**The Dust of Old Dole Road** Dan Oliver, 2011-06 No One Knows When or Why it Started Isn't That the Way it is with Those Who Abuse Others Something happened Some event or word or gesture or situation triggers an explosive response of uncontrolled anger and hatred directed toward the target of the abuser There are probably as many reasons as there are persons who fit the profile When sober Dad was in control Only when under the influence of the alcohol demon did he lose control So I tend to think that it was the drug that released the violent side of his character Without the alcohol Dad was loving and caring gentle and patient At least this was how I saw him In the mid twentieth century in a small Oregon logging community Dan Oliver lived with his family in conditions reminiscent of the pioneer days of the 1800s All modern conveniences were stripped away and the family learned to make do with what was available Throughout this struggle of abject poverty the shadow of binge drinking hung like a storm cloud over the family When Dan's father started drinking the kids knew to run and hide on the slopes of Timber Butte Their mother would stay behind facing domestic violence and verbal abuse Eventually the storm would clear and life would return to normal every member of the family contributed to the survival no matter how young or small Life on Dole Road was full of hardships and suffering but more than that Dole Road was full of hope pride in what someone can do with his own two hands and faith in a God of mercy If you're struggling with making your own peace then let The Dust of Old Dole Road speak to you Book jacket

**Schunard Mayhem Pangloss** Martin Paul Mayer, 2020-08-11 The appearance of a black Labrador retriever SCHUNARD MAYHEM PANGLOSS at the dilapidated southern plantation Frazier Hill signals a great transition in the life of miserly and misanthropic owner Martin Mayer Schunard relates stories about three years of life and travels with Martin Beginning his life in the garage Schunard gradually wins his way into Martin's heart and into the big house As his middle name implies Schunard Mayhem is the master of slapstick antics with a penchant for creating chaotic and hilarious scenes everywhere It is a literary coincidence that the real life Martin and Pangloss share names and personal attributes of similar characters in Voltaire's Candide As does his namesake in Candide Schunard Pangloss interprets the events of life philosophically sharing his crazy and often ill founded optimism in contrast to Martin's pervasive pessimism Schunard wins the hearts of everyone in his small town and breaks their hearts with his accidental death and heart wrenching public funeral

Despite his tragically short life Schunard communicates the simple vision of a gentle and peaceful world as Voltaire would say the best of all worlds

**Beyond Cherry Mountain** Lily Brassica,2018-08-28 All over the world there is poverty and more often than not poverty is accompanied by a feeling of hopelessness For one impoverished young girl from North Carolina dressed in clothes made from feed sacks and wearing shoes held together with duct tape and cardboard this hopelessness would turn to hope thanks to a man called Jesus In Beyond Cherry Mountain author Lily Brassica shares her heartfelt personal testimony of how she found hope faith and inspiration in Jesus And although life remained a struggle even after she learned about Jesus and his heavenly Father this inspiring young woman knew that Jesus also started from humble beginnings encouraging her to work hard keep the faith and never stop trying to improve her situation As she clawed her way out of poverty one paycheck at a time she continued to sacrifice eventually becoming a cosmetologist and sharing Gods love with everyone who sat in her chair Through poverty personal problems and health issues Lily Brassica stayed focused on the one thing that truly mattered to her spreading the feeling of hope to the hopeless and inspiration to the uninspired as she used her styling chair as a pulpit to laugh sing pray and cry with people from all walks of life We could all use an inspiring word from time to time what better place to be inspired than when you are sitting in a chair blessed by God

It's All about Me.... Juanita Johnson,2010-06-24 I like many others in this country was raised very very poor That s not really what this story is about Actually that s part of it but the constant moving is the real story I can t remember all the places I have lived The longest we ever lived in one place is 5 years Mostly it was just a few months The ironic thing is that most of the moving was in California and each place close to the other They places were far enough apart we had to attend different schools but on the map they were close We lived in tents under a bridge along the side of the road The part about being along the side of the road was when I was very small and have no memories of those times However the bridge and the tents I remember It s an interesting read
