## **Sexuality And The Jesus Tradition:**

*Sexuality and the Jesus Tradition* William Loader, 2005-02-03 Discourse related to sex excites passion and debate partly because sexuality is a central aspect of what it means to be human Following up on his recent book on sexuality in the Septuagint William Loader here explores what the Christian Gospels and related writings have to say about sexuality how they reflect the faith and social values of their day and what impact they've had on our own Sexuality and the Jesus Tradition is thorough in its investigation and compelling in its analyses Loader examines all of the passages that convey views about sexuality in the Gospels and other first century literature including the Gospel of Thomas and the influence in Paul of the Jesus tradition Among the interesting topics covered are attitudes concerning lust perspectives on marriage and divorce and views about celibacy Loader shows how despite the passing of two thousand years and massive social change these ancient texts contain common issues that we still grapple with today

**Sexuality in the New Testament** William R. G. Loader, 2010-01-01 Loader has brought together sources from the ancient world and opinions from a wide range of scholarship in many contentious areas concerning sexuality homosexuality divorce submission of women sex outside marriage and celibacy in all of these he avoids leading the witness letting the texts speak for themselves He states the opinion of other scholars and occasionally of himself but his aim is to educate and not preach Dr David Instone Brewer Senior Research Fellow in Rabbinics and the New Testament Tyndale House Cambridge UK Loader brings an honest and authoritative voice to the discussion of what the New Testament says about human sexuality He invites his readers to join in a serious engagement with the scriptural texts in their social and historical context and in so doing he leaves them with the challenge of wrestling with how those texts should be read today Dr Judith Lieu Lady Margaret's Professor of Divinity University of Cambridge UK Loader looks at hotly contested New Testament passages on sexuality and offers a fair and balanced treatment of what scholars say about them He also offers an analysis of why interpreters say what they say and demonstrates how texts may be interpreted specifically to support a preformed opinion Written in straightforward nontechnical language this timely and informative text is ideal for college classes as well as Bible study groups
