the interaction between two factors the type of local order that a leading state prefers and the type of local power shift that appears to be taking place The first captures a leading state's main interest in a peripheral region and serves as the baseline for its evaluation of any changes in the status quo Would the leading state like to see a balance of power rather than a preponderance of power does it favor primacy over parity instead or is it impartial between these alternatives The second indicates how a local power shift is likely to unfold In particular which regional order is an emerging power trying to create and does a leading state expect it to succeed Montgomery tests his arguments by analyzing Great Britain's efforts to manage the rise of Egypt the Confederacy and Japan during the nineteenth century and the United States efforts to manage the emergence of India and Iraq during the twentieth century Shadow of Hegemon Hb Bookclub Orson Scott Card,2001-01-18 Shadow of the Hegemon Orson Scott Card,2001-12 For use in schools and libraries only In a novel of war between humans and aliens a child warrior called Bean from the Battle School becomes the friend confidant strategist and right hand of Ender Wiggin **Shadow Puppets** Orson Scott Card,2002 Follow the fates of Ender's fellow pupils from Battle School now facing terrible new challenges both personal and political Manoeuvring through international politics and war Peter Wiggin and Achilles are each determined to defeat the other and become Hegemon *The Last Shadow* Orson Scott Card,2021-11-16 Orson Scott Card's The Last Shadow is the long awaited conclusion to both the original Ender series and the Ender's Shadow series as the children of Ender and Bean solve the great problem of the Ender Universe the deadly virus they call the descolada which is incurable and will kill all of humanity if it is allowed to escape from Lusitania One planet Three sapient species living peacefully together And one deadly virus that could wipe out every world in the Starways Congress killing billions Is the only answer another great Xenocide At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **Empire** Orson Scott Card,2006-11-28 A disturbing look at a possible future *Shadows in Flight* Orson Scott Card,2013-01-29 Ender's Shadow explores the stars in this all new novel At the end of Shadow of the Giant Bean flees to the stars with three of his children the three who share the engineered genes that gave him both hyper intelligence and a short cruel physical life The time dilation granted by the speed of their travel gives Earth's scientists generations to seek a cure to no avail In time they are forgotten a fading ansible signal speaking of events lost to Earth's history But the Delphikis are about to make a discovery that will let them save themselves and perhaps all of humanity in days to come For there in space before them lies a derelict Formic colony ship Aboard it they will find both death and wonders the life support that is failing on their own ship room to grow and labs in which to explore their own genetic anomaly and the mysterious disease that killed the ship's colony *Shadows in Flight* is the fifth novel in Orson Scott Card's Shadow Series THE ENDER UNIVERSE Ender series Ender's Game Speaker for the Dead Xenocide Children of the Mind Ender in Exile Children of the Fleet Ender's Shadow series Ender's Shadow Shadow of the Hegemon Shadow Puppets Shadow of the Giant Shadows in Flight The First Formic War with Aaron Johnston Earth Unaware Earth Afire Earth Awakens
