Shadow Academy Jamie Campbell, 2021-12-04 My new school is trying to kill me Literally All supernatural creatures don't have a choice we must attend Shadow Academy Unfortunately we're also supposed to have magical powers Which I don't My existence at the Academy hinges on staying undetected even once they start picking us non magicals off one by one It seems like everyone is watching me and it won't take a genius to work out I'm powerless I can't trust anyone Not the infuriating gorgeous warlock or the awesome werewolf who has been so nice to me To make matters worse I think the supernatural council is hiding things from us Information that could open up a whole new world of possibilities especially for me I have to blend in if I hope to survive Shadow Academy Pity I've never been good at fitting in Shadow Academy is the first book in an exciting new urban fantasy series featuring witches werewolves vampires shapeshifters seers and everything magical

The Shadow Academy Adrian Cole, 2014-08-01 In a world no more than a whisper away from our own the Islands of Grand Britannia have been reduced by the ancient Plague Wars to a land of deep forests and a handful of small cities governed by a powerful totalitarian Authority based in the central city of Londonborough Chad Mundy a young teacher is sent to the remote city of Petra Dumnoniorum to replace a colleague believed to have committed suicide It soon becomes evident that there are darker more sinister secrets locked up in the claustrophobic world of the Academy As Mundy unravels the treachery and deceptions behind the Authority himself threatened and ultimately hunted by the ruthless Enforcer Deadspike the world of the dissident pagans and their hopes for freedom are cruelly tested Events rush towards a fateful confrontation between the totalitarian Authority and the insurgents culminating at the Midsummer festival and coinciding with a storm that will ultimately lead to tragedy

Shadow Academy Kevin J. Anderson, Rebecca Moesta, 1995 Shadow Academy: The Complete Series Kat Cotton, 2020-10-21 Shadow Academy has many secrets and I'm one of them Plucked from foster care and offered a scholarship to an elite school I figured I had it made But it didn't take me long to discover how this school worked Scholarship kids at the bottom of the heap and way at the top Ren Worthington With his breath taking good looks and bottomless pits of family money you'd think he'd have better things to do than bully us poor kids Not so Ren and the other human students live their lives unaware of the creatures lurking in the dark But us scholarship kids weren't selected just for our academic skills We're all half bloods and freaks fae witch shifter demon In return for our free ride we protect the rich brats from paranormal dangers I don't want to get close to Ren I don't want to work with him and I sure don't want to succumb to his charms but I have no choice Things aren't what they seem on the surface Our families have a history that goes way back and the connection between us might just be the thing to save or destroy me Shadow Academy has many secrets and maybe Ren is one of them

Shadow Academy Jamie Campbell, 2019-10-03 From the age of eighteen it is compulsory for all supernatural creatures to attend Shadow Academy Failure to do so will result in certain death Or in my case attendance will probably also result in certain death I am what they refer to as a Roach a supernatural creature with no

actual powers They think I m a terrorist that I will tell the human world the truth about us and expose us all All I want to do is get through my first week at the Academy but they are picking off the Roaches one by one and I m terrified I ll be next I can t trust anyone Not the gorgeous warlock Liam or the werewolf Cress who has been so nice to me If I m going to survive Shadow Academy I m going to have to blend in ignore the infuriating hot guy do my roommate s homework and lie my butt off Sounds easy right Pity I ve never been good at fitting in Shadow Academy is the first book in an exciting new urban fantasy series featuring witches werewolves vampires seers and everything magical **Tales from the Shadowhunter**
