Shade Of The Raintree The Life And Death Of Ross Lockridge Jr:

Shade of the Raintree Laurence S. Lockridge, 1994 Ross Lockridge Jr's novel *Raintree County* was the publishing event of 1948 Excerpted in *Life* magazine the novel was the Book of the Month Club Main Selection winner of the enormous MGM Novel Award and first on the nation's bestseller lists Many years later Larry Swindell the syndicated critic would write that no myth is more imposing than the Great American Novel but if it is truly unattainable I believe that Ross Lockridge made closer approach than any other writer has before or since It was Lockridge's first novel and his last Two months after its publication the thirty three year old author from Indiana took his own life leaving a wife and four children His son Larry was five years old at the time *Shade of the Raintree* is a son's search for an understanding of his father's baffling act It is also the moving story of what it is like to grow up in the wake of a family tragedy and to grow up with a novel instead of a father In this powerfully narrated biography Larry Lockridge uncovers a life of great vitality humor love and visionary ambition but also of deep vulnerability Ross Lockridge embodied so many of a writer's aspirations and fates from the sudden vision of a work that might answer to ambition to the all consuming act of composition over months and years to the dislocations of sudden fame and wealth to the question that dogs every writer What next This is a story of the pride and generosity that attend the act of writing and the terrible depletion that often follows *Shade of the Raintree* is extraordinary in the way its author manages to combine a son's emotional investments with a sleuth's dispassionate inquiry The result is an exhilarating revelatory narrative of a life that was in some ways an allegory of the American writer *Raintree County* is being republished by Penguin Books simultaneously with *Shade of the Raintree* Even for those who have never read the novel this biography offers a remarkable portrait of how artists may put themselves at risk in creating worlds of wonder and humanity *Shade of the Raintree* Larry Lockridge, Laurence S. Lockridge, 2014 *Raintree County* the first novel by Ross Lockridge Jr was the publishing event of 1948 Excerpted in *Life* magazine it was a Book of the Month Club Main Selection won MGM's Novel Award and a movie deal and stood at the top of the nation's bestseller lists Unfortunately Lockridge's first novel was also his last Two months after its publication the 33 year old author from Bloomington Indiana took his own life His son Larry was five years old at the time *Shade of the Raintree* is Larry's search for an understanding of his father's baffling act In this powerfully narrated biography Larry Lockridge uncovers a man of great vitality humor love and visionary ambition but also of deep vulnerability The author manages to combine a son's emotional investments with a sleuth's dispassionate inquiry The result is an exhilarating revelatory narrative of an American writer's life With a new preface by the author this 2014 paperback edition marks 100 years since the birth of Ross Lockridge Jr *Shade of the Raintree, Centennial Edition* Larry Lockridge, 2014-04-17 This true story of literary stardom and sudden tragedy is a riveting book shattering and shot through with the powerful poignancy of a life undone Detroit News *Raintree County* the first novel by Ross Lockridge Jr was the publishing event of 1948 Excerpted in *Life* magazine it was a Book of the Month Club Main Selection won MGM's Novel

Award and a movie deal and stood at the top of the nation's bestseller lists Unfortunately Lockridge's first novel was also his last Two months after its publication the thirty-three year old author from Bloomington Indiana took his own life His son Larry was five years old at the time *Shade of the Raintree* is Larry's search for an understanding of his father's baffling act In this powerfully narrated biography Larry Lockridge uncovers a man of great vitality humor love and visionary ambition but also of deep vulnerability The author manages to combine a son's emotional investments with a sleuth's dispassionate inquiry The result is a book that is in its own way as remarkable and compelling as *Raintree County* Milwaukee Journal Larry Lockridge here faces the double tasking of writing a biography of his father and of finding out what drove him to a ruthless act of self destruction An immensely moving book deserving of the Pulitzer Prize Kirkus Reviews This edition includes a new preface by the author

Final Drafts Mark Seinfeld, 1999-12 Some of the greatest writers in the history of the art Hart Crane Ernest Hemingway Jerzy Kosinski Sylvia Plath Anne Sexton and Virginia Woolf all chose to silence themselves by suicide leaving their families and friends with heartbreak and the world of literature with gaping holes Their reasons for killing themselves when known were varied and quite often unreasonable Some were plagued by depression or self doubt and others by frustration and helplessness in a world they could neither change nor tolerate Profoundly moving and morbidly attractive *Final Drafts* is a necessary historical record biographical treatment and psychological examination of the authors who left this cruel world by their own hands either instantly or over long periods of relentless self destructive behavior It is also a devoted examination of references to suicide in literature both by those who took their own lives and those who decided to live Mark Seinfeld has selected many well known mostly fiction writers from those whose work dates to over a century ago when the medical community was ill equipped to deal with substance abuse and depression to more recent writers such as Kosinski Michael Dorris and Eugene Izzie who have left a puzzled literary community with a sad legacy Seinfeld reveals that many authors contemplated ending their lives in their work were obsessed with destroying themselves were unable in the case of the Holocaust to live with the fact that their contemporaries had been killed believed death to be a freedom from the horrors that forced them to create and sometimes were simply unable to withstand rejection or criticism of their work Other noted authors discussed in this volume include John Berryman Ambrose Bierce Harry Crosby John Davidson William Inge Randall Jarrell Arthur Koestler T E Lawrence Primo Levi Jack London Jay Anthony Lukas Tom McHale Yukio Mishima Henry de Montherlant Seth Morgan George Sterling Sara Teasdale Ernst Toller John Kennedy Toole Sergey Yesenin and many others *The Sower and the Seer* Joseph Hogan, Jon Lauck, Paul Murphy, Andrew Seal, Gleaves

Whitney, 2021-02-17 This collection of twenty-two essays a product of recent revivals of interest in both Midwestern history and intellectual history argues for the contributions of interior thinkers and ideas in forming an American identity The Midwest has been characterized as a fertile seedbed for the germination of great thinkers but a wasteland for their further growth *The Sower and the Seer* reveals that representation to be false In fact the region has sustained many innovative

minds and been the locus of extraordinary intellectualism It has also been the site of shifting interpretations to some a frontier to others a colonized space a breadbasket a crossroads a heartland As agrarian reformed and Michigander Liberty Hyde Bailey expressed in his 1916 poem Sower and Seer the Midwestern landscape has given rise to significant visionaries just as their knowledge has nourished and shaped the region The essays gathered for this collection examine individual thinkers writers and leaders as well as movements and ideas that shaped the Midwest including rural school consolidation women s literary societies Progressive era urban planning and Midwestern radical liberalism While disparate in subject and style these essays taken together establish the irrefutable significance of the intellectual history of the American Midwest

Writing G. Thomas Couser,2021-04-13 Life writing in its various forms does work that other forms of expression do not it bears on the world in a way distinct from imaginative genres like fiction drama and poetry it acts in and on history in significant ways Memoirs of illness and disability often seek to depathologize the conditions that they recount Memoirs of parents by their children extend or alter relations forged initially face to face in the home At a time when memoir and other forms of life writing are being produced and consumed in unprecedented numbers this book reminds readers that memoir is not mainly a literary genre or mere entertainment Similarly letters are not merely epiphenomena of our real lives Correspondence does not just serve to communicate it enacts and sustains human relationships Memoir matters and there s life in letters All life writing arises of our daily lives and has distinctive impacts on them and the culture in which we live

Elizabeth and Monty Charles Casillo, 2021-05-25 Violet eyed siren Elizabeth Taylor and classically handsome Montgomery Clift were the most gorgeous screen couple of their time Over two decades of friendship they made separately and together some of the era s defining movies including Cat on a Hot Tin Roof The Misfits Suddenly Last Summer and Cleopatra Yet the relationship between these two figures one a dazzling larger than life star the other hugely talented yet fatally troubled has never truly been explored until now Monty Elizabeth likes me but she loves you Richard Burton When Elizabeth Taylor was cast opposite Montgomery Clift in A Place in the Sun he was already a movie idol with a natural sensitivity that set him apart At seventeen Elizabeth was known for her ravishing beauty rather than her talent Directors treated her like a glamorous prop But Monty took her seriously inspiring and encouraging her In her words That s when I began to act To Monty she was Bessie Mae a name he coined for her earthy private side The press clamored for a wedding convinced this was more than friendship The truth was even more complex Monty was drawn to women but sexually attracted to men a fact that if made public would destroy his career But he found acceptance and kinship with Elizabeth Her devotion was never clearer than after his devastating car crash near her Hollywood home when she crawled into the wreckage and saved him from choking Monty s accident shattered his face and left him in constant pain As he sank into alcoholism and addiction Elizabeth used her power to keep him working In turn through scandals and multiple marriages he was her constant Their relationship endured until his death in 1966 right before he was to star with her in Reflections in a Golden Eye His influence continued in her outspoken support for the gay community especially during the AIDS crisis Far more than the story of two icons this is a unique and extraordinary love story that shines new light on both stars revealing their triumphs demons and the loyalty that united them to the end Casillo weaves an engrossing story about the intertwined lives of his subjects the parallel worlds of privilege that they came from the personal misfortunes that each suffered and the

seemingly inextricable path that led to that fateful night The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in The New York Times In a riveting new book that brings Hollywood's golden age to life with colorful well researched details and interviews with stars who knew Taylor and Clift Casillo explores the intense bond the two shared People Magazine **IUPUI--the Making of an Urban University** Ralph D. Gray,2003 The story of the Miracle on Michigan Street **Herman B Wells** James H. Capshaw,2012-04-30 Wells built an institution and in the process became one himself *The Ethics of Life Writing* Paul John Eakin,2004 Our lives are increasingly on display in public but the ethical issues involved in presenting such revelations remain largely unexamined How can life writing do good and how can it cause harm The eleven essays here explore such questions **Rediscovering French Science-Fiction in Literature, Film and Comics** Philippe Mather,Sylvain Rheault,2016-02-29 French science fiction SF is as old as the French language Cyrano de Bergerac wrote about a trip to the moon that was published back in 1657 as did Jules Verne in 1865 this time using hard scientific facts The first movie showing a trip to the moon was made by Georges Méliès in 1902 In the comics format Hergé had Tintin walk on the moon in 1954 15 years before Neil Armstrong These are just a few of the many unique French contributions to SF that rightly deserve to be better known One of the purposes of this collection is to introduce French SF to an English speaking audience Rediscovering French Science Fiction first revisits proto science fiction from authors like Cyrano de Bergerac and Jules Verne before delving into contemporary science fiction works from authors such as Ren Barjavel and Jacques Spitz A contribution from preeminent SF author Elisabeth Vonarburg from Québec helps to understand the constraints and advantages of writing SF in French A third section is devoted to French SF in movies and graphic novels media where French creators have been recognized worldwide This collection explores many aspects of French SF including the genre's deep roots in popular culture the influence of key authors on its historical development and the form and function of science and fantasy as well as the impact of films and graphic novels on the public perception of the genre's nature **William Lloyd Garrison and American Abolitionism in Literature and Memory** Brian Allen Santana,2016-03-11 For nearly 150 years William Lloyd Garrison founder of the famed antislavery newspaper The Liberator has been represented by scholars educators politicians and authors as the founder of the American abolitionist movement Yet the idea that Garrison was the leader of a coherent movement was strongly contested during his lifetime Drawing on private letters diaries newspapers novels memoirs eulogies late 19th century textbooks poetry and monuments this study reveals the dramatic social and political forces of the postwar period which transformed our perceptions of Garrison the abolitionist movement and the first histories of the Civil War *No Time to Say Goodbye* Carla Fine,2011-05-11 Suicide would appear to be the last taboo Even incest is now discussed freely in popular media but the suicide of a loved one is still an act most people are unable to talk about or even admit to their closest family or friends This is just one of the many painful and paralyzing truths author Carla Fine discovered when her husband a successful young physician took his own life in December

1989 And being unable to speak openly and honestly about the cause of her pain made it all the more difficult for her to survive With No Time to Say Goodbye she brings suicide survival from the darkness into light speaking frankly about the overwhelming feelings of confusion guilt shame anger and loneliness that are shared by all survivors Fine draws on her own experience and on conversations with many other survivors as well as on the knowledge of counselors and mental health professionals She offers a strong helping hand and invaluable guidance to the vast numbers of family and friends who are left behind by the more than thirty thousand people who commit suicide each year struggling to make sense of an act that seems to them senseless and to pick up the pieces of their own shattered lives And perhaps most important for the first time in any book she allows survivors to see that they are not alone in their feelings of grief and despair Sex the Measure of All Things Jonathan Gathorne-Hardy,2000 The life story of the sex researcher whose statistics were so extensive that only ten percent went into his two published books and most of the data is still being actively mined today Jacket
