Jung,2014-12-18 Though Jung s main researches have centred on the subject of individuation as an adult ideal he has a unique contribution to make to the psychology of childhood Jung repeatedly underlined the importance of the psychology of parents and teachers in a child s development and he emphasized that an unsatisfactory psychological relationship between parents may be an important cause of disorders in childhood He maintained that all real education of children needs teachers who not only know how to learn but who can also develop their own personalities Jung devotes a large part of the book to expounding his views on these important subjects There is also an outline of the theory of child development a delightful snapshot from the life of a girl called Anna and her parents and a stimulating discussion of marriage as a psychological relationship Finally there is a chapter on child development and individuation *The Journal of Neurology and Psychopathology* ,1923

Wishfulfillment and Symbolism in Fairy Tales Franz Ricklin,2022-08-10 In Wishfulfillment and Symbolism in Fairy Tales Franz Ricklin meticulously explores the intricate interplay between desire and representation within classic fairy tales

Drawing on psychoanalytic theory and symbolic frameworks Ricklin delves into how these narratives serve as conduits for collective wishes and aspirations while also unveiling the complex emotions hidden beneath their surface The text is characterized by its scholarly rigor and an accessible prose style making it relevant not only to literary critics but also to those interested in psychology folklore and cultural studies providing a comprehensive examination of these timeless stories that continue to resonate in contemporary culture Franz Ricklin s profound engagement with fairy tales is rooted in both personal and academic exploration An esteemed comparative literature scholar Ricklin has dedicated much of his career to the study of narrative forms and their psychological underpinnings His deep understanding of folklore and its cultural significance combined with his sensitivity to the nuances of human desire lends a unique perspective to this work allowing him to connect traditional tales with modern human experiences in a way that is both insightful and innovative I highly recommend *Wishfulfillment and Symbolism in Fairy Tales* to readers seeking to uncover the deeper meanings embedded in these beloved stories Ricklin s analysis not only enriches our understanding of fairy tales but also invites us to reflect on our own desires and the symbols we encounter in everyday life This book is essential for anyone interested in the convergence of literature psychology and culture

How Sexual Desire Works Frederick Toates,2014-09-18 Shows how the diversity of sexual desires both normal and unusual emerge from the interactions between underlying brain processes

All That I Am, I Think! Peter Britt,2007-07-26 I attempted in my book to relay who I am through my writing and expressing my innermost feelings in regards to many different aspects of life Not life as some might try to reveal its secrets but life as what it is As merely a man who thinks and loves A man who hurts and laughs and sings to the world to give of who he is in the hopes that some may understand what his words mean what he truly is inside To be known for who I truly am Yes it is that important No different from my music It was necessary to say it and for all to hear What I see every day what I feel To love and to be loved love is everything These things and more I poured of myself into my book to reveal myself fully to you To allow you to see what I feel in regards to many things and to possibly agree or to at least think about what you ve read To do this to me is true success To make even a small difference
