The Stronghold Dino Buzzati, 2023-05-23 A glory starved soldier spends his life awaiting an absent long expected enemy in this influential Italian classic of existentialism now newly translated and with its originally intended title restored At the start of Dino Buzzati's *The Stronghold* newly commissioned officer Giovanni Drogo has just received his first posting the remote Fortezza Bastiani North of this stronghold are impassable mountains to the south a great desert and somewhere out there is the enemy whose attack is imminent This is the enemy that Lieutenant Drogo has been sent to draw out of his lair to defeat once and for all returning home in triumph And yet time passes and where is the enemy As the soldiers in the fortress await the foretold day of reckoning they succumb to inertia and though death occurs it is not from bravery Decades pass A lifetime passes Drogo however still has his lonely vigil to keep Buzzati is one of the great Italian writers of the twentieth century renowned for his fantastical imagination and for a touch that is as lyrical as it is light *The Stronghold* previously translated as *The Tartar Steppe* is his most celebrated work a book that has been read as a veiled attack on Mussolini's fascist militarism a prophetic allegory of the Cold War and an existentialist fable Lawrence Venuti's new translation reverts to the title that Buzzati originally intended to give his book and seeks to bring out both the human and the historical dimensions of a story of proven power and poignancy

Fighting Shadows Jefferson Bethke, Jon Tyson, 2024-05-21 Discover the satisfaction of becoming the man God created you to be In a world that's grown increasingly confused about and hostile toward the very notion of masculinity authors Jefferson Bethke and Jon Tyson send a powerful call to men everywhere it's time to step into the light of Jesus vision for you as a man There's a shadow that's settled over the hearts of men today Masculinity is in crisis Critiques about the dangers of toxic masculinity and the abuses of patriarchal systems have grown louder than ever The very notions of masculinity and manhood are under attack In response to cultural shifts some have doubled down on old stereotypes in ways that just add to the conflict and confusion The result Many men simply feel paralyzed worried about saying the wrong thing unsure what to do with their ambitions or strengths simultaneously tempted and shamed by a hypersexualized and pornified culture Our models and mentors have failed us

Based on their years of working in men's ministry Bethke and Tyson have good news for men looking for clarity and courage in this age of quiet desperation. In *Fighting Shadows* they help men overcome the temptations of escapism, passivity, or overcompensation. Combat the most harmful shadows that men battle today including loneliness, apathy, distraction, lust, and shame. Embrace masculinity as a God-given gift, not a curse to be avoided, suppressed, or battled. An entire generation of men is being told they should abdicate the responsibility and joy of living into God's calling on their lives. Don't be one of them. If you're a man who's wondering what to do with your strength, your longings, and your gifts, it's time to step out of the shadows. Jesus has a vision for you. *Shadows Exposed* Travis Verge, 2012-05. We must remember from Matthew 4 that we are in Satan's domain and we are living behind enemy lines. No wonder the pain and strife we deal with on this earth are so constant; we are living in his territory. Do you wonder what Satan's involvement is in suffering, or if the Holy Spirit is active among us? Are there dark forces among us, and if so, how do we recognize them? *Shadows Exposed* is a Bible study that delves into the spiritual warfare that we must face every day. From demonic possession to the biases that have been built up within denominations, the devil is lying in wait to ensnare the most unsuspecting people. Make sure that you don't fall prey to his lies. Keep yourself in the light as Jesus is in the light. Travis Verge has left *Shadows Exposed* in this revealing study of Satan and his tactics to keep today's world in his clutches.

Shadows of Empire Laurie Jo Sears, 1996. *Shadows of Empire* explores Javanese shadow theater as a staging area for negotiations between colonial power and indigenous traditions. Charting the shifting boundaries between myth and history in Javanese Mahabharata and Ramayana tales, Laurie J. Sears reveals what happens when these stories move from village performances and palace manuscripts into colonial texts and nationalist journals, and most recently comic books and novels. Historical, anthropological, and literary in its method and insight, this work offers a dramatic reassessment of both Javanese literary/theatrical production and Dutch scholarship on Southeast Asia. Though Javanese shadow theater (wayang) has existed for hundreds of years, our knowledge of its history, performance practice, and role in Javanese society only begins with Dutch documentation and interpretation in the nineteenth century. Analyzing the Mahabharata and Ramayana tales in relation to court poetry, Islamic faith, Dutch scholarship, and nationalist journals, Sears shows how the shadow theater as we know it today must be understood as a hybrid of Javanese and Dutch ideas and interests inseparable from a particular colonial moment. In doing so, she contributes to a re-envisioning of European histories that acknowledges the influence of Asian, African, and New World cultures on European thought, and to a rewriting of colonial and postcolonial Javanese histories that questions the boundaries and content of history and story, myth and allegory, colonialism and culture. *Shadows of Empire* will appeal not only to specialists in Javanese culture and historians of Indonesia, but also to a wide range of scholars in the areas of performance and literature, anthropology, Southeast Asian studies, and postcolonial studies.

urban settings through social networks This approach offers a unique perspective by focusing on the spatial dimension of rebellion moving beyond traditional accounts to examine the concrete spaces where resistance takes root
