Dézafi Frankétienne, 2018-10-30 D zafi is no ordinary zombie novel In the hands of the great Haitian author known simply as Frank tienne zombification takes on a symbolic dimension that stands as a potent commentary on a country haunted by a history of slavery Now this dynamic new translation brings this touchstone in Haitian literature the first book ever published in Haitian Creole to English language readers for the first time Written in a provocative experimental style with a myriad of voices and combining myth poetry allegory magical realism and social realism D zafi tells the tale of a plantation that is run and worked by zombies for the financial benefit of the living owner The owner s daughter falls in love with a zombie and facilitates his transformation back into fully human form leading to a rebellion that challenges the oppressive imbalance that had robbed the workers of their spirit With the walking dead and bloody cockfights the d zafi of the title as cultural metaphors for Haitian existence Frank tienne s novel is ultimately a powerful allegory of political and social liberation
