

SHADOWS OF WAR

A GERMAN SOLDIER'S LOST PHOTOGRAPHS OF WORLD WAR II

[Interview with Thomas Ellert]

Shadows Of War A German Soldiers Lost Photographs Of World War Ii

Geoffrey Hayes

Shadows Of War A German Soldiers Lost Photographs Of World War II:

Shadows of War Willi Rose, Petra Bopp, 2004 A collection of previously unpublished photographs taken by a foot soldier on the front lines of the German war machine during the Second World War captures powerful images of soldiers undertaking quotidian tasks sharing moments of leisure and canvassing the aftermath of battle 15 000 first printing **Private Pictures** Janina Struk, 2020-09-14 Snapshots taken by American soldiers of Iraqi prisoners stripped naked humiliated and tortured shocked the world in 2004 and more have followed from the conflict in Afghanistan but whether the public have been horrified by the soldiers conduct or the fact they have taken pictures has not been clear In fact as this remarkable book reveals and relates soldiers have taken photographs of war and its atrocities for more than 100 years But their pictures are private intended mainly for the soldiers themselves as mementoes or as attempts to make sense of the chaos brutality and boredom of war They can be gruesome or sociable shocking or mundane and they are seldom regarded as serious contributions to a visual culture of war which since 1939 has been dominated by professional war photography But with the 21st century shift to simple digital photography transmission by the internet available to all and a new citizen journalism soldiers pictures are acquiring a new resonance *Private Pictures* traces this unacknowledged genre of photography from the origins of popular photography in the Boer War through to the present day it discusses how the images have been used and it asks what effect might the wider appreciation of soldiers pictures have on the popular perception of war *Private Life and Privacy in Nazi Germany* Elizabeth Harvey, Johannes Hürter, Maiken Umbach, Andreas Wirsching, 2019-07-18 Highlights the surprising ways in which the Nazi regime permitted or even fostered aspirations of privacy **Drunk on Genocide** Edward B. Westermann, 2021-03-15 In *Drunk on Genocide* Edward B Westermann reveals how over the course of the Third Reich scenes involving alcohol consumption and revelry among the SS and police became a routine part of rituals of humiliation in the camps ghettos and killing fields of Eastern Europe Westermann draws on a vast range of newly unearthed material to explore how alcohol consumption served as a literal and metaphorical lubricant for mass murder It facilitated performative masculinity expressly linked to physical or sexual violence Such inebriated exhibitions extended from meetings of top Nazi officials to the rank and file celebrating at the grave sites of their victims Westermann argues that contrary to the common misconception of the SS and police as stone cold killers they were in fact intoxicated with the act of murder itself *Drunk on Genocide* highlights the intersections of masculinity drinking ritual sexual violence and mass murder to expose the role of alcohol and celebratory ritual in the Nazi genocide of European Jews Its surprising and disturbing findings offer a new perspective on the mindset motivation and mentality of killers as they prepared for and participated in mass extermination Published in Association with the US Holocaust Memorial Museum **Violence and Visibility in Modern History** J. Martschukat, 2013-12-18 Despite the claims of Steven Pinker and others violence has remained a historical constant since the Enlightenment even though its forms and visibility have been radically transformed Accordingly the studies gathered here

recast debate over violence in modern societies by undermining teleological and reassuring narratives of progress

The War's Long Shadow Bradley Smith, 1987-09-15 From Simon Schuster The War's Long Shadow is an exploration of the second World War and its aftermath in China Russia Britain and America Bradley F Smith argues that the social economic and political upheavals that culminated in World War II brought about a redistribution of power that has shaped the post war countries

The Long Shadow of World War II Matthias Strohn, 2021-08-31 2020 marks 75 years since the end of World War II yet even as the war slips from living memory its legacies continue to influence current political and military thinking This anthology will analyze these legacies for a number of countries and regions including China Russia the United States the Near East and Germany illustrating in detail how World War II is not merely a historical event but a defining moment for current military and political thinking around the globe This book will therefore be of interest for those interested in history but also political and military decision makers and followers of current political and military affairs

In the Shadow of War Michael S. Sherry, 1995-01-01 Prize winning historian Michael S Sherry shows how war has defined modern America and argues that militarization has reshaped every facet of American life its politics economics culture social relations and place in the world 17 illustrations

The Secret History of World War II Neil Kagan, Stephen Garrison Hyslop, 2016 From spy missions to code breaking this richly illustrated account of the covert operations of World War II takes readers behind the battle lines and deep into the undercover war effort that changed the course of history From the authors who created Eyewitness to World War II and numerous other best selling illustrated reference books this is the shocking story behind the covert activity that shaped the outcome of one of the world's greatest conflicts and the destiny of millions of people National Geographic's landmark book illuminates World War II as never before by taking you inside the secret lives of spies and spy masters secret agents and secret armies Enigma machines and code breakers psychological warfare and black propaganda secret weapons and secret battle strategies Seven heavily illustrated narrative chapters reveal the truth behind the lies and deception that shaped the secret war eight essays showcase hundreds of rare photos and artifacts many never before seen more than 50 specially created sidebars tell the stories of spies and secret operations Renowned historian and top selling author Stephen Hyslop reveals this little known side of the war in captivating detail weaving in extraordinary eyewitness accounts and information only recently declassified Rare photographs artifacts and illuminating graphics enrich this absorbing reference book

Shadow Warriors of World War II Gordon Thomas, Greg Lewis, 2017-01-01 They were told that the only crime they must never commit was to be caught Women of enormous cunning and strength of will the Shadow Warriors stories have remained largely untold until now In a dramatic tale of espionage and conspiracy in World War II Shadow Warriors of World War II The Daring Women of the OSS and SOE unveils the history of the courageous women who volunteered to work behind enemy lines Sent into Nazi occupied Europe by the United States Office of Strategic Services OSS and Britain's Special Operations Executive SOE these women helped establish a web of resistance groups across the

continent Their extraordinary heroism initiative and resourcefulness contributed to the Allied breakout of the Normandy beachheads and to the eventual victory over Hitler Young and daring the female agents accepted that they could be captured tortured or killed but others were always readied to take their place So effective did the female agents become in their efforts the Germans placed a price of a million francs on the heads of operatives who were successfully disrupting their troops

The Long Shadow: The Legacies of the Great War in the Twentieth Century David Reynolds, 2014-05-12 Winner of the 2014 PEN Hessel Tiltman Prize for the Best Work of History Brilliant the most challenging and intelligent book on the Great War and our perceptions of it that any of us will read John Charley The Times London One of the most violent conflicts in the history of civilization World War I has been strangely forgotten in American culture It has become a ghostly war fought in a haze of memory often seen merely as a distant preamble to World War II In *The Long Shadow* critically acclaimed historian David Reynolds seeks to broaden our vision by assessing the impact of the Great War across the twentieth century He shows how events in that turbulent century particularly World War II the Cold War and the collapse of Communism shaped and reshaped attitudes to 1914 18 By exploring big themes such as democracy and empire nationalism and capitalism as well as art and poetry *The Long Shadow* is stunningly broad in its historical perspective Reynolds throws light on the vast expanse of the last century and explains why 1914 18 is a conflict that America is still struggling to comprehend Forging connections between people places and ideas *The Long Shadow* ventures across the traditional subcultures of historical scholarship to offer a rich and layered examination not only of politics diplomacy and security but also of economics art and literature The result is a magisterial reinterpretation of the place of the Great War in modern history

The New York Times Index, 1928

Hitler's Shadow War Donald M. McKale, 2006-03-17 In *Hitler's Shadow War* World War II scholar Donald M. McKale contends that the persecution and murder of the Jews Slavs and other groups was Hitler's primary effort during the war not the conquest of Europe According to McKale Hitler and the Nazi leadership used the military campaigns of the war as a cover for a genocidal program that centered on the Final Solution Hitler continued to commit extensive manpower and materials to this shadow war even when Germany was losing the battles of the war's closing years

American World War II Orphans Network, 2005-03

Crerar's Lieutenants Geoffrey Hayes, 2017-07-12 In 1943 General Harry Crerar penned a memorandum in which he noted that there was still much confusion as to what constitutes an Officer His words reflected the army's preoccupation with creating an ideal officer who would not only meet the immediate demands of war but also be able to conform to notions of social class and masculinity Drawing on a wide range of sources and exploring the issue of leadership through new lenses this book looks at how the army selected and trained its junior officers after 1939 to embody the new ideal It finds that these young men through the mentors they copied the correspondence they left even the songs they sang practised a temperate heroism that distinguished them from the idealized heroic visions of officership from the First World War Fascinating and highly original this book sheds new light on the challenges many junior

officers faced during the Second World War not only on the battlefield but from Canadians often conflicted views about social class and gender

NEET UG Biology Study Notes (Volume-2) with Theory + Practice MCQs for Complete Preparation - Based on New Syllabus as per NMC | Includes A&R and Statement Type Questions EduGorilla Prep

Experts,2023-09-14 EduGorilla s CBSE Class IX Social Science Study Notes are the best selling notes for Class IX exams

Their content is well researched and covers all topics related to CBSE Class IX Social Science The notes are designed to help students prepare thoroughly for their exams with topic wise notes that are comprehensive and easy to understand The notes also include solved multiple choice questions MCQs for self evaluation allowing students to gauge their progress and identify areas that require further improvement These notes include Topics such as History Geography Political Science and Economy These notes are perfect for understanding the pattern and type of questions asked by CBSE These study notes are tailored to the latest syllabus of CBSE Class IX Social Science exams making them a valuable resource for exam preparation

Battle of Remagen Kai Althoetmar,2025-06-01 March 7 1945 the day that dramatically accelerated the end of the war in Europe Unexpectedly the Remagen Bridge fell into the hands of American GIs The Americans were across the Rhine in no time Hitler did everything in his power to destroy the bridge fighter divers jet fighters V rockets In 1968 Hollywood filmed the drama in Czechoslovakia The filming of The Bridge at Remagen was interrupted by the end of the Prague Spring Warsaw Pact troops marched in Soviet tanks blocked roads military helicopters circled over the set The crew had to flee The book tells both stories alternately supplemented by up to date descriptions of the battlefields of yesteryear For the research for this book the author traveled to Remagen and visited the sites of that time Edition with numerous photos and maps
