological systems of modern totalitarian movements and the ideological systems of earlier mass movements It also establishes sociological similarities in the societies which generate such movements and explains how sociological changes fuel the rise of totalitarian movements Issues of sexuality and reproduction are found to constitute the core of the totalitarian ideology and changes in sexual sociology are found to constitute the cause of such movements

Sexual Lifestyle in the Twentieth Century E. Haavio-Mannila, O. Kontula, A. Rotkirch, 2001-12-17 This study presents us with an insightful sociological exploration of sexual practice within five different types of relationship and from varying perspectives of gender and age lifelong love serial loves searching devitalized relations and parallel relations Based on the accounts of almost two hundred adults in Finland these real life experiences reflect the way in which sexuality has evolved both within the lifetime of the individual and over generations Also examined is the impact of major historical events on love and sexual relationships from war to economic crisis and that of the spirit of the age from the emancipatory zeal of the 1960s to the new age holistic ideals in the 1980s

Prescription for Heterosexuality Carolyn Herbst Lewis, 2010-10-18 In Prescription for Heterosexuality Carolyn Herbst Lewis explores how medical practitioners especially family physicians situated themselves as the guardians of Americans sexual well being during the early Cold War years She argues that many doctors believed that a satisfying sexual relationship with very specific attributes and boundaries was the foundation of a successful marriage a source of happiness in the American family and a crucial building block of a secure nation Drawing on hundreds of articles and editorials in both medical journals and popular and professional literature Lewis traces how medical professionals affirmed certain heterosexual desires and acts while labeling others as unhealthy or deviant

The Palgrave Handbook of Digital Russia Studies Daria Gritsenko, Mariëlle Wijermars, Mikhail Kopotev, 2020-12-15 This open access handbook presents a multidisciplinary and multifaceted perspective on how the digital is simultaneously changing Russia and the research methods scholars use to study Russia It provides a critical update on how Russian society politics economy and culture are

reconfigured in the context of ubiquitous connectivity and accounts for the political and societal responses to digitalization. In addition, it answers practical and methodological questions in handling Russian data and a wide array of digital methods. The volume makes a timely intervention in our understanding of the changing field of Russian Studies and is an essential guide for scholars, advanced undergraduate and graduate students studying Russia today. [Sex Work in Contemporary Russia](#) Emily Schuckman Matthews, 2023-02-13. *Sex Work in Russia* weaves together a wide range of materials to examine the figure of the female sex worker in Russia from the early twentieth century to the present day. This book offers readers both an expansive and nuanced discussion of the significance of this archetypal female who appears with remarkable frequency in literature, film, and other cultural productions. Emily Schuckman Matthews explores the ways in which the fictional sex worker and her real-life counterpart has become a symbolic representative of social and moral instability, economic volatility, political, social, and ideological revolutions, and changing concepts of gender, sexuality, and the nation itself. Focus is given to the movement of the female sex worker from marginal foil to a hero in her own right, even finding a voice of her own in recent years. Works featuring this alluring and complex figure reveal critical insights into the changing position of women and other marginalized people in a volatile Russia. *Biographical Research in Eastern Europe* Robert Miller, 2017-11-22. This title was first published in 2003. The transition from socialism experienced by the countries of Eastern and Central Europe during the last decade has been recognised as a profound historical watershed. It is only now, however, that the meanings and dimensions of post-socialism are becoming apparent. The use of the biographical perspective in research provides a unique avenue for studying these changes. *Biographical Research in Eastern Europe* is the only edited volume that brings the work of many of the most advanced and active biographical researchers working on Eastern Europe together in one volume. The book is organized into four parts. *The Potential of Biographical Research* explores the methodological issues. Arguments for the appropriateness of the biographical approach as a humanistic perspective are put forward, and emphasis is laid on its fruitfulness for research into everyday lives and for the study of identity construction, with particular reference to transition. *Communists, Informers and Dissidents* deals with the structural features of Soviet regimes, with a particular focus on the problematic divisions between public and private spheres of life. *The Impact of Social Change* demonstrates the value of the biographical approach as an instrument for the study of social and cultural change. *Exile, Migration and Ethnicity* centres on the problem of constructing and maintaining ethnic identities under repression, a context that can be seen as disturbing life trajectories and framing the life story. Covering a wide range of post-socialist countries, the chapters are unified by a common research perspective and an informative introduction that identifies common themes across the selections. *Performing Peace and Friendship* Pia Koivunen, 2022-11-07. *Performing Peace and Friendship* tells the story of how the Soviet Union succeeded in utilizing the World Festival of Youth and Students in its cultural diplomacy from late Stalinism through the early Khrushchev period. Pia Koivunen discusses the evolution of the youth gathering into a Soviet cultural product starting from

the first festival held in Prague in 1947 and ending with the Moscow 1957 gathering the latter becoming one of the most frequently referred moments of Khrushchev's Thaw By combining both institutional and grass roots perspectives the book widens our understanding of what Soviet cultural diplomacy was in practice re evaluates the agency of young people and provides new insights into the Soviet role in the cultural Cold War Koivunen argues that rather than simply being orchestrated rallies by the Kremlin bureaucrats the World Youth Festivals also became significant spaces of transnational encounters for young people who found ways to employ the event for overcoming the various restrictions and boundaries of the Cold War world

Sexual Revolution In Russia From The Age Of The Czars To Today Book Review: Unveiling the Magic of Language

Sexual Revolution In Russia From The Age Of The Czars To Today Introduction

In today's digital age, the availability of Sexual Revolution In Russia From The Age Of The Czars To Today books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sexual Revolution In Russia From The Age Of The Czars To Today books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sexual Revolution In Russia From The Age Of The Czars To Today books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sexual Revolution In Russia From The Age Of The Czars To Today versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sexual Revolution In Russia From The Age Of The Czars To Today books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sexual Revolution In Russia From The Age Of The Czars To Today books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sexual Revolution In Russia From The Age Of The Czars To Today books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a

non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sexual Revolution In Russia From The Age Of The Czars To Today books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sexual Revolution In Russia From The Age Of The Czars To Today books and manuals for download and embark on your journey of knowledge?

FAQs About Sexual Revolution In Russia From The Age Of The Czars To Today Books

1. Where can I buy Sexual Revolution In Russia From The Age Of The Czars To Today books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
