## **Sexuality Spirituality:**

**The Erotic Word : Sexuality, Spirituality, and the Bible** NY David M. Carr Professor of Old Testament Union Theological Seminary, 2002-12-19 Historically the Bible has been used to drive a wedge between the spirit and the body In this provocative book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped As a result the journey toward God and the life long engagement with our own sexual embodiment are inseparable Humans the Bible tells us both male and female were created in God's image and eros a fundamental longing for connection that finds abstract good in the pleasure we derive from the stimulation of the senses is a central component of that image The Bible particularly the Hebrew Bible affirms erotic passion both eros between humans and eros between God and humans In a sweeping examination of the sexual rules of the Bible Carr asserts that Biblical family values are a far cry from anything promoted as such in contemporary politics He concludes that passionate love our preoccupation therewith and pursuit thereof is the primary human vocation that eros is in fact the flavoring of life

**The Erotic Word** David M. Carr, 2005-02-24 Historically the Bible has been used to drive a wedge between the spirit and the body In this book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped

**Sex and the Soul** Donna Freitas, 2008-04-11 Based on dozens of face to face interviews Sex and the Soul explores the sexual and spiritual lives of today's college students Donna Freitas crisscrossed the country visiting a range of America's colleges and universities from public to private Catholic to evangelical to find out what students had to say about these highly personal subjects Their stories will not only engage readers but in many cases move them with the painful struggles these candid young women and men face Indeed the book uncovers aspects of college life that may unsettle some readers especially parents Many campuses for instance are dominated by the pervasiveness of hook up culture Moreover many students see little connection between sex and religion even as they seek one between sex and spirituality Indeed these observations hold true even at Catholic schools Only at evangelical colleges is religion an important factor when deciding whether or not to engage in sex But Freitas's research also reveals that even at secular schools students are not comfortable with a culture of casual sex and that they do want spirituality at least if not also religion to speak about what they should do and who they should try to be not just what they should avoid doing Sex and the Soul will offer readers the chance to hear college students speaking honestly about extremely sensitive topics in a book that will be of great interest to students parents clergy teachers and anyone who wants to know what's happening on today's college campuses Named one of the Best Religion Books of 2008 by Publishers Weekly Fascinating disturbing engaging persuasive Freitas's work chronicles a poignant spiritual loss that students themselves articulate and mourn Publishers Weekly Candid disturbing yet ultimately hopeful Throughout this beautifully written book Freitas presents students feelings and experiences in an unflinching yet compassionate way You care about these young

people and their struggles This book is a great service to students parents and those at colleges and universities who want to prepare young adults not just for the workplace but for healthy and fulfilling lives Christian Science Monitor **Exploring Sexuality and Spirituality**, 2020-10-20 The wide spectrum of links and interrelations found amongst the diversity of human sexual expressions and spiritual practices around the world constitutes one of the most fruitful grounds of scholarly research today Exploring Sexuality and Spirituality introduces an emerging academic field of studies focused on the multiplicity of problematizations intersecting spirituality and sexuality from eroticism and ecstasy embodiments to inner spiritual cultivation intimate relationships sex education and gender empowerment This collection of essays addresses subjects such as prehistoric art Queer Theology BDSM Tantra the Song of Songs la petite mort asceticism feminist performative protests and sexually charged landscapes among others Through varied methodologies and state of the art interdisciplinary approaches this volume becomes highly useful for readers engaged in the integration of scholarly and practical knowledge

*Sexuality and the Sacred* James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully *Sexuality, Religion and the Sacred* Loraine Hutchins, H. Sharif Williams, 2018-10-24 Sexuality Religion and the Sacred is a thoughtful collection of bisexual polysexual and pansexual scholarship on religion and spirituality It examines how religious and spiritual traditions address sexuality whilst also exploring the ways in which bisexually polysexually and pansexually active people embrace religious and spiritual practice The volume offers a comprehensive analysis of these prevalent themes by focusing on five main areas of discussion Christian and Unitarian Discourses Indigenous and Decolonizing Spiritual Discourses Feminist Spiritual Discourses Buddhist Discourses and Neo Pagan Discourses Sexuality Religion and the Sacred offers an accessible yet scholarly treatment of these topics through a collection of critical essays by academics of theology humanities cultural studies and social sciences as well as sexology professionals and clergy from various faith and spiritual traditions It gives readers an insight into the intersection of sexualities and spiritualities and attempts to disrupt this very dichotomy through its careful consideration of a wide variety of discourses This book was originally published as a special issue of the Journal of Bisexuality *Sexuality and Spirituality, Pursuing Integration* William F. Kraft, 2005-04-21 In what ways do sexuality and spirituality intersect How can we live in such a way as to integrate them These are the fundamental issues that the author addresses in this helpful and practical work Covering the wide diversity of sexual expression Kraft treats both healthy and unhealthy practices in the context of marital single and celibate living Some of the key issues explored are gratification abstinence masturbation homosexuality abuse and addiction pedophilia and aging *Sex and the Sacred* Daniel A. Helminiak, 2006 This is an examination of the spiritual

dimension of human sexuality in a way that is free of religious affiliation but still open to traditional religion and a belief in God The author looks at the relationship between spirituality and sexuality from both a humanistic and more familiar Christian point of view

**Moving Heaven and Earth** Lucy Goodison, 1992 Goodison challenges the dualistic mind body and spirit matter splits that determine and limit the Western worldview pointing the way to political responsibility based on spiritual awareness She offers practical exercises for use by individuals and groups to deconstruct and reconstruct their symbol systems which link individual to social life

**The Spirituality of Sex** J. Harold Ellens, 2009-03-20 This book describes the psychospiritual facts of life about the pervasiveness of sexuality in all aspects of human life The energy developed by our libido is the dynamic source of all the forces that shape our experience life motives thought feelings desires and spiritual longings No facet of life is untouched or unshaped by this dynamo Whether we are sitting in church at worship in a meeting for business in a party for pleasure we are always aware of the gender of those who are around us and of their level of sensuality as it impacts us If we are not aware of that some wounding has produced an impairment in us that has forced us to repress the awareness inappropriately This work is not a how to manual so much as a description of the deep meaningfulness that can be found in the spirituality of sex It is designed to enlighten us about ourselves to give names to what we all feel all the time and do not know quite how to describe It is about savoring the spiritual flavor of sexual play and sexual union This is a book for everyone from the inquiring adolescent to the mature adult looking for what is missing in sex and relationships This is not a book mainly for Christians or Jews It is about the generic human spirituality in every one of us true believer and atheist alike It is about being human more fully and with greater satisfaction Human spirituality is best defined as our irrepressible hunger and quest for meaning in all aspects of life Human sexuality is best defined as our irrepressible hunger and quest for union with other persons and the meaning of life found in the wholeness that such union brings Sexuality and spirituality are not two different things They are two names for the same thing the irrepressible human quest for meaning fulfillment union and wholeness They are not two different forces nor are they in any way at odds with one another as they have been made to seem in the polarizing attitudes about sexuality and spirituality popular in human society thanks to the excessive and negative moralization of sex Here Ellens sheds new light on the interplay of sexuality and spirituality through the use of anecdotes observation and thoughtful analysis

**The Bloomsbury Handbook of Religion, Gender and Sexuality** Sonya Sharma, Dawn Llewellyn, Sian Hawthorne, 2024-06-13 Bringing together disciplines across the arts humanities and social sciences this Handbook presents novel and lively examinations of the dynamic ways religion gender and sexuality operate Applying feminist intersectional and reflexive approaches the volume aims to loosen imperialist and exclusionary figurations that have underwritten and tethered religion gender and sexuality together While holding onto the field of inquiry the Handbook offers contributions that interrogate and untie it from the terms and conditions that have formed it The volume is organized into thematic sections Forces and Futures Activisms and Labors Agencies and Practices

Relationships and Institutions Texts and Objects Chapters range across religious geographical historical political and social contexts and feature an array of case studies experiences and topics that exemplify the reflexive intention of the volume including explorations of race whiteness colonialism and the institutional intolerance of minority groups Contributors also advance new areas of research in religion including artificial intelligence farming migrant mothering child sexual abuse mediatization national security legal frameworks addiction and recovery decolonial hermeneutics creative arts sport sexual practices and academic friendship This is an essential contribution to the fields of religious studies and gender and sexuality studies

**Globalized Religion and Sexual Identity**, 2014-04-24 Globalized Religion and Sexual Identity reflects on the ways religion gender and sexual identity are framed and regulated in multiple spheres across the globe Controversies in the public arena regarding religion and sexual identity often construct these categories as inherently oppositional or already in conflict As state policies regarding sexuality and sexual diversity develop promoting inclusivity and non discrimination it is imperative to develop a more nuanced discussion regarding the relationship of religion ideology to sexual diversity and sexuality The goal of this volume is to explore religion and sexual identity from a range of countries across the globe focusing on the theme of religious ideological voices in state policies such as same sex marriage identification and education

**The God of Sex** Peter Jones, 2006 A placard carried in the San Diego Gay Parade said it all He s your God They re your rules You go to Hell Clearly there is no longer any commonly held ultimate authority So merely quoting Bible verses at gays and other sexual sinners to prove they are immoral is equally unsuccessful if not destructive For the sake of our young people for the sake of our churches for the sake of society and our world Christians must understand the connection of spirituality and sexuality if we are to communicate relevantly to our postmodern culture Jones gives an objective honest appraisal of contemporary sexual trends and puts them up against God s clear and beautiful design for sex as a spiritual expression Features and Benefits Helps Christians break out of typical parameters to help them understand and relevantly engage the culture Nonbelievers will find this book objective and non offensive fairly representing postmodern worldviews Thorough index and bibliography makes this book a powerful resource tool

**Embodying Religion, Gender and Sexuality** Sarah-Jane Page, Katy Pilcher, 2020-12-27 Taking the notion of embodiment as a starting point this volume maps the interconnecting relationships between religion gender and sexuality The chapters highlight how the body its location the narratives that surround it its movement and negotiations is central to understanding these multifaceted relationships The contributors recognise the ways in which gender and sexuality are crucial to how we embody religion and encourage a more complex and nuanced understanding of embodied religion The material is organised

according to three central themes 1 the relationship between the religious and the secular 2 power regulation and resistance and 3 the symbolism of gendered bodies Cutting across a range of disciplinary perspectives *Embodying Religion Gender and Sexuality* will be relevant to students of sociology anthropology gender and sexuality studies theology and religious studies

Teaching Sexuality and Religion in Higher Education Darryl W. Stephens, Kate Ott, 2020-04-19 This volume combines insights from secular sexuality education trauma studies and embodiment to explore effective strategies for teaching sexuality and religion in colleges universities and seminaries Contributors to this volume address a variety of sexuality related issues including reproductive rights military prostitution gender fidelity queerness sexual trauma and veiling from the perspective of multiple religious faiths Christian Jewish and Muslim scholars present pedagogy and classroom strategies appropriate for secular and religious institutional contexts By foregrounding a combination of perspective transformation and embodied learning as a means of increasing students appreciation for the varied social psychological theological and cultural contexts in which attitudes to sexuality develop the volume posits sexuality as a critical element of teaching about religion in higher education This book will be of great interest to graduate and postgraduate students researchers academics and libraries in the fields of Religious Studies Religious Education Gender Sexuality Religion Education and Sociology of Religion

*Negotiating Sexual Idioms* ,2008-01-01 *Negotiating Sexual Idioms* Image Text Performance affords new theoretical approaches and insights into the complexity of sexual discourse pervading contemporary cultures exploring sexuality s role in dominant conceptualisations of self and society in patterns of political belonging and exclusion and in societal transformations Opening with a substantial critical introduction this collection of twelve essays and creative pieces contributes to significant current debates regarding sexual rights and their violation queer theory and identity politics sexual fantasy formations and strategies of pleasure and the celebration of sexual diversity topics explored through a variety of disciplinary frameworks including gender and film studies religious philosophy neo Victorian and postcolonial literature sociology pornography and performance art The volume positions the subjects of sex and sexuality as crucial to our ethical understanding of the human both in individual and communal terms exploring how claims for sexual subjectivity and citizenship are formulated and the entitlements they entail The analytical insights offered signal important new directions for critical engagement with the socio political construction of sexuality and its strategic deployment within the cultural imaginary Designed to appeal equally to scholars students and general readers *Negotiating Sexual Idioms* will prove essential reading for those interested in multi disciplinary approaches to reading sex and sexuality within inter cultural contexts from the early modern period to the present day Sexuality and the Sacred, Second Edition Marvin M. Ellison, Kelly Brown Douglas, 2010-09-21 Christian discourse on sexuality spirituality and ethics has continued to evolve since this book s first edition was published in 1994 This updated and expanded anthology featuring more than thirty contemporary essays includes more theologians and ethicists of color and addresses issues such as the intersection of race

racism and sexuality transgender identity same sex marriage and reproductive health and justice *Christian Spiritual Formation* Diane J. Chandler, 2014-04-04 This comprehensive theory and practice of Christian spiritual formation weaves together biblical and theological foundations with interdisciplinary scholarship real world examples personal vignettes and practical tools to assist readers in becoming whole persons in relationship with God and others

**Sacred Sexuality** Georg Feuerstein, 2003-11-14 A historical cross cultural survey of sexuality as a sacred spiritual practice Examines sacred sexuality in the world's religious and mystery traditions Explores contemporary sexual stress syndrome resulting from the absence of the sacred in sexual practice Reveals how to find the sacred in the ordinary This book examines the history of sexuality as a sacramental act In spite of our culture's recent sexual liberalizations sexual intimacy often remains unfulfilling Georg Feuerstein instructs that the fulfillment we long for in our sex lives can only be attained once we have explored the spiritual depths of our erotic natures Feuerstein delves into a wide variety of spiritual traditions including Christianity Judaism goddess worship Taoism and Hinduism in search of sacred truths regarding sexuality He reveals that all of these great teachings share the hidden message that spirituality is in essence erotic and that sexuality is inherently spiritual From the erotic cult of the Great Mother and the archaic ritual of hieros gamos sacred marriage to the institution of sacred prostitution and the erotic spirituality practiced in the mystery traditions Feuerstein offers a wealth of historical practices and perspectives that serve as the bases for a positive sexual spirituality suited to our contemporary needs

**Eroticism, Spirituality, and Resistance in Black Women's Writings** Donna Aza Weir-Soley, 2017-06-13 Provocative articulates the importance of embodied erotic spirituality to black female subjectivity and empowerment *Tulsa Studies in Women's Literature* Sets out to reclaim the right of black women to their sexual and erotic expression untainted by the stereotypes and disparagements that have historically confined them *African American Review* Captures one of the most challenging concerns of scholars who engage black women's literature culture and theory the ongoing quest to locate a form of black female sexual agency that neither withers in the chilly lake of sexual repression nor explodes in the heat of hypersexual stereotypes *MELUS Journal of the Society for the Study of the Multi Ethnic Literature of the United States* Successfully undertakes an analysis of how black women writers have used overlapping narrative depictions of sexuality and spirituality to recast the denigrated black female body and rewrite an empowered and fully actualized black female subject Candice M Jenkins author of *Private Lives Proper Relations Regulating Black Intimacy* Weir Soley speaks with an authority that comes from real knowledge of investment in and attention to the details of the African cosmologies and textual complexities she unearths Carine Mardorossian SUNY Buffalo The most original and significant contributions are the often brilliant readings of Morrison Adisa and Danticat The work is riveting both methodologically and critically Leslie Sanders York University Western European mythology and history tend to view spirituality and sexuality as opposite extremes But sex can be more than a function of the body and religion more than a function of the mind as exemplified in the works and characters of such

writers as Zora Neale Hurston Toni Morrison Opal Palmer Adisa and Edwidge Danticat Donna Weir Soley builds on the work of previous scholars who have identified the ways that black women s narratives often contain a form of spirituality rooted in African cosmology which consistently grounds their characters self empowerment and quest for autonomy What she adds to the discussion is an emphasis on the importance of sexuality in the development of black female subjectivity beginning with Hurston s *Their Eyes Were Watching God* and continuing into contemporary black women s writings Writing in a clear lucid and straightforward style Weir Soley supports her thesis with close readings of various texts including Hurston s *Their Eyes Were Watching God* and Morrison s *Beloved* She reveals how these writers highlight the interplay between the spiritual and the sexual through religious symbols found in Voudoun Santeria Condomble Kumina and Hoodoo Her arguments are particularly persuasive in proposing an alternative model for black female subjectivity

### **Sexuality Spirituality Introduction**

In today's digital age, the availability of Sexuality Spirituality books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sexuality Spirituality books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sexuality Spirituality books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sexuality Spirituality versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sexuality Spirituality books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sexuality Spirituality books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sexuality Spirituality books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sexuality Spirituality books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sexuality Spirituality books and manuals for download and embark on your journey of knowledge?
