In My Dreams Beth Mitchum, 2008-10-31 I sensed the thrill of a stolen moment as my fingers brushed back a lock of auburn hair that had fallen in front of her left eye I cupped her face in my hand gently tilting it up towards mine so that our eyes met I saw in them a passion that seemed to echo the intensity I was experiencing and was thus emboldened to make the first move When my lips landed softly on hers I felt a surge of excitement and danger Where do you draw the line between fantasy and reality Are you responsible for the content of your dreams What about when your dreams begin to spill over into your waking hours For months Jill a twenty something lesbian had been daydreaming about her sexy Latina co worker Marie Interesting things start to happen when her night dreaming begins to involve nocturnal trysts with her fantasy paramour When the women discover they are having the same dreams they raise the stakes on their telepathically shared nightlife Their dream world shatters when Marie s nocturnal passion overflows into her daytime relationship with her violent sexually addicted husband In My Dreams illustrates the blurring of boundaries we experience when we enter the world of our dreams It also reminds us that there are always consequences when we begin to act consciously on that inner world of the dreaming mind Sometimes those consequences are harder than anyone could have anticipated

Sex These Days Jon Davies, Gerard Loughlin, 1997-06-01 What has been lost what has been gained in replacing sexual orthodoxy with the heresies of postmodern sexualities In the recent past even within living memory sex has usually been a matter of monogamous heterosexual marriage and the procreation of children Other sexual practices were seen as deviations from the patriarchal norm Today things are different and western liberal societies promote and celebrate a growing multiplicity of sexual familial and procreational practices and relationships Nine writers assess the directions in which our societies are being led **This Is Your Brain on Sex** Kayt Sukel, 2013-03-26 Previously published as *Dirty Minds* How Our Brains Influence Love Sex and Relationships PHILOSOPHERS THEOLOGIANs ARTISTS AND BOY BANDS HAVE WAXED poetic for centuries about the nature of love But what does the brain have to say about the way we carry our hearts In the wake of a divorce science writer and single mother Kayt Sukel made herself a guinea pig in the labs of some unusual love experts to find out *This Is Your Brain on Sex* is her lively and hilarious examination of the big questions about love and sex previously published in hardcover as *Dirty Minds* Each chapter of this edgy romp through the romantic brain looks at a different aspect of love above the belt What in your brain makes you love someone or simply lust after them Why do good girls like bad boys Is monogamy practical How thin is that line between love and hate After reading this gimlet eyed look at love sex and the brain you ll never look at romance the same way again

Show of Hands Anthony McCarten, 2009-02-17 When a desperate car dealer advertises a competition with a simple premise that each contestant must keep one hand on a car at all times and the last one standing will drive away the owner of a new Land Rover he sets in motion a chain of events that brings together an oddball group of individuals each with a desperate need to win For the contestants this publicity gimmick represents a once in a lifetime opportunity for a fresh start a chance to break records and to prove themselves in an unlikely test of endurance It pits the patience of an elderly night watchman against the youthful vigor and carefully cultivated stamina of a high school track and field star It sets a single mother who spends her life on her feet against a down on his luck Mensa member who tells anyone who will listen that he s

got the whole thing figured out As the days and nights unavoidably carry on and big talk and clever strategies backfire the contestants true colors come through in unexpected twists At once lyrical and suspenseful and by turns poignant and hilarious Show of Hands and its all too human characters are ultimately unforgettable **Sweet Dreams** Rochelle
