## **Shadias Promise:**

*Shadia's Promise* Christelle Haddad, 1998 Shadia is a young Lebanese Australian woman intelligent curious and in the tradition of her family a wonderful storyteller In Christelle Haddad's bright and bold debut novel Shadia traces three generations of her family's life their weddings christenings and funerals their pain and joy at making a new life in a new land With its simple and vivid language Shadia's Promise is a passionate and often humorous novel about families and growing up

**The Oxford Handbook of Arab Novelistic Traditions** Wail S. Hassan, 2017 The Oxford Handbook of Arab Novelistic Traditions encompasses the genesis of the Arabic novel in the second half of the nineteenth century and its development to the present in every Arab country as well as Arab immigrant writing in many languages around the world *The Cambridge History of the Australian Novel* David Carter, 2023-07-27 The Cambridge History of the Australian Novel is an authoritative volume on the Australian novel by more than forty experts in the field of Australian literary studies drawn from within Australia and abroad Essays cover a wide range of types of novel writing and publishing from the earliest colonial period through to the present day The international dimensions of publishing Australian fiction are also considered as are the changing contours of criticism of the novel in Australia Chapters examine colonial fiction women's writing Indigenous novels popular genre fiction historical fiction political novels and challenging novels on identity and belonging from recent decades not least the major rise of Indigenous novel writing Essays focus on specific periods of major change in Australian history or range broadly across themes and issues that have influenced fiction across many years and in many parts of the country

Lebanese Migrants in Australia and New Zealand, 2004 *Postcolonial Lack* Gautam Basu Thakur, 2020-01-01 Postcolonial Lack reconvenes dialogue between Lacanian psychoanalysis and postcolonial theory in order to expand the range of cultural analyses of the former and make the latter theoretically relevant to the demands of contemporary narratives of othering exclusion and cultural appropriation Seeking to resolve the mutual suspicion between the disciplines Gautam Basu Thakur draws out the connections existing between Lacan's teachings on subjectivity and otherness and writings of postcolonial and decolonial theorists such as Gayatri Spivak Frantz Fanon and Homi Bhabha By developing new readings of the marginalized other as radical impasse and pushing the envelope on neoliberal identity politics the book moves postcolonial studies away from the perennial topic of identity and difference and into examining the form and function of the other as excess surplus and or lack in colonial and postcolonial literature film and social discourse Looking at writings by Mahasweta Devi Amitav Ghosh Leila Aboulela Narayan Gangopadhyay Katherine Boo and films by Gillo Pontecorvo Clint Eastwood Ryan Coogler Black Panther and Tony Gatlif Basu Thakur highlights a new set of ethical and political considerations emerging as a direct result of this shift and stakes a fundamental rethinking of postcoloniality through what he calls the politics of ontological discordance *Australian Book Review*, 1999 A New Generation of African Writers Brenda Cooper, 2013 Brenda Cooper examines the work of the new generation of African writers who have placed migration

as central to their writing     Straussophobia Peter Minowitz,2009-08-15 Leo Strauss and his students have long been accused of mendacity elitism and militarism but the Iraq War has prompted unprecedented levels of caustic and inaccurate denunciations Inappropriate criticisms have issued from artists Tim Robbins politicians Ron Paul journalists Joe Klein and even highly lauded scholars such as Arthur Schlesinger Jr Gordon Wood Douglas Massey Stephen Holmes Anne Norton Shadia Drury Sheldon Wolin John Pocock John Yolton Nicholas Xenos and Brian Leiter In Straussophobia Peter Minowitz provides a methodical and detailed critique of the major offenders especially of Drury who maintains that Strauss established a covert tyranny that would keep the Western world mired in perpetual war In replying to such charges\_and to various authors who belittle Strauss s contributions as a scholar\_Minowitz highlights the imaginative yet meticulous manner in which Strauss interpreted Thucydides Plato Xenophon Farabi Machiavelli Hobbes Locke and Carl Schmitt Straussophobia also provides both a comprehensive assessment of Strauss s 1933 letter that commended fascist authoritarian and imperial principles and a compelling account of Strauss s influence or lack of influence on neoconservative promoters of the Iraq War e g Paul Wolfowitz Richard Perle and Lewis Libby The book likewise breaks new ground in employing diversity discourse to explain and combat the bigotry and buffoonery that pervade attacks against Strauss and Straussians\_and in drawing on Strauss to illuminate the distortions that mar some widely used arguments for affirmative action     Australian National Bibliography ,1997-12     **Aquinas and Modernity** Shadia B. Drury,2008-05-16 In this startling book Drury overturns the long standing reputation of Thomas Aquinas as the most rational exponent of the Christian faith She reveals that Aquinas as one of the most zealous Dominicans Domini Canes or Hounds of the Lord The book contains incisive criticisms of Aquinas s reconciliation of faith and reason his defense of papal supremacy his justification of the Inquisition his insistence on the persecution of Jews and his veneration of celibacy Far from being an antiquarian exercise Drury shows why the study of Aquinas is relevant to the politics of the twenty first century where the primacy of faith over reason has experienced a revival The current pope Benedict XVI relies heavily on Aquinas when prescribing cures for the ills of modernity For Drury religion is as incompatible with political moderation and sobriety in our time as it was in the thirteenth century This is why she defends a secular version of Aquinas s theory of natural law\_a theory that he betrayed in favor of what she calls the politics of salvation     **Abdel Qader a Palestinian Refugee from Majdal Yaba** Samuel K. Snail,2014-02-13 INSPIRED BY TRUE EVENTS FOLLOWING THE LIFE OF ABDEL QADER FROM MAJDAL YABA TO JORDAN AND THE GULF     *Day by Day with Jesus: Remembering Christ's true promises and realizing God's presence* James Abdelmalek,2022-08-01 In our daily lives we run into multiple emotions We may run into troubles yet we can find peace We may face hardships yet we can find prosperity We may find suffering yet we can find comfort We may get angry yet we can find calmness We may get desperate yet we can find hope We may hate others yet we can find love We may judge others yet we can find forgiveness We may hurt others yet we can be a help We may stumble others yet we can be an inspiration We may curse yet we can bless We may gossip yet we

can pray It is simply a choice between living as the world and living through Jesus Jesus is always present as He promised God is always near as He assured us We run into sorrow because we forget God s true promises We are sad in our life because we forget Christ s guidance If we look at God s words and contemplate about how much He cares for us and how much He loves us We will be able to handle any situation at any time by any means through Christ our Lord Legion Shadia Hrichi,2019-10-08 Witness the Divine Power of Jesus That Transforms a Demoniak into a Disciple Legion a man known only by the name of the demons that tormented him is not a famous person in the Bible Do you know his story Climb into the boat and follow Jesus on his mission of rescue and then celebrate the ways that God s sovereign power and relentless love can bring deliverance to any wounded soul including yours Sometimes we feel trapped and alone But there is nothing that God cannot overcome Through this six week in depth Bible study you will discover how God is working to bring redemption and deliverance to your life **Rahab** Shadia Hrichi,2023-10-31 Step into the story of Rahab a woman who witnessed no miracles and knew none of God s laws She merely heard of God s power and believed The story of Rahab appears after God commissions Joshua to lead the Israelites after the death of Moses No sooner do the people come to the edge of the Promised Land than God puts the whole drama on hold to tell us the story of a Canaanite prostitute This interruption of the conquest story gives us our first glimpse into the theological significance of Rahab s story In the New Testament Rahab holds a surprisingly prominent position in several key faith passages as well as being listed in the lineage of Christ In fact she marries a prince The prostitute marries a prince This is the stuff of movies The heartbeat of the Bible is God s passionate pursuit of his adulterous Bride a theme that echoes within the depths of every human heart But the best part Rahab s story is our story It s a story centered on three key themes without which there would be no Bible no gospel and no Savior faith grace and salvation Through her daring faith Rahab hid enemy spies defied her king risked her life and found the living God By the time you finish this six week study you will never look at the story of Rahab the same way again

Hagar Shadia Hrichi,2017-10-10 You are The God Who Sees Me Discover a close relationship with God no matter the pain or suffering in your life Witness the depths of God s compassion through the eyes of Hagar a runaway slave who meets the living God in a desert of despair where she gives Him the name El Roi The God Who Sees Me A largely forgotten Old Testament character Hagar is actually one of only a few people who have ever spoken directly with the LORD Through this seven week study you will find that when you surrender your life into God s hands your trials and triumphs serve a magnificent purpose to draw you into the arms of the faithful God who sees you John Rawls J. Donald Moon,2014-08-26 Donald Moon s John Rawls Liberalism and the Challenges of Late Modernity is distinguished not only by the originality of its contribution to the literature on one of the most important political philosophers of the 20th century but for an argument that will be accessible to students as well as scholars of justice and its complex array of controversial issues at the heart of our hyper modern globalized world Rawls s work is often viewed primarily through the lens of liberal theories of social justice

focusing on issues of income distribution and economic inequality Moon allows for a more complete understanding of Rawls legacy by setting his account of social justice in the context of modern and increasingly pluralistic democracies Moon's reading of Rawls shows how his work breaks with political theory's traditional aspiration to provide a general theory of politics including a theory of justice which can be rationally vindicated Instead Rawls views theorizing as itself a practical political form of engagement which offers a specifically political conception of justice and political principles more generally that speak to the conditions of modern democratic citizens

### **Carl Schmitt and the Intensification of Politics**

Kam Shapiro, 2008-07-25 This book considers the relevance of Schmitt's work for contemporary debates surrounding democratic sovereignty and global politics

*Unsettling the World* Jeanne Morefield, 2022-04-29 *Unsettling the World* is the first book length treatment of Edward Said's influential cultural criticism from the perspective of a political theorist Arguing that the generative power of Said's thought extends well beyond *Orientalism* the book explores Said's writings on the experience of exile the practice of contrapuntal criticism and the illuminating potential of worldly humanism Said's critical vision Morefield argues provides a fresh perspective on debates in political theory about subjectivity global justice identity and the history of political thought Most importantly she maintains Said's approach offers theorists a model of how to bring the insights developed through historical analyses of imperialism and anti colonialism to bear on critiques of contemporary global crises and the politics of American foreign policy

*Lincoln* Steven Johnston, 2018-08-16 The judgment that Abraham Lincoln is the finest president in the history of the United States borders on self evident This status tends to disable the very possibility of a more critical understanding or appreciation one that does not work explicitly or implicitly within the taken for granted frame of his greatness Still America is not blind to or ignorant of Lincoln's shortcomings Rather it is in part because of these shortcomings that Lincoln is revered Thus if the country needs to legitimize a problematic course of action it is Lincoln to whom it turns Lincoln America reminds itself suspended habeas corpus jailed political opponents suppressed speech held racist views and pursued racist policies The Lincoln that America idealizes is a thoroughly ambiguous figure Simultaneously the country tends to downplay or conveniently overlook the underside of Lincoln part of a larger political pattern in which it proclaims its exceptionalism while indulging the very worst as it conducts its political affairs It is time to take Lincoln's ambiguity seriously which might put America in position to recognize that one reason it routinely falls short of its democratic principles and commitments is that it may not just like Lincoln fully believe in them In *Lincoln The Ambiguous Icon* Steven Johnston explores Lincoln's complicated political thought and practice reinterpreting the Gettysburg Address the Second Inaugural and some of the many manifestations of Lincoln in film monuments and memorials that conceal but also reveal the terrible ambiguity of this marginally understood American figure

### *Publius and Political Imagination* Jason

Frank, 2013-12-05 Jason Frank's *Publius and Political Imagination* is the first volume of the *Modernity and Political Thought* series to take as its focus not a single author but collaboration between political thinkers in this very special case the

collective known by the pseudonym Publius Frank's revisionist reading of *The Federalist Papers* perhaps the most canonical text in American political thought counters familiar realist and deliberativist interpretations and demonstrates the neglected importance of political imagination to both Publius's arguments and to the republic he was invented to found
