Sexual Morality A Catholic Perspective

Charles E. Curran

Sexual Morality A Catholic Perspective:

Sexual Morality Philip S. Keane, 1977 *Sexual Morality* Philip S. Keane, 1980 **In Pursuit of Love** Vincent J. Genovesi, 1996 While retaining the basic structure of the original book this new edition has been thoroughly updated in light of some official Catholic documents and other theological writings dealing with sexual morality that have appeared since 1986 The Catechism of the Catholic Church Pope John Paul II's encyclicals *Veritatis splendor* and *Evangelium vitae* and the 1986 and 1992 statements of the Congregation for the Doctrine of the Faith on pastoral care of homosexuals and the issue of discrimination against them are among the more recent magisterial publications considered in this text This edition also contains several new sections the misuses of sex adultery pornography prostitution sexual violence four rationales for viewing a committed love relationship as the only appropriate context for sexual intercourse marriage as a sacrament and marital sexuality and love as embodiments of commitment intimacy and passion and public policy and the civil rights of homosexuals This edition also includes an expanded discussion of topics such as sexism sexually transmitted diseases especially HIV AIDS and the moral questions raised by new family planning methods Norplant Depo Provera RU 486 postcoital hormonal interventions against pregnancy the start of human life and abortion Vincent J Genovesi SJ received his PhD in Christian ethics from Emory University He is a professor at St Joseph's University in Philadelphia His articles have appeared in such journals as *The Thomist* *The Way* *America* and *Review for Religious* **Sex and Virtue** John S. Grabowski, 2003 This book discusses the moral dimensions of human sexuality from a Roman Catholic perspective

Catholic Sexual Ethics William May, Ronald Lawler, Joseph Boyle, 2011-08-25 The authoritative work on the Church's teaching on sexual morality has been thoroughly updated to address dimensions of this complex topic that have emerged in the late 20th and early 21st centuries Since publication of the 2nd edition of *Catholic Sexual Ethics* the philosophical landscape of human sexuality has dramatically changed The rise of such concerns as moral relativism the drive for same sex unions and a drastic redefinition of marriage and family have underscored the need for an unambiguous up to date understanding of Catholic sexual teaching Features Summary of Catholic teaching on sexuality from biblical times to our own Presentation of principal elements of the teaching of Pope Benedict XVI on marriage in the early years of his pontificate Discussion of the Congregation for the Doctrine of the Faith's 2003 Considerations Regarding Proposals to Give Legal Recognition to Unions Between Homosexual Persons Integration of more recent materials that clarify issues into the existing framework of the book Whether you are involved in ministry education or catechesis you will benefit from having this essential resource near at hand *Christian Perspectives on Sexuality and Gender* Elizabeth Stuart, Adrian Thatcher, 1996 This collection of articles presents a variety of broadly Christian responses to issues such as sexuality and gender sexuality and spirituality gay and lesbian sexuality sexuality and violence sexuality and singleness and the family **Catholic Moral Theology in the United States** Charles E. Curran, 2008-04-11 In this magisterial volume Charles E Curran surveys the

historical development of Catholic moral theology in the United States from its 19th century roots to the present day He begins by tracing the development of pre Vatican II moral theology that with the exception of social ethics had the limited purpose of training future confessors to know what actions are sinful and the degree of sinfulness Curran then explores and illuminates the post Vatican II era with chapters on the effect of the Council on the scope and substance of moral theology the impact of Humanae vitae Pope Paul VI s encyclical condemning artificial contraception fundamental moral theology sexuality and marriage bioethics and social ethics Curran s perspective is unique For nearly 50 years he has been a major influence on the development of the field and has witnessed first hand the dramatic increase in the number and diversity of moral theologians in the academy and the Church No one is more qualified to write this first and only comprehensive history of Catholic moral theology in the United States *The Oxford Handbook of Theology, Sexuality, and Gender* Adrian Thatcher,2015 The Oxford Handbook of Theology Sexuality and Gender presents an unrivalled overview of the theological study of sexuality and gender These topics are not merely contentious and pervasive they have escalated in importance within theology Theologians increasingly agree that even the very doctrine of God cannot be contemplated without a prior grappling with each Featuring 41 newly commissioned essays written by some of the foremost scholars in the discipline this authoritative collection presents and develops the latest thinking in these areas Divided into eight thematic sections the Handbook explores methodological approaches contributions from neighbouring disciplines sexuality and gender in the Bible and in the Christian tradition controversies within the churches and within four of the non Christian faiths and key concepts and issues The final extended section considers theology in relation to married people and families gay and lesbian people bisexual people intersex and transgender people disabled people and to friends This volume is an essential reference for students and scholars which will also stimulate further research *Catholic Sexual Morality* Robert L. Fastiggi,2018-01-04 Many people today believe that the traditional Catholic view of sex is antiquated unrealistic and potentially harmful In Catholic Sexual Morality Dr Robert Fastiggi asks whether the permissive sexual attitude of today s culture is really contributing to deeper love better relationships and true happiness for men women children and families He begins with the example of St Augustine who recognized he was a slave to lust and in need of true freedom Fastiggi then examines the foundations for Catholic sexual morality in Scripture reason and human experience The hope is that people will realize that the Catholic Church is not against sex but sees sexual intimacy as something so beautiful and life giving that it requires the stability of marriage for its true and rightful expression Catholic Sexual Morality is grounded in the belief that the church s teachings on sex correspond to God s plan for human happiness These teachings are challenging and the church understands how easy it is to fail in sexual matters God s mercy however is more powerful than human weakness and sin This book explains the reasons why the Catholic Church teaches as she does on matters such as pornography masturbation fornication adultery contraception divorce and homosexual acts It presents these teachings in a realistic way with full recognition of the

reasons why people reject them The ultimate desire is to help people understand that Catholic sexual morality is not a creation of church leaders but a response to what God has made known to us in Sacred Scripture and the natural law In a world filled with infidelity divorce wounded children and broken hearts the wisdom of traditional Catholic sexual morality deserves a more sympathetic view not just because it is Catholic but because it is true The Catholic Church, Morality, and Politics Charles E. Curran, Leslie Griffin, 2001 A collection of articles that looks at the interconnected relationships involving religion morality and public policy from a variety of opinions and voices **John Paul II and Moral Theology** Charles E. Curran, Richard A. McCormick, 1998 A collection of articles that survey contemporary papal teaching on moral theology dealing specifically with economics gender sexuality and life issues Dynamic Catholicism Thomas Bokenkotter, 2010-06-30 Formerly Essential Catholicism this book has been retitled to reflect how through the centuries the Roman Catholic Church has evolved in many aspects of its teaching The new title also reflects how theologians today grapple with ever new ways of understanding many facets of Catholic belief and practice Who is Jesus Or Mary Who are the saints How are theologians trying to understand such topics as marriage divorce homosexuality What of social justice The relationship of conscience to papal authority Thomas Bokenkotter masterfully shows how these questions and many others have been answered in different ways through the centuries He also translates the latest theological writings on these topics into plain language My aim he says has been to sift through and select what seems most helpful and enlightening for those who seek an understanding of the essentials of Catholicism today Here then is a book for all Catholics those assured in their belief and those questioning it *The Routledge International Handbook of Sex Therapy and Religion* Caleb Jacobson, 2025-09-30 The Routledge International Handbook of Sex Therapy and Religion is an invaluable resource for clinicians religious scholars clergy and anyone interested in the intersection of religion and sexual health By weaving together psychological theories religious ethics and cultural competence this volume provides a holistic approach to sex therapy that honors the faith and values of diverse religious traditions This handbook is not only a testament to the importance of integrating religious and cultural perspectives in therapeutic practice but also a vital tool for religious scholars and clergy in understanding and addressing sexual health issues within their communities It serves as a call to action for greater competency in addressing the complex needs of religious clients in matters of sex sexuality and gender **Sex and the Marriage Covenant** John Kippley, 2014-01-23 The thesis of this book is that God intends that sexual intercourse should be at least implicitly a renewal of the marriage covenant From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act Thus the title Sex and the Marriage Covenant is an appropriate description of the book s contents Marriage comes into being by a couple unreservedly entering God s covenant of marriage contraceptive intercourse contradicts the very essence of the marriage covenant From these considerations Kippley developed the covenant theology of sexuality described in this book *Love, Reason, and God's Story* David Cloutier, 2008

The author of this book provides readers with a basic understanding of the history of Catholic teaching on sexual ethics particularly as it has evolved in the last half century *Developing Moral Imagination* Edward Stevens, 1997-01-01 The issues may change with the passing of the years but the categories of concern change very little sexuality and the sexes medical decision making justice for the poor the powerless the underclass reproductive decision making moral decision making in business and personal moral choices Stevens attempts to present alternative positions on hotly debated new moral issues from a different standpoint using an ethical pluralism approach In doing this he hopes to help readers arrive at their own non polarized positions by learning from and respecting all parties in the discussion Defining the New Testament Logia on Divorce and Remarriage in a Pluralistic Context Yordan Kalev Zhekov, 2009-01-01 Christian marriage is a permanent union which requires the commitment of both spouses for its maintenance through fulfillment of its stipulations The failure of the fulfillment of the latter provides legitimate grounds for divorce and remarriage of the innocent party This work employs a fourfold approach for the development of NT ethical argumentation based on Richard B Hays Moral Vision of the New Testament The author establishes the proper contextual grounds for the NT study through formulation of the Old Testament perspective on marriage as covenant The relevant NT passages are examined through historical critical and narrative critical methods A critical study of the main Christian traditions leads to an ecumenical formulation of the theological conclusions Pragmatic implementation of the thesis follows an examination of the contemporary pluralistic context and applications in both Christian communities and the larger society within its legislative system The Puzzle of Sex Peter Vardy, 2016-07 First Published in 1997 Routledge is an imprint of Taylor Francis an Informa company *Proportionalism* Bernard Hoose, 1987-12-01 One of the most heated debates in recent times among Christian ethicists has been over what has come to be called proportionalism Opponents have argued that proportionalists are intent on relativizing theology norms and the concept of intrinsic evil Proponents on the other hand argue that they are merely developing a traditional notion of proportion of reason Bernard Hoose puts this debate in context by showing its roots in the writings of European moral theologians and its flowering in the writings of their American colleagues He uncovers a number of confusions that have bedeviled the argument while revealing how important the issues are for establishing coherent Christian ethics in the twentieth century *Sex and Love in the Home, Second Edition* David M. McCarthy, 2011-01-01 This book inaugurates a completely new way of thinking about the ethics of marriage and sex I know of no book on the subject more promising than what McCarthy has achieved here Stanley Hauerwas Gilbert T Rowe Professor of Theological Ethics Duke University Much has been written in Christian theology about sex love and procreation but their social meanings and contributions are much more rarely addressed McCarthy now takes this greatly neglected task eloquently connecting the Christian household to the common good All those who want to realize the social vocation of the Christian family will find in this work a rich and challenging resource for understanding and for life Lisa Sowle Cahill J Donald Monan Professor of Theology Boston College

Drawing on his own experience of learning how to be a husband and father David Matzko McCarthy offers wonderfully incisive and readable reflections on the habits of the household a neighborly space which resists consumerism and enables sexual relationships to be ordinary meaningful and passionate If you think that all that Christian theology has to say about sex and relationships is twaddle about complementarity and family values then this is the book for you Gerard Loughlin
Senior Lecturer in Religious Studies University of Newcastle upon Tyne

As recognized, adventure as skillfully as experience practically lesson, amusement, as without difficulty as conformity can be gotten by just checking out a ebook **Sexual Morality A Catholic Perspective** plus it is not directly done, you could agree to even more on the subject of this life, almost the world.

We find the money for you this proper as without difficulty as easy pretension to get those all. We provide Sexual Morality A Catholic Perspective and numerous ebook collections from fictions to scientific research in any way. in the middle of them is this Sexual Morality A Catholic Perspective that can be your partner.

Sexual Morality A Catholic Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sexual Morality A Catholic Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sexual Morality A Catholic Perspective has opened up a world of possibilities. Downloading Sexual Morality A Catholic Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sexual Morality A Catholic Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sexual Morality A Catholic Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sexual Morality A Catholic Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sexual Morality A Catholic Perspective, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Sexual Morality A Catholic Perspective has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sexual Morality A Catholic Perspective Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
