Modesitt, Jr.,2020-07-21 Bestselling author of The Mongrel Mage L E Modesitt Jr s Quantum Shadows blends science fiction myth and legend in an adventure that pits old gods and new against one another in a far future world On a world called Heaven the ten major religions of mankind each have its own land governed by a capital city and ruled by a Hegemon That Hegemon may be a god or a prophet of a god Smaller religions have their own towns or villages of belief Corvyn known as the Shadow of the Raven contains the collective memory of humanity s Falls from Grace With this knowledge comes enormous power When unknown power burns a mysterious black image into the holy place of each House of the Decalivre Corvyn must discover what entity could possibly have that much power The stakes are nothing less than another Fall and if he doesn t stop it mankind will not rise from the ashes At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Global Political Economy Ronen Palan,2013-05-07 Global Political Economy GPE is a broad and varied field of study and draws insight from a great number of fields and approaches One of the serious problems confronting academics and students is the sheer mass of theories and debates in the field This

textbook provides up to date summaries of the debates and approaches that are currently at the forefront of both European and American GPE This new revised and expanded second edition contains updated versions of most of the original chapters In addition there is a new section entitled Emerging issues in contemporary Global Political Economy GPE and six new chapters The second edition is structured around three themes Part I focuses on the six central concepts of GPE state firm power labour finance and globalization Each one of them has been increasingly subjected to a rigorous and critical evaluation in recent scholarship Part II covers a select number of theories and debates currently at the forefront of GPE game theory behavioural economics neo sociological and evolutionary institutionalism neo Marxism development and post development libidinal economies and economic constructivism Part III which is new to this edition is entitled Emerging issues in contemporary Global Political Economy GPE and focuses on war state and International Political Economy IPE race gender and culture environmental politics and the rise of China This is essential reading for all serious scholars and advanced students of IPE **The Publishers Weekly** ,2002 **In the Shadows of the American Century** Alfred W.

McCoy,2017-09-12 The award winning historian delivers a brilliant and deeply informed analysis of American power from the Spanish American War to the Trump Administration New York Journal of Books In this sweeping and incisive history of US foreign relations historian Alfred McCoy explores America s rise as a world power from the 1890s through the Cold War and its bid to extend its hegemony deep into the twenty first century Since American dominance reached its apex at the close of the Cold War the nation has met new challenges that it is increasingly unequipped to handle From the disastrous invasion of Iraq to the failure of the Trans Pacific Partnership fracturing military alliances and the blundering nationalism of Donald Trump McCoy traces US decline in the face of rising powers such as China He also offers a critique of America s attempt to maintain its position through cyberwar covert intervention client elites psychological torture and worldwide surveillance

Senior High Core Collection Raymond W. Barber,Patrice Bartell,2007 Features annotations for more than 6 200 works in the main volume 2007 and more than 2 400 new titles in three annual supplements published 2008 through 2010 New coverage of biographies art sports Islam the Middle East cultural diversity and other contemporary topics keeps your library s collection as current as today s headlines *Global English and Political Economy* John P. O'Regan,2021-04-19 In this book John O'Regan examines the role of political economy in the worldwide spread of English and traces the origins and development of the dominance of English to the endless accumulation of capital in a capitalist world system O'Regan combines Marxist perspectives of capital accumulation with world systems analysis international political economy and studies of imperialism and empire to present a historical account of the free riding of English upon the global capital networks of the capitalist world system Relevant disciplinary perspectives on global English are examined in this light including superdiversity translanguaging translingual practice trans spatiality language commodification World Englishes and English as a Lingua Franca *Global English and Political Economy* presents an original historical and interdisciplinary

interpretation of the global ascent of English while also raising important theoretical and practical questions for perspectives which suggest that the time of the traditional models of English is past Providing an introduction to key theoretical perspectives in political economy this book is essential reading for advanced students and researchers in applied linguistics World Englishes and related fields of study War in a Changing World Zeev Maoz, Azar Gat, 2001 Essays tracing the changing nature of war in relation to global and regional changes Middle Powers and Regional Influence Joshua B. Spero, 2018-11-16 In the growing literature on middle powers this book contributes by expanding case study analysis and extending international relations theory in its application to foreign policy decisions Thus this book builds on prominent middle power literature and aims to advance our theoretical understanding for why crucial foreign policies were made by the pivotal middle powers this book examines Poland South Korea and Bolivia For this book s three case studies and their first term leadership s critical junctures from first term post communist Poland post authoritarian post ruling party South Korea and post colonial Bolivia we have the antecedents for contemporary middle powers essential for realizing the regional evolution for cooperative change with greater powers systemically we may then grasp today why those historical foreign policies albeit not so long ago give us crucial antecedents for adapting and trying yet again to resolve seemingly perennial power dilemmas regionally peacefully Here are why middle power impact matters not only regionally for stronger dominant greater power neighbours but also for transformative middle power leaderships which proved pivotal geopolitically for their region s challenges and changes **European Security in the Twenty-First Century** Adrian Hyde-Price, 2007-02-12 Combining a sophisticated theoretical analysis with detailed empirical case studies this book provides an original view of the challenges and threats to a stable peace order in Europe The end of Cold War bipolarity has transformed Europe Using structural realist theory Adrian Hyde Price analyzes the new security agenda confronting Europe in the twenty first century Europe he argues is not primed for peace as mainstream thinking suggests rather it faces new security threats and the challenge of multipolarity This critical and original volume looks at European security after the Iraq War the failure of the EU constitution and the change of government in Germany Reflecting on the inherently competitive and tragic nature of international politics it concludes that realism provides the only firm foundations for an ethical foreign and security policy European Security in the Twenty First Century will appeal to students and scholars of international relations European politics and security studies **China Stands Up** ,
