Shadow Trade:

Trading with Candlesticks Michael C. Thomsett, 2010-08-04 Traders who use charts to time their moves rely on strong and clear signals Unfortunately price levels and traditional technical indicators alone aren't always reliable There is a solution candlestick signs moves and patterns When these visual signs of reversal or continuation are integrated with other signals they provide the strongest possible entry and exit timing both the signal and the means for confirming it In this easy to use book renowned trader Michael C Thomsett demystifies candlesticks and shows active traders exactly how to use them In *Trading with Candlesticks* Thomsett explains how each leading candlestick works how they appear and how to interpret them to discover emerging price moves and trend reversals as well as confirmations of existing trends *Trading with Candlesticks* shows dozens of examples of candlestick signs moves and patterns in action explaining them not in isolation but as part of broader developing price trends on real stock charts Thomsett also discusses failed signals and offers guidelines for identifying the likely impending failure or success of each pattern While no investing approach is 100% foolproof Thomsett's system for recognizing candlestick signals and confirming them with other technical signs makes technical analysis more accurate than it's ever been before
