Shadow Of His Wings:

The Shadow of His Wings Gereon Goldmann, 2009-09-03 We had to do it We had to reprint this book Rarely has a book had such an impact on so many of us here at Ignatius Press It is one of the most powerful and moving books we have come across If you can only buy one book this season this must be the one Here is the astonishing true story of the harrowing experiences of a young German seminarian drafted into Hitler's dreaded SS at the onset of World War II Without betraying his Christian ideals against all odds and in the face of Evil Gereon Goldmann was able to complete his priestly training be ordained and secretly minister to German Catholic soldiers and innocent civilian victims caught up in the horrors of war How it all came to pass will astound you Father Goldmann tells of his own incredible experiences of the trials of war his many escapes from almost certain death and the diabolical persecution that he and his fellow Catholic soldiers encountered on account of their faith What emerges is an extraordinary witness to the workings of Divine Providence and the undying power of love prayer faith and sacrifice Illustrated Donne at Sermons Gale H. Carrithers, John Donne, 1972-01-01 In *Donne at Sermons* Gale Carrithers uncovers the theocentric existentialism that underlies the content and structure of the great poet preacher's sermons After considering Donne's grand strategies within the generic form of the sermon the author gives detailed expositions of four individual sermons moving freely from Donne's ontology to his nimble metaphor Initially this study defines the genre of sermon and considers how to evaluate its literary or artistic success The author places the sermon in its actual setting both in a physical church and in church liturgy Here Carrithers makes use of present day ideas concerning sound in space concepts which he also utilizes when he anatomizes the role and purpose of the preacher The author stresses how Donne could give great immediacy to his discourse through his actual participation as preacher not only as speaker of the sermon but as a character in its substance as well Still viewing the sermons as one homogeneous body Carrithers examines the assumptions that animate them Once he has shown that religion can be defined as existential the author points out how Donne's ontology fits such an existential pattern and how this limited form of relativism permeates the sermons from their structural framework down to the individual metaphoric formulations When he turns to consider individual sermons the author demonstrates this thesis most convincingly In conclusion he notes that many of the admirable qualities which characterize Donne's other works are present in his sermonic discourse but that these are augmented by the sermon's liturgical significance and the special interaction that takes place between the speaking minister and the listening congregation The four sermons discussed follow the author's analysis to provide the reader with texts **Living Hymns**, 1890 *Joy to the World* Edwin Othello Excell, 1915 Gospel Hymns Nos. 1 to 6 Ira David Sankey, 1894 **Gospel Hymns**, 1892 Gospel Hymns No. 5 James McGranahan, George Coles Stebbins, Ira David Sankey, 1887 **Till He Come** Charles Hadden Spurgeon, 2017-04 An indepth series of sermons and teachings on the holy sacrament of communion Spurgeon in his brilliance uses a variety of scriptures that all relate to the eucharist to teach us about the importance of this

Biblical practice and why we need to be observing it in either formal church settings or within small groups of fellow believers **Cloaked** Ali Dixon, 2020-04-22 I knelt naked alone on the shower floor sobbing unable to bear the weight of my own soul Tears flowed down the drain with the shower water I prayed begged pleaded for the pain to end I watched helpless as my life slipped away from me out of my grasp I clung to it I clawed at it but it just kept slipping away Life down the drain No more hope No more dignity Shattered I stopped trying to hold on and placed all in the hands of my Heavenly Father And He wrapped His cloak around me The Tabernacle, the Priesthood, and the Offerings Henry William Soltau, 1880

Triumphant Songs, No. 1- Edwin Othello Excell, 1896 The Revival, Suitable for All Kinds of Religious Meetings Charlie Davis Tillman, 1890 **Gospel Hymns Nos. 5 and 6 Combined** Ira David Sankey, James McGranahan, George Coles Stebbins, 1892 Washington News Letter, 1912 **The Christian endeavour hymnal, gen. ed. J.B. Morgan** Christian endeavour union, 1898 The Shadow of His Wings Bruce Chandler Fergusson, 2000-10 *The Works of John Donne ... With a Memoir of His Life. By [i.e. Edited By] Henry Alford* John Donne, 1839 The Years of Tears and His Glory Helen J. Snider, 2013-12-20 My husband and I retired in 1990 In the year that followed we moved to Grove Oklahoma We were so excited Confidently we looked forward to the future that held our plans for a new way of life Then with no warning on August 5 1996 while we were sleeping my husband went to be with Jesus With his passing our dreams once filled with warmth and expectations became transparent ashes for me The life we had known and shared was over In my grief and sorrow the Holy Spirit came In the early morning hours of September 14 1996 I awakened knowing there was a presence within the room I was not afraid Although I did not hear an audible voice He comforted me From those moments with Him a hunger was born within my heart to know Him better From that day forward He became the focus of my life and an inner peace began to grow within me I invite you to join me and follow the steps of my journey with the Holy Spirit I believe this book will be a source of healing for those who are experiencing heartache and those who are in spiritual need I promise you when you give your heart to Jesus He in return will then do a greater work in you and you will reap the rewards of peace joy and happiness All monies received from the sale of this book will be donated to the ministries of God Windows on His World Dora Hagge, 2007-09 This book is a progression of individual windows that share revelations and experiences that have been part of Dora Hagge's Christian journey Through easy to read stories that are anchored in the Word the reader will gain valuable insight into God's ways and purposes and learn how to apply the Word of God to every day life **Triumphant Songs, Nos. 3 & 4 Combined** Edwin Othello Excell, 1894
