- Emphasis on love, mutuality, co-creation
- Preparing young people for marriage
- Development of a moral conscience
- Liberation theology: Good News for the poor

Sexuality And Catholicism

Todd A. Salzman, Michael G. Lawler

Sexuality And Catholicism:

Sexuality and Catholicism Thomas Charles Fox,1995-08-22 A balanced broad summary of Catholicism s response to sexuality Kirkus Sexuality and Catholicism offers a concise and well rounded analysis of all the most important and most widely discussed issues concerning sexuality and Roman Catholicism The theme of this volume the sin of sexuality is as old as the creation story and as new as the Vatican s reassertion that divorced and remarried Catholics must choose between the sacraments and having sex in marriage A daily presence in the news this highly controversial subject affects millions within the church and millions more who look to the church for moral guidance *Sexuality and Catholicism* Thomas C Fox,2000-08-29 A balanced broad summary of Catholicism s response to sexuality Kirkus Sexuality and Catholicism offers a concise and well rounded analysis of all the most important and most widely discussed issues concerning sexuality and Roman Catholicism The theme of this volume the sin of sexuality is as old as the creation story and as new as the Vatican s reassertion that divorced and remarried Catholics must choose between the sacraments and having sex in marriage A daily presence in the news this highly controversial subject affects millions within the church and millions more who look to the church for moral guidance **The Sexual Person** Todd A. Salzman,Michael G. Lawler,2008-05-21 Two principles capture the essence of the official Catholic position on the morality of sexuality first that any human genital act must occur within the framework of heterosexual marriage second each and every marriage act must remain open to the transmission of life In this comprehensive overview of Catholicism and sexuality theologians Todd A Salzman and Michael G Lawler examine and challenge these principles Remaining firmly within the Catholic tradition they contend that the church is being inconsistent in its teaching by adopting a dynamic historically conscious anthropology and worldview on social ethics and the interpretation of scripture while adopting a static classicist anthropology and worldview on sexual ethics While some documents from Vatican II like *Gaudium et spes* the marital act promotes self giving by which spouses enrich each other gave hope for a renewed understanding of sexuality the church has not carried out the full implications of this approach In short say Salzman and Lawler emphasize relationships not acts and recognize Christianity s historically and culturally conditioned understanding of human sexuality The Sexual Person draws historically methodologically and anthropologically from the best of Catholic tradition and provides a context for current theological debates between traditionalists and revisionists regarding marriage cohabitation homosexuality reproductive technologies and what it means to be human This daring and potentially revolutionary book will be sure to provoke constructive dialogue among theologians and between theologians and the Magisterium Sexuality in Contemporary Catholicism Franz Böckle,Jacques Marie Pohier,1976 *Embracing Sexuality* Joseph Selling,2020-07-24 This title was first published in 2001 This text examines sexuality and interpersonal relationships in relation to the Catholic Church Topics discussed include spirituality sexuality bodiliness and sacramentality the female experience of sexuality authority and the development of Catholic tradition and sexual morality The Catholic Church on

Marital Intercourse Robert Obach, 2008-12-16 The Catholic Church on Marital Intercourse traces the development of the Church's theology of marital sexuality from New Testament times to the present day. The early ecclesial leaders promoted a theology of sexuality based on Stoicism's biological perception that sexual activity was solely for the purpose of reproduction. Only in the early twentieth century did a few theologians begin to move beyond discussing the purposes of marital intercourse to discussing the meaning that the marital act might have for the spouses themselves. With the Second Vatican Council 1962-1965, a new and positive view of marital sexuality emerged, recognizing the Pauline view that the couple's marital acts express their love for each other along the lines of Christ's love for his church (Ephesians 5). In sum, The Catholic Church on Marital Intercourse treats the way in which the Catholic Church has moved away from an attitude of conditional acceptance of marital intercourse on the basis of its utility to recognition that the dynamics of sexual union are both good and holy, not only because that is the way children are conceived but also because the marital act enhances the love of husband and wife for each other.

Human Sexuality in the Catholic Tradition Kieran Scott, Harold Daly Horell, 2007 Contemporary culture provides conflicting and confusing messages about the meaning and purpose of human sexuality, and often sex education that is offered often does not promote a mature, integrated understanding of sexuality. Human Sexuality in the Catholic Tradition meets the great need for pastoral guidance in addressing moral issues of sexuality in both the Church and broader culture today. Kieran Scott and Harold Horell, along with other leading scholars, explore how to draw from the best Christian faith traditions to renew our understanding of sexuality, explore the integration of our sexuality and our spirituality, and develop life-affirming and life-sustaining ways of approaching contemporary sexual issues. This book explores sexuality from spiritual, psychological, moral, and ministerial perspectives and addresses specific issues such as sex and marriage, celibacy, homosexuality, and cohabitation.

Inclusion and Sexuality in Catholic Higher Education Mark A. Levand, 2023-05-23 Drawing on research conducted at 17 Catholic universities in the United States, making it the largest study of its kind, this volume explores effective practice in improving institutional policy relating to issues of sexuality. The text calls attention to campus cultures of fear, shame, or denial around sexuality and highlights possible points of institutional resistance to changes in policy. Discussing topics such as sexual identity, sexuality education in the curriculum, Title IX, employee termination, and morality clauses, the book shows how staff and faculty are crucial in effecting change across Catholic campuses, providing valuable insight into the unspoken rules around sexuality within the shadow culture at Catholic institutions. Moreover, the text illustrates how institutions can maintain fidelity to Church teachings and even embrace notions of human dignity, solidarity, and the common good to achieve sexual inclusivity. A unique study demonstrating how Catholic teaching can help support inclusive change around issues of sexuality and gender in higher education, it ultimately puts forward a practical framework for effecting change and improving student and staff support structures in Catholic institutions. It will thus appeal to researchers and academics working in the fields of Higher Education Management, Gender

and Sexuality in Education Religion Gender and Sexuality and the Sociology of Religion *Human Sexuality* United States Catholic Conference,1991 Provides educational and informational guidance on the difficult questions and problems involved with human sexuality *Sexuality and the U.S. Catholic Church* Lisa Sowle Cahill,John Garvey,Thomas Frank Kennedy,2006 No issue in the contemporary Church evokes more controversy than sexuality In the wake of the clerical abuse scandals the Catholic Church has come under intense scrutiny criticized for being either too repressive or too lenient in its approach to human sexuality In *Sexuality and the U S Catholic Church* Lisa Sowle Cahill John Garvey and T Frank Kennedy S J introduce the work of leading Catholic theologians writers and scholars to help ground the conversation in the tradition identify modern day challenges and point to resources for the future Topics include homosexuality and marriage theology of the body possibilities and limitations views of celibacy past and present rebuilding community childbearing sexual discipleship and future challenges **The Unhealed Wound** Eugene C. Kennedy,2002-03-11 Kennedy a psychologist former priest and a leading Catholic author and scholar addresses one of the most compelling yet undiscussed issues in the Church human sexuality *The Unhealed Wound* is a penetrating and insightful study of the unresolved conflicts Catholics face regarding both their sexuality and spirituality deep conflicts which grow more and more serious as they remain unaddressed within the Church *The Unhealed Wound* also examines the Church s formidable hierarchy challenging those clerics who uphold papal edicts unthinkingly Articulating our need not only to understand but celebrate our own sexuality this book will engender both controversy and heated dialogue among today s scholars students and believers of Catholicism *In Pursuit of Love* Vincent J. Genovesi,1996 While retaining the basic structure of the original book this new edition has been thoroughly updated in light of some official Catholic documents and other theological writings dealing with sexual morality that have appeared since 1986 *The Catechism of the Catholic Church* Pope John Paul II s encyclicals *Veritatis splendor* and *Evangelium vitae* and the 1986 and 1992 statements of the Congregation for the Doctrine of the Faith on pastoral care of homosexuals and the issue of discrimination against them are among the more recent magisterial publications considered in this text This edition also contains several new sections the misuses of sex adultery pornography prostitution sexual violence four rationales for viewing a committed love relationship as the only appropriate context for sexual intercourse marriage as a sacrament and marital sexuality and love as embodiments of commitment intimacy and passion and public policy and the civil rights of homosexuals This edition also includes an expanded discussion of topics such as sexism sexually transmitted diseases especially HIV AIDS and the moral questions raised by new family planning methods Norplant Depo Provera RU 486 postcoital hormonal interventions against pregnancy the start of human life and abortion Vincent J Genovesi SJ received his PhD in Christian ethics from Emory University He is a professor at St Joseph s University in Philadelphia His articles have appeared in such journals as *The Thomist* *The Way* *America* and *Review for Religious* **Sexual Diversity and Catholicism** Joseph A. Coray,2015-04-09 The Roman Catholic Church has in recent decades sent mixed signals with regard

to discrimination based on sexual identity On the one hand official documents have condemned violence and verbal abuse directed at persons of different sexual orientation on the other hand the Church has approved and lobbied for certain types of discrimination in housing and employment for example and also with regard to marriage or civil unions Sexual Diversity and Catholicism focuses specifically on Roman Catholic magisterial teachings on sexual diversity It also wrestles with explicitly Roman Catholic views of the relationship among various sources of moral wisdom between Church teachings the Bible philosophy science and experience and how their interplay might contribute to the further development of Church teaching It addresses the issue of sexual diversity and its legitimate expression under the headings Interpreting Church Teachings Interpreting the Bible Interpreting Secular Disciplines and Interpreting Human Experience Part One Interpreting Church Teachings includes My Brother Dan by Bishop Thomas J Gumbleton Unitive and Procreative Meaning The Inseparable Link by James P Hanigan The Bridegroom and the Bride The Theological Anthropology of John Paul II and Its Relation to the Bible and Homosexuality by Susan A Ross and The Church and Homosexuality A Lonerganian Approach by Jon Nilson Part Two Interpreting the Bible contains The Promise of Postmodern Hermeneutics for the Biblical Renewal of Moral Theology by Patricia Beattie Jung Questions About the Construction of Homo sexuality Same Sex Relations in the Hebrew Bible by Robert A Di Vito Romans 1 26 27 The Claim That Homosexuality Is Unnatural by Leland J White The New Testament and Homosexuality by Bruce J Malina and Perfect Fear Casteth Out Love Reading Citing and Rape by Mary Rose D Angelo Part Three Interpreting Secular Disciplines includes insights from the human and social sciences Homosexuality Moral Theology and Scientific Evidence by Sidney Calahan Informing the Debate on Homosexuality The Behavioral Sciences and the Church by Isaiah Crawford and Brian D Zamboni and Harming by Exclusion On the Standard Concepts of Sexual Orientation Sex and Gender by David T Ozar Part Four Interpreting Human Experience brings the voices of two of the Church's faithful women Papal Ideals Marital Realities One View From the Ground by Cristinal H Traina and Catholic Lesbian Feminist Theology by Mary E Hunt

The Catholic Church and Modern Sexual Knowledge, 1850-1950 Lucia Pozzi, 2021-09-24 This book is the first to present a comprehensive historical picture of the modern Catholic concern with the body and sexuality The Catholic church is commonly believed to have always opposed birth control and abortion throughout the centuries Yet the Catholic encounter with modern sexuality has a more complex and interesting history What was the meaning of sexual purity Why did eugenics matter to Catholicism How did the Society of Jesus interpret the idea of overpopulation Why did Pius XI decide to issue the notorious encyclical Casti connubii on Christian marriage the first modern papal pronouncement on birth control abortion and eugenics In answering these questions Lucia Pozzi uncovers new archival and unpublished records to dig into Catholic responses to modern sexual knowledge showing the Catholic church at times resisting but also often welcoming scientific modernity

Sexual Morality Philip S. Keane, 1977 **Inclusion and Sexuality in Catholic Higher Education** Mark A. Levand, 2023-05-23 Drawing on research conducted at 17 Catholic universities in the United States

making it the largest study of its kind this volume explores effective practice in improving institutional policy relating to issues of sexuality The text calls attention to campus cultures of fear shame or denial around sexuality and highlights possible points of institutional resistance to changes in policy Discussing topics such as sexual identity sexuality education in the curriculum Title IX employee termination and morality clauses the book shows how staff and faculty are crucial in effecting change across Catholic campuses providing valuable insight into the unspoken rules around sexuality within the shadow culture at Catholic institutions Moreover the text illustrates how institutions can maintain fidelity to Church teachings and even embrace notions of human dignity solidarity and the common good to achieve sexual inclusivity A unique study demonstrating how Catholic teaching can help support inclusive change around issues of sexuality and gender in higher education it ultimately puts forward a practical framework for effecting change and improving student and staff support structures in Catholic institutions It will thus appeal to researchers and academics working in the fields of Higher Education Management Gender and Sexuality in Education Religion Gender and Sexuality and the Sociology of Religion

The Pope and the pill David Geiringer, 2019-10-23 This book is about the sexual and religious lives of Catholic women in post war England It uses original oral history material to uncover the way Catholic women negotiated spiritual and sexual demands at a moment when the two increasingly seemed at odds with each other It also examines the public pronouncements and secretive internal documents of the central Catholic Church offering a ground breaking new explanation of the Pope's decision to prohibit the Pill in 1968 The material gathered here offers a fresh perspective on the idea that sex killed God reframing dominant approaches to the histories of sex religion and social change The book will be essential reading not only for scholars of sexuality religion gender and oral history but anyone interested in social and cultural change more broadly

Catholic Sexual Ethics William May, Ronald Lawler, Joseph Boyle, 2011-08-25 The authoritative work on the Church's teaching on sexual morality has been thoroughly updated to address dimensions of this complex topic that have emerged in the late 20th and early 21st centuries Since publication of the 2nd edition of Catholic Sexual Ethics the philosophical landscape of human sexuality has dramatically changed The rise of such concerns as moral relativism the drive for same sex unions and a drastic redefinition of marriage and family have underscored the need for an unambiguous up to date understanding of Catholic sexual teaching Features Summary of Catholic teaching on sexuality from biblical times to our own Presentation of principal elements of the teaching of Pope Benedict XVI on marriage in the early years of his pontificate Discussion of the Congregation for the Doctrine of the Faith's 2003 Considerations Regarding Proposals to Give Legal Recognition to Unions Between Homosexual Persons Integration of more recent materials that clarify issues into the existing framework of the book Whether you are involved in ministry education or catechesis you will benefit from having this essential resource near at hand

Sexual Ethics Todd A. Salzman, Michael G. Lawler, 2012-05-18 Two principles capture the essence of the Catholic tradition on sexual ethics that each and every marriage act must remain open

to the transmission of life and that any human genital act must occur within the framework of marriage In the Catholic tradition moral sexual activity is institutionalized within the confines of marriage and procreation and sexual morality is marital morality But theologians Todd Salzman and Michael Lawler contend that there is a disconnect between many of the Church's absolute sexual norms and other theological and intellectual developments explicitly recognized and endorsed in the Catholic tradition especially since the Second Vatican Council These developments include the shift from a primary static worldview to a historically conscious worldview one that recognizes reality as dynamic evolving changing and particular By employing such a historically conscious worldview alternative claims about the moral legitimacy of controversial topics such as contraception artificial reproduction and homosexual marriage can faithfully emerge within a Catholic context Convinced of the central role that love desire and fertility play in a human life and also in the life of Christian discipleship the authors propose an understanding of sexuality that leads to the enhancement of human sexual relationships and flourishing This comprehensive introduction to Catholic sexual ethics complete with thought provoking study questions at the end of each chapter will be sure to stimulate dialogue about sexual morality between Catholic laity theologians and the hierarchy Anyone seeking a credible and informed Catholic sexual ethic will welcome this potentially revolutionary book *Sons of the Church* Thomas B Stevenson, 2014-05-22 The book that can help you reconcile being both gay and Catholic *Sons of the Church: The Witnessing of Gay Catholic Men* spotlights testimonials from over thirty gay Catholic men to answer the question How can you be gay and Catholic Dr Thomas B Stevenson who received degrees from the University of Notre Dame Boston College and the Graduate Theological Union in Berkeley explores this question using various interviews to thoroughly analyze the many dimensions of being gay and Catholic while providing a powerful and convincing criticism of Church teaching on homosexuality This thoughtful surprisingly reverent book is the answer for those gay readers who long for a religious connection as well as for Catholic readers and those in pastoral positions who want and need to hear the stories of gay people firsthand *Sons of the Church: The Witnessing of Gay Catholic Men* tells one story the story of what it is like to be gay and Catholic through the various stories of over thirty gay Catholic men Each chapter is arranged thematically beginning with experiences of being homosexual and Catholic during childhood and youth Subsequent chapters delve into the ways these men each finally accepted themselves and integrated their sexuality related to others who did or did not understand dealt with homosexual promiscuity found intimate relationships became a part of a community and ultimately came to terms with the Catholic Church and their faith Throughout these witnesses explain how their faith in God guides them through the various experiences and issues they face The positive aspects of Catholic Christianity are respectfully explored at the same time as the present Church teaching on homosexuality is challenged *Sons of the Church* uses interviews to explore Catholics coming to terms with their homosexuality the experiences of young men recognizing their sexuality suffering and oppression by society and the Church acceptance of self integration of goodness and lovability of homosexuality moral issues of

promiscuity among gay men gay relationships and the Catholic dimensions of commitment criticisms of gay culture the Catholic Church teachings on homosexuality the answer to the question How can you be gay and Catholic Sons of the Church The Witnessing of Gay Catholic Men is enlightening reading essential for educators students counselors priests nuns psychologists and theologians Catholic people gay people and every educated reader will find that the interviews and ideas here stimulate thought and create a greater understanding of the issue of homosexuality and faith
