discovered her in the backyard clawing the earth furiously with my bare hands intent on digging a grave so that I could bury myself alive that she finally found help After a stay in a psych ward she eventually found the light within an emotional and spiritual awakening from the darkness of her tortured mind Gayathri s inspiring story provides a first of its kind cross cultural view of mental illness how it is regarded in India and in America and how she drew on both her rich Hindu heritage and Western medicine to find healing
