Shadows Of The Heart A Spirituality Of The Painful Emotions:

Shadows of the Heart James D. Whitehead, Evelyn Eaton Whitehead, 1994 *Shadows of the Heart* explores the positive potential hidden in anger guilt shame and depression The book s key conviction our bad feelings can be good news alerting us to endangered values alarming us to hopes under siege and arming us for the tough tasks of change Filled with lively examples the book demonstrates how negative emotions can lead to personal growth spiritual development and social transformation Family wounds cultural temptations and religious malpractice make it difficult for us to plumb the meaning of our passions breaking through these obstacles is part of spirituality s healing task In pursuit of such a spirituality the authors draw on rich images of the Jewish Christian heritage complemented by nuances from Chinese religious tradition In so doing they speak directly to the contemporary yearning for meaning the hunger to make sense of our personal and shared lives The result is a book that comforts encourages and challenges Shadows of the Heart Evelyn Eaton Whitehead, James D.

Discerning Heart Wilkie Au, 2006 **Holy Eros** James D. Whitehead, Evelyn Eaton Whitehead, 2009 Eros is the passionate energy that makes us one with the beautiful other with a leper with the world of nature waiting to be embraced and cared for with our neighbor the stranger with God The Whiteheads explore this vital energy of love as the gift of a Creator madly in love with his creation a God who would bring us to life in abundance if we only say Yes They discuss Eros in the movements of our sexuality as well as in our arousals of compassion and care They examine the Eros of pleasure and of generosity They

honor the Eros of hope of anger of suffering They reveal that Eros has a Source far deeper than lust and is a pathway to a passionate God Holy Eros recovers this fundamental energy of love as a powerful resource in the revitalization of Christian spirituality Unlike most books on the topic it eschews easy clichés Its reader benefit is to understand and appreciate an energy that can heal as well as hinder and to tap into its positive force **Living, Loving and Loss** Brad DeFord, Richard

Gilbert, 2016-12-05 One of the unspoken aspects of mourning concerns the ways that loss affects our intimate relationships and our sexual expressiveness This text opens these subjects for conversation with the aim of promoting the trust care and respect that enable us to be vulnerable It purposefully covers a range of topics including 1 the meaning of intimacy and the significance of sexuality providing a basis for the use of these terms throughout the book 2 death grief and differences in sexual orientation including death and intimacy in the lesbian gay bisexual and transgender LGBT community and the losses endured by young people due to gender issues 3 loss of relationship and restoration of intimacy in families including pharmacological effects on the grief processes of widowers grieving a not so loved parent the layered losses of infertility and intimacy and the tolls of war intimacy and sexuality challenges for soldiers and their families 4 adjusting to life's losses associated with aging or illness or infirmity including Alzheimer's and dementia related illnesses physical health losses after 50 and intimacy sex and hospice self determination and dignity at the end of life and 5 religious bases that have shaped our perspectives for understanding intimacy sexuality and healing after loss and which give us hope including the spiritual reflections of a rabbi and a Christian voice in defining what is right Set in a framework that is both psychological and spiritual the well researched contributions are intended to acknowledge these experiences both professionally and personally The book concludes with an extensive bibliography valuable for research and reference This book will be of value in undergraduate and graduate courses on thanatology as well as for anyone interested in knowing more about grief both those currently bereaved and those who wish to support others in mourning The contributors appreciate both the importance of our capacities for intimacy and sexuality and our inhibitions and hesitations in giving voice to our needs and concerns perhaps especially when we are grieving The information and compassionate understanding they provide encourage us to bridge the gap between the secret and the private and to share what is close to our hearts **Fruitful Embraces** Evelyn E.

& James D. Whitehead, 2014-09-10 Sexuality and justice often seem odd bedfellows Sexual embraces of intimacy and passion thrive in our private lives while justice safeguards the laws and duties that govern the public realm Yet intuitively we sense there are deeper connections Both sexuality and justice support the holistic ideal proclaimed by the early Christian writer Ireneaus the glory of God is the human person fully alive Evelyn and James Whitehead combine professional expertise as a psychologist and historian of religion as well as personal experiences and extensive research to explore the interplay of sexuality love and justice on the spiritual journey today While drawing on biblical themes and contemporary psychological insight the Whiteheads examine modern experiences of attachment and vulnerability marriage and friendship compassion

and sexual diversity and the psychological and spiritual experiences of transgender persons a new and often bewildering consideration for many Christians Included is a reflection on a prophetic Christian ministry in support of sexuality and justice that illustrates the importance of moral awareness and sensual attunement to the world Fruitful Embraces utilizes Christian theology and effective pastoral ministry to explore the vital connections between sexuality and Christian spirituality and links between compassion and justice that will encourage anyone on a spiritual journey to open their hearts and minds to the extravagant diversity of creation The Living Church ,1996-07 **OK Lang Magalit at Magtampo sa Diyos** Rico Villanueva, Hindi ka dapat magalit Dapat makita pa rin ang fruit of the Holy Spirit Sabi sa Bible kapag nagalit ka para ka na ring pumatay Masamang magtampo sa Diyos Masama nga ba ang magalit Bawal ba ang magtampo sa Diyos Tama bang magpaka martyr na lamang Ang makaramdam ng galit at iba pang negative emotions ay maaaring maging paraan para mas maging close tayo kay Lord Alamin kung bakit OK Lang Magalit at Magtampo sa Diyos ayon sa sinasabi sa Bible
